Background

The partnership is important between APR and ACCP since, APR is a professional association meant for research & development, and promotion in the field of Pharmaceutical Science and Technology. APR is a paramount body that has brought technical revolution and sustainable development in the field of Pharmaceutical Science and Technology.

APR is an international forum for researchers, academicians, doctors, and practitioners for sharing knowledge and innovations in the field of Pharmaceutics. Our forums and associates constitute professional leaders, universities, organizations, and associations connecting each other with a mission to work as wizards of science for defending the earth.

APR forms partnerships with colleges, universities, professional associations, societies, and organizations to operate our local chapter functions worldwide. APR is one of the leading publishers of research articles in its high-quality peer reviewed journals, proceedings, and research magazines. APR fulfil the need of professionals even for their end-to-end research and development. APR is a leading publisher of scientific research works in highly cited, high indexed and high standard International Journals such as SCOPUS, SCI/ESCI, Web of Science, UGC, Inderscience publishers etc.

Sri Adichunchanagiri College of Pharmacy, Adichunchanagiri University (ACCP), one of the top Pharmacy colleges in India takes pride in creating an atmosphere wherein both students and faculty can pursue boundless knowledge; a single roof where theory and practice go hand in hand and lead to a better understanding of oneself and the world. Education at ACCP prepares you to think boldly and act confidently in any industry environment. At ACCP the focus goes beyond education. ACCP aims to prepare students for life-transforming them into Leaders.
