Dear Sir/Madam,

Subject: MOU between Medical Colleges/Hospitals for posting
ENT PGs in clinics

Greetings from Dr. S. R. Chandrasekhar Institute of Speech and Hearing!

Dr. S. R. Chandrasekhar Institute of Speech and Hearing has been serving the community for the last 4 decades. It is a non profitable organization, and has provided clinical services to over 180,000 persons with Speech, Language and Hearing Disorders. The Institute is recognized by the Rehabilitation Council of India and is affiliated to Bangalore University & Bengaluru North University for teaching programs. We run one Bachelors Program, three Masters Programs, a Doctoral program in Speech, Language and Hearing Sciences and Diploma in Special Education.

We have been in association with your college over the last decade and have been providing exposure to your ENT post graduate students in both Audiology and Speech Language Pathology for a duration of 2 weeks.

As part of NAAC accreditation, it has become necessary to have a Memorandum of Understanding with Institutes/Medical Colleges/Centres to which we provide services.

In this regard we request you to send us a draft of MOU from your side if it is agreeable.

Thanking you,

Yours sincerely,

Rashmi J Bhat
