**GOVERNMENT OF KARNATAKA**

No. ED 254 URC 2017

 Karnataka Government Secretariat,  
Higher Education Department, M.S. Building,  
Bengaluru, dated 22<sup>nd</sup> January 2018.

**NOTIFICATION**

Whereas, the Adichunchanagiri Shikshana Trust (R), B.G. Nagara, Nagamangala Taluk, Mandya District, has submitted the proposal to Government requesting to grant Private University status to be named as ADICHUNCHANAGIRI UNIVERSITY.

Whereas, the Government has referred the same to the Karnataka State Higher Education Council to inspect the Institution about its infrastructure etc. and submit its report to Government.

Whereas, the Karnataka State Higher Education Council has submitted its report. Based on the report of the Committee, Government has prepared draft ADICHUNCHANAGIRI UNIVERSITY Bill and placed it before the Karnataka Legislature for its approval. After obtaining the approval of the Legislature and assent of Hon'ble Governor of Karnataka, ADICHUNCHANAGIRI UNIVERSITY Act, 2012 was published in the Official Gazette dated: 8-2-2013 and it was given effect from 22<sup>nd</sup> January 2018 as published in the Official Gazette.

Whereas, as per Section 3 of ADICHUNCHANAGIRI UNIVERSITY Act, 2012, the Adichunchanagiri Shikshana Trust (R), has submitted the proposal to Government for establishment of the ADICHUNCHANAGIRI UNIVERSITY. Accordingly, Government of Karnataka has constituted a Committee vide its order No. ED 254 URC 2017, dated: 11-1-2018 to inspect the physical infrastructure available with Adichunchanagiri Shikshana Trust (R), and to submit its report in terms of Section 3(3) of the said Act.

Whereas, the Committee constituted for the purpose, visited the Adichunchanagiri Shikshana Trust (R), B.G. Nagara, Nagamangala Taluk, Mandya District, and also the land earmarked to establish its University campus at B.G. Nagara, Nagamangala Taluk, Mandya District, on 16-1-2018 and after due inspection submitted its report to Government on 18-1-2018 on the issues as contained in Clauses (i) to (xiii) of Section 3(3) the ADICHUNCHANAGIRI UNIVERSITY Act, 2012.

Whereas, the Adichunchanagiri Shikshana Trust (R), has created Statutory Fund of Rs.15.00 crores (Rupees Fifteen Crores only) as stipulated under Section 4 read with proviso to Section 47 of the ADICHUNCHANAGIRI UNIVERSITY Act, 2012.

Now, therefore, after considering all the facts, Government of Karnataka has accorded approval with the following terms and conditions to Adichunchanagiri Shikshana Trust (R), B.G. Nagara, Nagamangala Taluk, Mandya District, in accordance with Section 4(2) of ADICHUNCHANAGIRI UNIVERSITY Act, 2012 to establish and commence a Private University in the name and style "ADICHUNCHANAGIRI UNIVERSITY" at B.G. Nagara, Nagamangala Taluk, Mandya District.

- 2 -

1. The Adichunchanagiri Shikshana Trust (R), shall have the right to establish the University of Unitary Nature subject to and in accordance with the provisions of this Act.
2. Since the University is being located at B.G. **Agenda:** Discussion and Recommendation of the curriculum of all Allied health Sciences degree, Diploma and certificate courses of Adichunchanagiri University Post Graduation Degree courses at Adichunchanagiri University.

- The Board of Studies in Allied Sciences in its meeting held on 30.05.2019 had recommended for approval of curricula and syllabi for Allied Health Science Degree, PG Diploma, and Certificate courses at ACU in the following courses.

B.Sc Allied Health Science Program in

1. Medical Laboratory Technology
2. Medical Imaging Technology
3. Renal Dialysis Technology
4. Optometry
5. Anesthesia and Operation Theatre Technology

**Decision: It was resolved for a recommendation for approval of curricula and syllabi for Allied Health Science, degree and certificate Courses.**

➤ **3<sup>rd</sup> Academic Council held on 19.08.2019 vide agenda no.AC.03.11**

**Agenda:** Approval of fresh affiliation for Allied Health Science UG Degree Courses at ACU from 2019-20 onwards

- The LAC report and recommendations of the Board of Studies were perused by the Academic Council for all the Allied Health Science Courses listed below:

- 1.B.Sc. Medical Laboratory Technology—20 seats
- 2.B.Sc. Medical Imaging Technology—20 seats
- 3.B.Sc. Renal Dialysis Technology—20 seats
- 4.B.Sc. Optometry —20 seats
- 5.B.Sc. Anaesthesia & Operation Theatre Technology —20 seats

The AC decided to recommend for affiliations to all the five courses listed above with 20 seats each from the academic year 2019-20 onwards.

**Decision:** It was resolved to recommend fresh affiliation for starting five Allied Health Science B.Sc. courses listed below from the academic year 2019-20 onwards :

1. B.Sc. Medical Laboratory Technology—20 seats
2. B.Sc. Medical Imaging Technology—20 seats
3. B.Sc. Renal Dialysis Technology—20 seats

4. B.Sc. Optometry —20 seats
5. B.Sc. Anaesthesia & Operation Theatre Technology—20 seats.

**Details of the examination system (whether examination based or practical based)**

The examination process of the University is communicated to the students and their parents at the time of admission. The details of the examination process of all the programs/ courses are also made available on the website of the University **www.acu.edu.in**

Adichunchanagiri University is offering the following courses under various faculties

1. Faculty of Health Sciences (Medical) (MBBS/MD/MS/PG Diploma Courses)
2. Faculty of Engineering, Management and Technology (B.E/M.Tech/M.B.A)
3. Faculty of Health Sciences (Pharmacy) (D. Pharm, B.Pharm, Pharm. D, M. Pharm)
4. Faculty of Health Sciences (Nursing and Allied sciences) (B.Sc Nursing, P.B. B.Sc Nursing, M.Sc Nursing, B.Sc Allied Health Science Courses)
5. Faculty of Humanities and Social Sciences (B.Com, B.B.A, B.Ed)
6. Faculty of Natural Sciences (M.Sc Natural Science Courses)

Type of Examination conducted by the University

- Annual Examinations (Both Theory and Practical )
- Semester Examinations (CBCS) (Both Theory and Practical )
- Supplementary Examinations (CBCS) (Both Theory and Practical )

Note: B.Com course does not have practical examinations.

**Annual Examinations:** (MBBS/MD/MS/PG Diploma, Pharm. D, B.Sc Nursing, P.B. B.Sc Nursing, M.Sc Nursing, M.Sc Medical courses)

Annual examinations are typically conducted by the University at the end of the academic year. The purpose of these examinations is to make a final review of the topics covered and assessment of each student's knowledge of the subject at the end of the academic year.

**Semester Examinations** (B.E, M.Tech, M.B.A, B.Com, B.B.A, B.Ed, B.Pharm, M. Pharm. M.P.H , M.H.A courses)

University follows a semester system wherein each academic year is divided into two semesters. The final assessment is on the basis of

1. Continuous Internal Evaluation ( Both Theory and Practical)
2. Semester End examinations conducted by the University (Both Theory and Practical)

### Supplementary Examinations

Supplementary examinations are conducted to provide a second chance to students who did not qualify in the main examinations due to the following reasons.

1. Failure to secure minimum pass marks in Theory/Practical examinations.
2. Due to shortage of attendance, etc.

### Theory Examinations

- The University maintains the highest confidentiality in the conduct of examinations.
- The question papers are set by the examiners from outside the state/within the state.
- The question papers are moderated by the senior external examiner in the subject concerned.
- The moderator submits moderated question papers to Registrar (Evaluation) in a sealed cover.
- The Registrar (Evaluation) has 6 different sets of question papers of the course.
- The Vice-Chancellor randomly selects one and Registrar (Evaluation) prints the question paper confidentially and seals them in cloth line bag.
- Sealed packets containing the question papers are opened in the examination hall in presence of two students.
- Mobile phone or any other electronic gadgets are not allowed in the examination hall.
- Answer booklets are assessed centrally under CCTV surveillance.
- The Registrar (Evaluation) masks the answer booklets with code numbers and keeps them ready for the assessment.
- The result is processed with the help of tamper-proof software.

### Practical Examinations

- The examiner for the practical is appointed as per the norms of apex bodies for courses under respective faculty.
- Appointment letters are sent by e-mail/courier.
- The external examiners are appointed 3 weeks before the commencement of practical examinations.
- The Internal examiners are appointed one week before the commencement of practical examinations.

| <b>BOG/ 03.06 (a)</b> | <b>Statutes for Cadre &amp; Recruitment and Service Rules for employees of ACU as per section 32 (iv) of ACU Act 2012</b> |
|-----------------------|---|

➤ Vice Chancellor informed that the Draft Statutes regarding Cadre & Recruitment and Service Rules of ACU – 2019 prepared in consultation with experts was approved in principle at the third meeting of the Board of Management held on 09.03.2019.

➤ Members suggested changes to the draft Cadre & Recruitment statutes to be incorporated

• **Dr. C. N. Manjunath:** Separate Cadre & Recruitment Statutes and Rules

be made for Teaching and Non-teaching faculties

- **Dr. Rajkumar Khatri:** Under Sl. No. 04 "Methods of Recruitment" items (c) and (d) may be removed and to be clubbed along with 'Direct recruitment'
  - **Sri. D. Devaraj :** For 'Direct recruitment' Statutes need not specify Competitive Exam / test as it would restrict flexibility in recruiting staff
  - **Dr. Rajkumar Khatri:** It is better not to specify only General Recruitment process in the Statutes but leave it to Appointing Authority to frame rules and criteria for appointment at the time of appointment.
  - **All members agreed that 'not to specify any competitive exam or test or interview' in the Statutes but to leave it to Appointing Authority to frame regulations for appointment.**
  - And also to keep a flexible ratio for recruitment by direct appointment and promotion
  - **Dr. Rajkumar Khatri:** Only 25% of posts in Junior Programmer should be kept for Recruitment and not 80 %. For System Manager post, the recruitment should be 'Selection / Promotion'.
  - **Dr. C. N. Manjunath:** to keep different slab system for specifying weightage for different employees based on work experience.
  - **He** also suggested that for appointment of Associate Professor Cadre, recruitment might be kept as "by Selection / Promotion" so that chance is given to In-house staff to apply along with outsiders, but it should be subject to performance appraisal.
  - **Hon'ble Chancellor** informed that we should keep the option open for direct recruitment of meritorious faculty.
- For the Service Rules the members suggested as below:
- **Sri. D. Devaraj:** to remove Items in Sl No.12 (Appointment) and 17 (Promotions) under Service Rules as it had been covered under Cadre & Recruitment Statutes to avoid duplication.
  - **For Probationary period,** members suggested:  
For Teaching faculty: probation period of One year, extendable to another one year if performance is not satisfactory.  
Group C and D employees will be regularised after Satisfactory Continuous Service of 5 years. No probation for such regularised employees.
  - Probationary period is only for all Fresh Recruitments except for the cadre of Professors.
  - Hon'ble Chancellor informed that Recruitment rules could be same as in Sponsoring Trust to keep uniformity of Service rules amongst employees.
  - For Encashment, Vice Chancellor informed that we might specify rules as

Department of Endocrinology to be established at AH & RC.

**Dr. C. N. Manjunath** suggested to start Cardiac Super-specialty services also. He informed that a mid-level Cath-lab needs to be established to offer Cardiac services.

- If Cath lab is established, then it would offer solutions to treatment of different types of cases and diseases such as Cardiac and Peripheral Artery diseases
- The approximate cost for establishing a Standard Cath Lab would be around 5 crores and a minimum of 3 crores required for a mid-level Cath lab.

**Hon'ble Chancellor** directed to process for establishment of a Cath lab at AH & RC in consultation with Dr. C. N. Manjunath.

**BOG/ 03.11**      **Conversion of Post-Graduate Medical Diploma courses into Post-graduate Degree courses as per MCI Public Notice dated 28-02-2019**

- The Board of Governors were informed that the University had applied for conversion of PG Medical Diploma seats to PG Medical Degree seats as per the guidelines of Medical Council of India.
- AIMS had applied to Medical Council of India for the conversion of 17 PG Diploma seats into 17 PG Degree seats on 11.07.2019 and waiting for sanction.
- Not applied for Conversion of 01 DMRD seat into 01 MD (Radio Diagnosis) due to deficiency of teaching faculty

**BOG/ 03.12**      **Any other matter with permission from the Chair**

- It was decided to look into the feasibility of establishing a Super-specialty Department at AH & RC with Cath lab in consultation with Dr. C. N. Manjunath, member BOG, ACU and Director, Sri Jayadeva Institute of Cardiovascular Sciences & Research, Bangalore

### Agenda: No. 3

**BOG - 04.03** Adoption of Audited Statement of Accounts & Balance Sheet for the Financial Year 2018-19 of the University, u/s 53 of ACU Act, 2012

- Vice Chancellor informed the members that the University had appointed M/s. Harish & Associates, Bangalore as authorized Auditors for conducting Audit for the Financial Year 2018-19 as was approved at the First BOG meeting held on 22/06/2019
- The Report submitted by the Auditors was placed before the 5<sup>th</sup> meeting of the Finance Committee held on 30/10/2019 and fifth meeting of the Board of Management held on 04/11/2019 for discussion and recommendation to the Board of Governors for approval.
- **Sri. B.K. Umesh, Finance Officer** briefed the members the abstract of the Audited statement of Accounts and Balance Sheet as on 31/03/2019:
  - Total Income: Rs. 114,49,22,306.00
  - Total Expenditure: Rs. 91,75,27,949.00
  - Surplus: Rs. 22,73,94,358.00

- ACU Total Net Assets: Rs. 248,68,57,518.00 (Capital Investments during 2018-19 Rs. 16,10,27,229.00)
- Liabilities to the Trust SAST® : Rs. 13,10,64,727.00 (Balance of Tuition Fee from Students as on 31.03.2018)

➤ **Dr. Rajkumar Khatri** made certain comments and suggestions on the Auditor's report.

1. To get the Certificates from the Auditor for the statutory payments made by the University as it is an essential part of the Auditor's Report.
2. To get the 'Notes on Financial Management of the University' based on the Audited Statement of Accounts and the Balance Sheet.
3. To study the percentage of amount spent on Salary Component in comparison with other similar Universities both private and deemed to be universities.
4. To re-look into the existing insurance scheme adopted by the University since every other insurance company is offering better competitive package.
5. To check on Current liabilities as it is huge and much more than desired. To clear the dues to the Sponsoring Trust at the earliest.

➤ **Sri. B.K. Umesh, FO** informed that the University had nearly cleared Rs. 19 crores dues to the Sponsoring Trust in 2018-19 and another Rs. 6 crores in the current financial year. Pending amount would be cleared shortly.

| <b>BOG -04.04</b> | <b>Approval of Annual Report of 2018-19 to be submitted to the Government of Karnataka, u/s 52 of ACU Act, 2012</b> |
|-------------------|---|

- Vice Chancellor informed the members that as per Adichunchanagiri University Act, 2012 u/s 52, the Annual Report of the University should be prepared under the direction of the Board of Management and be submitted to the Board of Governors for approval.
- **The** Annual Report approved by the Board of Governors needs to be submitted to the State Government before 31<sup>st</sup> December following close of the financial year on 31<sup>st</sup> March of each year.
- He informed that the Annual Report for the year 2018-19 was prepared as per the directions of the Board of Management.
- The Board perused the Annual Report prepared by the University.

**Decision:**

**The Board of Governors resolved to approve the Annual Report of the University for the year 2018-19 and decided to submit to the Government of Karnataka.**

**Agenda: No. 5****BOG - 04.05**

**Revised Budget Estimates for the Financial Year 2019-20 as approved by the Board of Management**

- Sri. B.K. Umesh, Finance Officer briefed the members that the Budget proposal presented to the Board of Governors at the Second meeting was revised to extend Infrastructural developments of the University.
- He informed that the Revised Budget Estimates of Rs. 165,58,21,110 as total expenditures (fixed assets @ 72,78,95,386) as against the Total Receipts of Rs. 150,25,83,938 with an excess of Expenditure over Income of Rs. 15,32,37,171 presented to the Finance Committee was again revised to cut down on the deficit of Rs. 15.32 crores.
- Further, as per the directions of the Finance Committee after reducing the total expenditures, the Re-revised Budget estimates remained as below:

Proposed Expenditure: Rs. 161, 08, 21, 110

Proposed Income: Rs. 150,25, 83, 938

Excess of Expenditure over Income: Rs. 10,82,37,171

- He also informed that it was decided to overcome the deficit budget through pro-active collection of tuition fee dues from students of ACU.
- He presented the Re-revised Budget Estimates of Rs. 161,08,21,110 as total expenditures (fixed assets @ 68,28,95,386) as against the Total Receipts of Rs. 150,25,83,938 with an excess of Expenditure over Income of Rs. 10,82,37,171 for the Financial Year 2019-20
- Dr. Rajkumar Khatri observed that the Audited Statement of Account of 2018-19 showed a surplus of Rs. 22.73 crores. The revised budget estimates for the financial year 2019-20 was showing a deficit budget estimate of Rs. 10.82 crores and seemed unrealistic.
- He suggested that deficit budgeting should be avoided in the interest of Financial and fiscal discipline of the University. Suggested to revise the Budget to make it more realistic.
- As suggested by Dr. Rajkumar Khatri, Hon'ble member, BOG, the Budget Estimates for 2019-20 was further revised after taking into consideration the realistic receipts and payments from 01.01.2020 to 31.03.2020 (including recurring and non-recurring expenditures).

The revised Budget estimates are as below:

**Proposed Expenditure: Rs. 154, 28, 26, 233**

**Proposed Income: Rs. 150,25, 83, 938**

**Excess of Expenditure over Income: Rs. 04,02,42,295**

- Further, the University shall make earnest efforts in reducing the deficit by proactive collection of Tuition Fees from students as on 31.03.2020.

### **Agenda: No. 2**

#### **Action Taken Report on the decisions taken at the 4th meeting of BOG held on 26/12/2019**

- Vice Chancellor informed the members the action taken report on the decisions taken at the Fourth meeting of the BOG held on 26.12.2019.
- With respect to the Salary & statutory payments (PF, ESI, PT, etc), Sri. D. Devaraj enquired that comparison of establishment expenses with other similar universities was not presented.
- **Vice Chancellor** assured that the University would obtain the information and submit within a week to the members for perusal.
- **With** respect to establishment of Nadaprabhu Kempegowda Centre for Advanced Studies and Research wanted to know the development made so far.
- **Vice Chancellor** informed that Rs. 50 lakhs were earmarked for the purpose of establishing the Centre in the current financial year.
- **Hon'ble Chancellor** informed that in the initial phase the study of Life and contribution of Nadaprabhu Kempegowda would be taken-up and later the history of related dynasties such as Ganga, Chola, Kadamba etc might be considered.
- Dr. N.S. Ramegowda enquired about the Service Rules of ACU and suggested that it could be circulated amongst staff members. However, Hon'ble Chancellor suggested that it could be notified in the ACU website.

- **Dr. N.S. Ramegowda**, suggested that the Annual Increment for the employees should be linked to the performance of the employees.
- **Dr. N. S. Ramegowda** informed that for Post-retirement engagement of any employee Hon'ble Chancellor's permission need to be obtained. However, these employees need not be covered under the Service Rules.
- **Vice Chancellor** opined that Officers of the University might require the permission of the Hon'ble Chancellor.
- **With respect to** starting new courses B.E. in Artificial Intelligence & Machine Learning, Dr. Rajkumar Khatri suggested to include the syllabus of Data Analytics in the proposed new course.
- **Dr. C. K. Subbaraya**, Registrar informed that the Data Analytics is in itself huge subject and the University is planning the start a PG course in M.Tech Data Analytics. However, University had already included the curriculum on Big Data Analytics with 3 credits in the 8<sup>th</sup> Semester of B.E course in Artificial Intelligence & Machine Learning.
- To a query from **Dr. Rajkumar Khatri** on the progress made with Civil constructions for expansion work of Medical College and Hospital for proposed 250 MBBS intake, Hon'ble Chancellor informed that the Civil digging work faced lot of rocky surface and much of time was consumed in clearing the same. However, the First phase will be completed soon and structures will come up shortly.
- **Vice-Chancellor** informed that the University would need about Rs. 100 crores for the **six** civil projects undertaken in the next two Financial years as Rs. 25 crores worth civil works were completed. And for the current financial year had reserved an amount of Rs. 42.65 crores. The Vice Chancellor also informed about closely monitored cash flow up to September 2020.
- Also told that the University will be making all the efforts to minimize revenue expenses in view of severe deficit of Tuition Fee collections due to Covid-19 impact. The savings from revenue expenditures will be utilized for capital expenditures.
- Further, the capital expenditure to the extent of Rs.25 crores will be reduced by reducing the floor area of nearly 1,37,752 Sq. Ft (2 Floors each) in Hospital and College Blocks of AIMS.
- **Dr. Rajkumar Khatri** and **Sri. D. Devaraj** insisted to have a timeline for phase-wise construction of the projects. Sri. D. Devaraj suggested to plan fast and complete the project on time and be ready for the Post-Covid-19 situation.

- **Vice Chancellor** informed that the University was frequently reviewing the timeline with M/s. Noble Infra Management Services, Bangalore, and would plan for each quarter.
- **Dr. N.S. Ramegowda** suggested to highlight the salient features of new courses being planned as the same was not found with the data provided either in the proceedings of the Board of Studies or Academic Council.
- **Dr. Rajkumar Khatri** suggested to prepare Cost-benefit ratio of the Nadaprabu Kempegowda Centre for Advanced Studies & Research (NPKCAS&R) and also of the new courses being planned for better understanding the scopes of these courses. Also enquired about the need for two separate head of Accounts, one for R & D and another for Nadaprabhu Centre for Advanced Studies & Research.
- **Dr. Sudhamahi Regunathan**, suggested that it was better to have a separate identity for Humanities & Cultural studies.
- **Dr. Rajkumar Khatri** suggested to look for extra-mural funding for the planned new courses in Data Analytics or Artificial Intelligence & Machine Learning from many funding agencies outside India, especially UK.
- **Hon'ble Chancellor** enquired about the progress made in research and also the reason for not seeking grants from Adichunchanagiri Institute of Molecular Medicine (AIMM) in spite of being established since 20 years.
- **Prof. K. Byrappa**, Pro-VC & Dean Research informed that the Research facility at the University (ACU-CRI) is almost ready for inauguration and research activities would commence shortly. He informed that AIMM would apply for research grants soon. The high-tech equipment at the Centre would be offered to others for research and service delivery and earn revenue.
- **Sri. D. Devaraj** informed Prof. K. Byrappa, to submit a detailed analysis and a report on the progress made in research since 2 years.
- **Prof. K. Byrappa**, agreed to send the report to the members at the earliest.
- **Dr. Rajkumar Khatri**, suggested to plan for right kind of technologies for the University. He felt there was need to integrate regular classroom teaching with the digital learning which might have greater benefits for the students.
- **Vice Chancellor** informed that the University had started the process for integrating the digital learning resources by integrating the libraries at all colleges and would soon plan for having an integrated teaching learning platform across all streams.

- **Dr. Rajkumar Khatri**, Suggested to set-up a strong IT Hub at the University for better implementation of advanced technologies at colleges for the benefit of teachers & students.
- **Hon'ble Chancellor** informed that the institute at Noida had established a strong ERP Software and also at Bangalore. He directed the University to forward a report to Dr. Rajkumar Khatri and Dr. Sudamahi Reghunathan on the IT Set-up at the University and also the ERP Software being used in the schools at Noida and Mahalaxmi Layout, Bangalore.

| <b>BOG - 05.05</b> | <b>Tuition Fees for all the courses under ACU for the Academic Year 2020-21</b> |
|--------------------|---|

- Tuition Fees for all the courses at Constituent Colleges under ACU for the Academic Year 2020-21 as recommended at the 6<sup>th</sup> meeting of Finance Committee was placed before the members for consideration and approval.
- **Sri. D. Devaraj** informed that the competent authority to approve Tuition Fees for all the courses at ACU is Fee Regulation Committee and not Board of Governors. Hence, the agenda to be placed before the Fee Regulation Committee.
- **Vice Chancellor** informed that the Fee for the 40% seats reserved for Karnataka students in all courses shall be regulated by Fee Regulation Committee (constituted by GoK) as per section 38 of ACU Act, 2012. For the remaining 60% of seats in all courses, the University had constituted a Fee Fixation Committee. The intention of the University was to place before the Fee Fixation Committee through Board of Governors.
- **Sri. D. Devaraj** suggested it would be better if the matter was placed before the BoG after due recommendation from the Fee Fixation Committee for formal approval.

**Proceedings of the 4<sup>th</sup> Meeting of the Academic Council held on 28/02/2020**

- The 4<sup>th</sup> meeting of the Academic Council was held on 28.02.2020 at MEU Hall, AIMS, ACU Campus.
- The proceedings of the meeting were placed before the members for kind information.
- Sri. D. Devaraj suggested not to use the word ‘ratified’ in the proceedings of the Academic council, rather to use the word approved. He also enquired, whether the academic council could use the term ‘affiliation’ for courses. Vice Chancellor agreed to the suggestion.
- Vice chancellor clarified that the Academic council needed to give affiliation to all the course but not to institutions. He also informed that the regulatory bodies required consent of affiliation to start new courses and for increase in intake of existing courses.

### Welcome by Registrar

**Registrar** welcomed with pranams Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, the Hon'ble Chairperson and the members of Board of Governors attending online and also present in person for the Sixth meeting. Registrar then requested the Hon'ble Chancellor to conduct the proceedings.

### Opening Remarks by Vice-Chancellor on behalf of the Chairperson

**Prof. Dr. S. Chandrashekar Shetty, Vice-Chancellor** once again welcomed the Hon'ble Chancellor and all the members.

- Informed that the draft Balance Sheet and Audit report for the year 2019-20 was received on 14/12/2020 and it was placed before the 9<sup>th</sup> meeting of BOM held on 16/12/2020. The Audit report & the Balance sheet was discusses and approved and recommended to BOG for approval.
- The Final Audit report was received by the University on 23/12/2020 and was placed before the 8<sup>th</sup> meeting of the Finance Committee on the day. The Final Audit report and the Balance Sheet was approved and recommended to BOG for final approval.
- Final audit report along with Balance sheet was circulated to the members of BOM on 24/12/2020 and approved thereafter.
- **Dr. Raj Kumar Khatri** enquired the reason for not promoting nearly 20% of students from across all the courses.
- **Vice-Chancellor** informed that these students were not detained but their results withheld for time-being for non-payment of tuition fees and it would be cleared at the earliest. He also informed that online classes were not stopped for these students.
- To a query from Dr. Sudhamahi Regunathan on challenges faced for conducting online classes Vice-Chancellor informed that University had made necessary ICT preparations for conducting online classes and all colleges were conducting online classes smoothly and were able to cover theoretical portions. To a query from Sri. D. Devaraj about justification for

the portions covered with the number of classes. Vice-Chancellor informed that in Engineering faculty, out of total 1288 classes for nearly 20 sections in four subjects, amounts to 16 classes on average which tallies with 25% portions covered. Usually to cover portions in each subject on an average 52 classes were required and college had covered 25% portions with average 16 classes per subject.

### Agenda: No. 1

#### BOG/06.01 Approval of the minutes of the 5<sup>th</sup> meeting of the Board of Governors held on 08/06/2020

- **Vice-Chancellor** briefed members the gist of the minutes of Fifth meeting of Board of Governors held on 08.06.2020.
- He also informed that the clarifications sought by Dr. Raj Kumar Khatri and Sri. D. Devaraj on the minutes of fifth meeting were answered.
- Sri. D. Devaraj, suggested that BOG being a principal policy making body, it was ideal if only policy decisions were taken for discussion and all other items be circulated to all the members. University might decide on the policy matters to be taken for discussion at BOG meetings.
- Dr. Raj Kumar Khatri opined that it was ideal as suggested by Sri. D. Devaraj for categorization of agenda for BOG meetings in different colors so that quality time was spent on discussing important agenda for the development of the University. All ratifications, approvals could be grouped under one headings and all other information items grouped separately.
- Vice-Chancellor informed that there was only two policy decisions to be taken up regarding approving Audit Report and Annual Report of the University to be forward to Government of Karnataka on or before December 31, 2020. Apart from these, the University had planned for aligning the Education system & programs in line with National Education Policy-2020. This matter was discussed at the Committee of Academic Council held on 11/12/2020 discussed and listed 06 courses in

Engineering and 03 courses in Natural Sciences and later at the Board of Management in its 9<sup>th</sup> meeting held on 16/12/2020 and approved in principle subject to preparation of Curricula and Syllabi in line with NEP-2020 guidelines and guidelines of regulatory bodies.

- Informed that the University had constituted two sub-committees under the Planning, Monitoring & Evaluation Board.

- He pointed out that during next two financial years University would be spending close to Rs. 75 Crores on infrastructure developments and how to fund these projects could be a challenge. University must plan for financial road map to fulfil infrastructure needs. He stressed that the Hospital collections should improve since the college was going for 250 intake from next academic year. Clinical material should be improved for the enhanced intake.
- Dr. C. N. Manjunath opined that since the hospital had all super-specialty services it was essential to give wider publicity of services available at the hospital and also successful cases treated every six months. Apart from this conducting regular health check-up camps to be conducted.
- Vice Chancellor informed that the Board of Management in its 9<sup>th</sup> meeting held on 16.12.2020 discussed and recommended to BOG for approval of the Audit Report along with the Balance sheet of ACU for the Financial Year 2019-20.
- He also informed that the Finance Committee in its 8<sup>th</sup> Meeting held on 23/12/2020 had recommended the audit report for approval by the Board of Governors.
- Members discussed the audit report and approved it for sending to the Government of Karnataka.

**Decision:** The Board of Governors approved the Audit Report of the University for the year 2019-20 and recommended to be forwarded to Government of Karnataka.

| i)   | <b>Request from Dr. N. S. Rame Gowda, Hon'ble Member of BOG for discussion:</b> |
| <p><b>Dr. N.S. Ramegowda</b> requested for discussion about the following issues:</p> <ol style="list-style-type: none"> <li>1. UGC recognition for ACU: UGC (Establishment of And Maintenance of Standards in Private Universities) Regulations, 2003</li> <li>2. Implementation of NEP-2020</li> </ol> <p>➤ Dr. N.S. Ramegowda, informed that with respect to discussion point 01. UGC Regulations, 2003 was a mandatory regulations binding for all Private universities in India. He read out section 3.7 of the UGC Regulations, 2003 which stated "A private university shall provide all the relevant information relating to the first degree and post-graduate degree/diploma programme(s) including the curriculum structure, contents, teaching and learning process, examination and evaluation system and the eligibility criteria for admission of students, to the UGC on a proforma prescribed by the UGC prior to starting of these programmes". He pointed out that this was the mandatory clause all private universities must abide with. A student passing out with a degree from this university should be a recognized by the UGC, New Delhi so that it was accepted at the national level.</p> <p>➤ Vice-Chancellor informed that the regulations mentioned that the inspections mentioned was a routine for grading the Universities and not for recognizing a private university. Also it was not mandatory for the existing courses to be recognized by UGC as long as it was recognized by the concerned regulatory bodies and listed under the UGC recognized courses. He informed that the MBBS course recognized by MCI (now NMC) was valid not only in Karnataka but all over the country and outside as well. Similarly with all professional courses.</p> <p>➤ He informed that the University had waited for completion of three years so that the overall development of the University in academics, examinations and research would be projected before the UGC comes for inspection. He said now since the university was about the complete three years of existence, it was</p> |   |

ready to invite UGC for inspection.

- With respect to the second point about National Education Policy-2020 implementation at ACU, Dr. N.S. Rame Gowda pointed out that in the Higher Education Scenario four major concerns facing the country were 'access- to higher education', 'equity- where disadvantaged classes also to be considered for higher education', 'relevance- of the courses' and 'quality- of the education'. He informed that in the National Education Policy-2020 all these four were covered and wanted to know what measures were taken by the University to address these four issues in last one year. Even CBCS scheme was included under NEP-2020 and whether University had initiated these schemes and if initiated, whether NEP-2020 was kept in mind for introducing these courses.
- Vice-Chancellor informed that these concepts were not new and it had been kept in mind while introducing these courses. Under NEP-2020 only one and half pages were kept for professional education or courses. There was no integration between Ministry of Education and Ministry of Health & Family Welfare or Medical Education. But some guidelines were given for aligning professional courses into NEP-2020 and our university had opportunities in doing so by enriching the curricula with multi-disciplinary or inter-disciplinary contents for teaching/ learning for outcome based evaluation, very ideal for our campus, enhancing online learning platform for regular teaching/learning & evaluation process, offering online/offline blended certificate courses and there was chance for offering integrated/ double degree programs and dual degree programs, value added multi-disciplinary, inter-disciplinary programs and university had already started working on introducing these courses and only due to covid-19 pandemic it was being delayed. Informed that all our courses except medical and nursing courses were offered on CBCS scheme.
- Informed that during 5<sup>th</sup> meeting of Planning, Monitoring & Evaluation Board the matter was discussed for integrating our courses with NEP-2020 and two sub-committees were formed, one headed by Vice-Chancellor and the other by Prof. Chidananda Gowda for suggesting on aligning our courses with National Education Policy-2020 and Online/ ICT Teaching, Learning & Evaluation

methods at ACU respectively. Former and current Vice-Chancellors, members of the Planning Board apart from Deans of Faculties of ACU were the members of the sub-committees. Members had sent suggestions and one more meeting will be held to finalize the report.

- At the 20<sup>th</sup> meeting of Committee of Academic Council (CAC) held on 11/12/2020 this matter was discussed university received proposals from Engineering faculty and Natural Sciences faculty for starting Integrated programs in engineering and natural sciences. Meanwhile university had planned for starting Apprenticeship Internship Embedded Degree Programs wherein the students need to spend one whole semester in the industry during the course for which 24 credits will be awarded. This was suggested by UGC and promoted by Sector Skill Council of India.
- During the CAC meeting three courses from Engineering, 5yrs Integrated Engineering & Management courses (BE+MBA), Integrated Ph.D. (ME+Ph.D.) & Integrated Research (BE+ME+Ph.D) and three courses from Natural Science faculty were suggested and discussed in line with NEP-2020. Probably from next academic year these course will be started after getting the curricula and syllabi scrutinized by Board of Studies of concerned faculties.
- University was planning to start few courses in Pharmacy faculty also. University was waiting for directions from Pharmacy Council of India regarding Integrated and embedded courses in Pharmacy.

Meeting ended with vote of thanks from Dr. C. K. Subbaraya, Registrar.

#### Welcome by Registrar

**Dr. C. K. Subbaraya, Registrar** welcomed with pranams **Sri Dr. Nirmalanandanatha Swamiji**, the Hon'ble Chairperson and other members of Board of Governors for the Seventh meeting of Board of Governors. He also extended a warm welcome to all other members attending online.

Registrar then requested the Hon'ble Chancellor to conduct the proceedings.

#### Opening Remarks by Vice-Chancellor on behalf of the Chairperson

**Prof. Dr. S. Chandrashekar Shetty, Vice-Chancellor** once again welcomed the Hon'ble Chancellor and all the members attending in person and online.

- Informed all members the brief activities since last meeting of BOG held on 28/12/2020.
- Informed that the University received permission from His Excellency Sri. Vajubhai Vala, the Hon'ble Governor of Karnataka, The Visitor of Adichunchanagiri University for conducting the First Convocation of Adichunchanagiri University on April, 24, 2021. Informed that **Dr. Gautam R Desiraju**, Professor, Solid State & Structural Chemistry Unit, Indian Institute of Science, Bengaluru was selected as the Chief Guest for the 1<sup>st</sup> Convocation and would deliver the Convocation Address.
- *Five Gold Medals* named after Parama Poojya Dr. Balagangadharanatha Swamiji will be awarded to five toppers from faculty of PG Diplomas in Medicine, M. Pharm in Pharmacy, M. Tech in Engineering, MBA in Management and B.Ed in Education of the University at the 1<sup>st</sup> Convocation, *two* Endowment Gold medals had been constituted by Dr. Kanagal, Radiologist, US and *two* Endowment Gold medals from Sri. K M Shashidhar & Sisters in the name of their Parents.
- **Dr. C K Subbaraya** informed that Sri. K M Shashidhar & Sisters had even agreed to donate Rs. 50 lakhs for one of the ICU Units at the Cath Lab to be established at AHRC.
- **Vice Chancellor** informed the admission status of all courses at ACU for the AY-2020-21. Informed that admission to Post-Basic B.Sc.Nursing programs was poor and it was understood that GNM completed nursing students join this course and most of them were already working and seeking admission to part time study. Adichunchanagiri University does not want to dilute the standards and hence no such admissions were allowed. Hence the poor response. The students admitted

were from AHRC and having concurrent duty at AHRC. **Dr. N S Rame Gowda** informed that one nursing college attached to a private hospital at Mysore also had less admission.

- In B.Ed. too admission were poor but informed that the admissions were not yet over and University was confident to admit another 35-40 students before the last date for admission.
- In Natural Sciences Faculty, since the M.Sc. courses were started for the first time admissions were poor especially to Nanoscience and Microbiology courses.
- **Sri. D. Devaraj** enquired about the poor admission to B.Ed. course and steps taken to improve admissions to B.Ed. courses.
- **Vice-Chancellor** informed that admissions to B.Ed courses were usually from teachers already working at some college and most of them seek for Part-time course or exemption from attending classes which the University was not permitting and hence admissions were poor. He informed however, that the Dean, Humanities and Social Sciences, had made efforts to contact all the PU colleges under Shikshana Trust to encourage more students to join for B.Ed. course.
- He also informed that the University had applied for starting an Integrated B.Ed. program with National Council for Teacher Education (NCTE). At present only government colleges were given permission to run the course. However, University was confident of getting approval from next academic year and that might improve the admissions to B.Ed. courses.
- **Dr. N S Rame Gowda** informed that the University need not wait for starting of Integrated courses but should make efforts to improve admissions to existing B.Ed. courses. he also mentioned that B.Ed course at Channarayapatna & Mysore under SAST\* had been having good admissions.
- **Vice-Chancellor** informed that admissions to Nursing courses were not poor due to University. Earlier admissions were made for 60 seats whereas now the seats were increased to 100 and hence more efforts required to fill up seats and University was working to fill all 100 seats. Government was yet to conduct complete admission process and hence admissions delayed.
- Earlier no Ph.D qualified Principal was not there for Nursing college but now University had appointed Dr. N V Muninarayanappa Ph.D. holder in Psychiatric Nursing and hence one Part-time Ph.D. Scholar admitted for Psychiatric nursing.
- **Hon'ble Chancellor** enquired with Dr. N S Rame Gowda about the poor admission

- to B.Ed College before the establishment of the University. Dr. N S Rame Gowda concurred with Hon'ble Chancellor that admissions had been poor for many years.
- **Sri. D Devaraj** suggested to adopt some innovative methods to fill up admissions. University should also find out reasons for poor admissions to some of the courses. He opined that Self-employability of courses will give confidence for students to join courses.
  - **Dr. C N Manjunath** informed that mushrooming of Nursing colleges in Karnataka to blame for poor admissions. In North-east India and in Kerala more number of nursing colleges were started which impacted admissions to nursing courses in Karnataka. He informed the stark reality of admissions coming down for the Medical courses in the next 5 to 10 years with opening of more Medical Colleges in the Government Sector. Pointed that last year even in Medical Super-specialty courses nearly 500 seats were vacant across India. Only established institutions such as Adichunchanagiri-Bellur, JSS Mysore, M S Ramaiah, Bangalore may survive and get good admissions.
  - **Vice-Chancellor** agreed to the views of Dr. C N Manjunath and informed that there were nearly 100-120 nursing colleges in Kerala as compared to less than 50 colleges 20 years ago and even in West-Bengal there were more nursing colleges now.
  - He also pointed out that our Hospital was facing acute shortage of nursing staff and students from outside the state would not help in getting more staff for the hospital.
  - He informed that the University was always thinking innovatively to get more admissions to all the courses. He pointed out that since there were no admissions to BBA (Bachelor of Business Administration) course at University, it was decided to start an Integrated Masters course BBA+MBA of 4 ½ years duration (with exit option). Similarly in Engineering, University was planning to start an AICTE approved 5 ½ years Integrated Engineering Masters course from the Academic Year 2020-21.
  - Similarly planning to start an Apprenticeship/ Internship Embedded course in Engineering and Natural Sciences in association with Life Sector Skill Development Councils (LSSDC).
  - Hon'ble Chancellor suggested to call for a meeting with the Principal of Nursing College to discuss about the admission. Also enquired if there was any possibility

of filling all seats for M.Sc. courses in Natural Sciences.

- Vice-Chancellor informed that Natural Science Faculty members had visited colleges in Mandya, Hassan and Chamarajanagar districts to promote admission to Natural Science courses during Covid-19 Pandemic.
- **Prof. K. Byrappa** informed that admission to M.Sc. courses were completed. He informed that these courses were started for the first time at Adichunchanagiri University and admissions were poor in Microbiology and Nanoscience as we had not appointed any faculty.
- **Sri. D Devaraj** informed that admissions to any course were driven by two factors; by general impressions in the society, by employability and by specialized courses. University should plan innovative approaches in existing courses.
- Vice Chancellor informed that the University was following at various levels the innovative approaches into the curriculum of all courses and reviewed regularly. However, there were certain restrictions by few regulatory bodies such as National Medical Commission (NMC) to make changes in the curriculum. Curriculum innovations were fast under Engineering, Management & Technology courses. Pharmacy Council of India (PCI) was also bringing in lot of innovative programs. He informed that the University was quite open to bring in constructive & innovative changes.
- Hon'ble Chancellor enquired about how M.Sc. courses in Natural Science at our University was different from that of other Universities.
- Vice Chancellor informed that clear instructions were given to the members of Boards of Studies to refer to the curriculum from other universities and prepare new curriculum with more innovative topics. **Prof. K. Byrappa** informed that our M.Sc. courses have multi-disciplinary options and scope.
- **Dr. N S Rame Gowda** suggested that whenever a new course was being considered, 'demand' and 'placement opportunity' should be kept in mind. MoUs with potential centers to participate in curriculum making and placements to be explored. It will help to prepare for future graduates for industry needs. College-industry interaction should be explored before starting any new course.
- **Vice-Chancellor** informed that National / International Curricula were referred and Industrial requirements and Employability were kept in mind while designing and developing curricula for innovative new courses.
- He informed that University had already started such measures as one former

Manager of Canara Bank was invited for Curriculum design session of Board of Studies for Integrated Master's program of BBA+MBA.

- **Dr. C K Subbaraya** informed that M.Tech in Data Analytics started from this year and all 24 seats were filled up and an MoU was signed with Tech industry For Internship & placements of M.Tech students.
- **He** presented Covid-19 statistics to the BOG and informed that there were no Covid-19 cases since last two months at the Hospital.

- **Dr. C K Subbaraya, Registrar** briefed members the gist of the minutes of Sixth meeting of Board of Governors held on 28.12.2020.
- **Dr. N S Rame Gowda** informed that with respect to the recordings in the minutes of last meeting, he never mentioned UGC had control on fixing the Tuition Fees to the courses but to follow procedures as prescribed under section 3.9 of UGC Act.
- Further, with respect to the comments mentioned under Agenda No. BOG/06.11 of Minutes of 6<sup>th</sup> meeting, he stressed that UGC Regulations were mandatory for the Private Universities to seek permission for conducting the courses along with Regulatory body's approval.
- **Vice Chancellor** informed that UGC recognition/ permission was not necessary for conducting existing recognized courses but only for starting new courses not listed by the UGC.
- **Sri. D Devaraj** expressed his opinion that too much time was spent on this subject of contention. **Hon'ble Chancellor** informed that he would seek a third party opinion on whether UGC approval/ permission is essential for conducting existing courses at Private University.

22. Informed the expected Income and Expenditure breakup for the next Financial Year as below;

- Hon'ble Chancellor enquired about the status of Hospital revenue.
- Sri. D Devaraj informed Hon'ble Chancellor that Hospital revenue was on the negative side and University need to prepare department-wise/Unit-wise expenditure/ revenue projections to analyse the revenues in general.

- Vice Chancellor informed that the Hospital Bed occupancy at present was only 50%. To improve the revenue of the Hospital, we should adopt an appropriate business model wherein a three-tier system could be followed. For top Category (25-30% of patients) Corporate Fees might be charged, for Subsidized Category (25-30% of patients) 25% less Fees to be charged and for the Poor Category 40% less Fees to be charged. He also informed that the Hospital should continue with Government Schemes and strike a balance for achieving reasonable reduction in deficit.
- Hon'ble Chancellor opined that he would be happy if the poor people of the region were being served well in spite of Hospital running into negative balance.
- Sri. D. Devaraj enquired about the running cost for Dialysis Unit per session. He also informed to find ways to reduce the running cost for Dialysis treatments as was being followed by Marwadi Association in Bangalore who were running Free Dialysis Treatments at a cost of Rs. 800/ cycle/ treatment.
- Vice Chancellor informed that the Budget per session cost of Dialysis would be Rs. 800- 1000 according to Dr. H S Ballal, Nephrologist & Vice-President, Manipal Hospital, Bangalore.
- In October University might get a clear picture of actual income and expenditure after completion of the AIMS expansion project. However, the Budgetary expenses would be reviewed on a monthly basis and 3 months' statements will be recorded.
- Hon'ble Chancellor suggested to procure only the Equipment required as per NMC Inspection and rest all items to be procured at a later stage.

Assignments

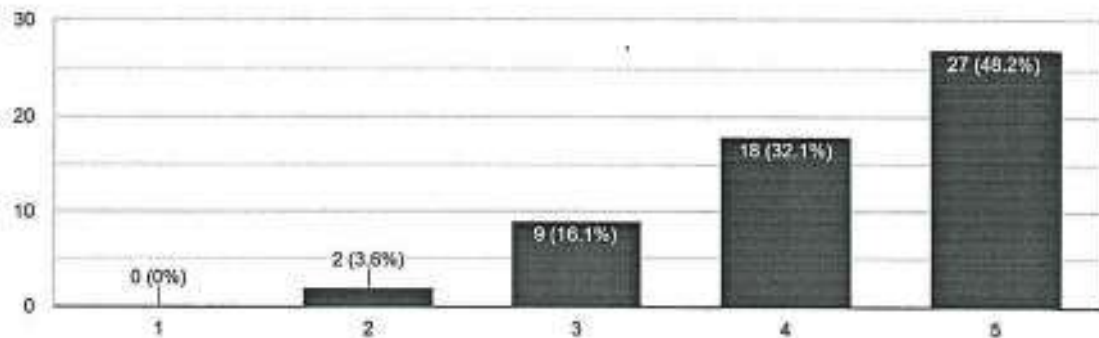

The live classes, the content in the presentations, the explanations and assignments  
Every thing  
Concise Explanation of the the topic was good and helped me learn concepts better  
The explanation provided by the teachers  
ppt  
Teaching  
The aspect of narration in the ppt was very helpful. The assignment was very helpful in  
analysing how much we know the topic and further improve our learning.

9. Share your experiences of the webinar

It was good

It was very helpful in realizing the importance of quick decision making and working in lab

Good knowledge gained from this webinar, helpful and inspired to become a laboratory practitioner

Good presentation

It was very explanative and informative session, knowledge of speaker was excellent

Yaa its nice

The webinar has inspired students to become clinical biochemists in the future.

The speaker was very knowledgeable.

It was good but we're facing some network problem

It was good. The only problem was internet connectivity from my side. So most of the things was not heard properly.

Good

The Webinar was definitely very useful and it is necessary to know and understand the importance of critical laboratory alerts coz any mistake here can cost a life.

Informative

It was good

Nice one though

I learnt a lot from that webinar on critical laboratory alert. It was very informative.

139 responses

All videos using pointers was good.

Proper explanation about the topic

The pointers in the diagrams with proper teaching.

The class in parts is very useful...as we can concentrate better

Share ppt with voice

Video was good but the presentation was not audible

Sharing Ppt in proper way and explaining our doubts regarding to the related topics

The way the information was condensed and adequate was really beneficial.

Explanations and the diagrams.

- **Dr. M. K. Surappa**, opined that a deficit of Rs. 40 Crores was too high to the extent of 25% of the total budget. He suggested to tap Government resources which provide huge grants for the healthcare facilities which could bring down the deficit and the burden.
- **Vice Chancellor** informed that this was one-time exception due to compulsion to complete the ongoing expansion project of AIMS by June-2021 to enable the University to apply with NMS, New Delhi for Increase Intake of MBBS seats.
- Vice Chancellor informed that these figures were projections based on 11 months' receipts and major receipts were expected in March and it might change the deficit a little bit. He also informed that the University was planning to review the Budget after September 2021 and revise the Budget.
- Members discussed the matter and approved the budget proposals presented and recommended to BOG for approval.

**Decision:** **The Board of Management resolved to recommend to Board of Governors for approval of the Budget proposals of Adichunchanagiri University for the Financial year 2021-22 of Rs. 191,54,12,345.00 as Total Receipts and Rs. 2,37,20,13,392.00 as Total Expenditure (Rs. 125,16,04,774.00 as Recurring Expenditure and Rs. 112,04,08,618.00) with a deficit of Rs. 45,66,01,047.00 to be met with seeking bank loan of Rs. 40 crores from Canara Bank resulting in net deficit of Rs. 5.66 crores.**

**BOM/10.07** Modification of pattern of Physiology Practical Examination for I MBBS 2018-19 (Repeaters) and 2019-20 (Regular) batches

- **Dr. C. K. Subbaraya** informed that the Board of Studies in Medical-Pre-Clinical subjects had submitted a proposal to the University for 'Modification of pattern of Physiology Practical Examination for I-MBBS 2018-19 (Repeaters) and 2019-20 (Regular) batches in view of Covid-19'.
- The BOS contended that in view of Covid-19 pandemic and risk involved in conducting certain experiments involving human volunteers especially in physiology subject, for the current academic batch of both 2018-19 (repeater) and 2019-20(regular) students. There was also other limitations such as non-availability/ non-preference of patients/ healthy volunteers for demonstration of certain human physiology exercises. Hence to minimize the risk of contamination (to both examiner and examinee) while performing certain skill, the BOS suggested few changes in practical training and examination pattern as annexed. The BOS had recommended 4 Practical Skill sets each carrying 20 marks each for a total of 80 Marks for 2019-20(regular batch) and 2018-19 (repeaters batch) as annexed below.
- The matter was recommended at 21<sup>st</sup> meeting of Committee of Academic Council held on 25/01/2021, 4<sup>th</sup> meeting of Joint Faculty held on 05/02/2021 and 6<sup>th</sup> meeting of Academic Council on 16/02/2021 as "recommended for Modification of pattern of Physiology Practical Examination for I MBBS 2018-19 (Repeaters) and 2019-20 (Regular) batches for this year examinations only in view of Covid-19 as given below".

**Decision:** Board of Management approved for “Modification of pattern of Physiology Practical Examination for I MBBS 2018-19 (Repeaters) and 2019-20 (Regular) batches for this year examinations only in view of Covid-19 as given below”.

**Adoption of Multiple Choice Questions (MCQs) in University Examinations for B. Pharm Semester courses**

- Board of Studies in Pharmacy had recommended for inclusion of 20 marks MCQs in the University theory examination papers. He briefed the pattern of Theory paper proposed by the BOS. As per the proposal, 20 marks would be earmarked for MCQs (20 questions carrying 1mark each) in each question paper of 100 marks. QP pattern would be Long answers (2 questions of 10 marks each) for 20 marks, Short Essays (7 questions of 5 marks each) for 35 marks and Multiple Choice Questions (20 questions of 1mark each).
- **Dr. B. Ramesh**, Dean, Health Sciences-Pharmacy informed that the intention of including the MCQs was to prepare students in pharmacy for the future competitive examinations. He also submitted that the Pharmacy Council of India (PCI) had recommended for inclusion of MCQs.
- The matter was discussed and recommended by the Committee of Academic Council meeting held on 25/01/2021, 4<sup>th</sup> meeting of Joint Faculty held on 05/02/2021 and 6<sup>th</sup> meeting of Academic Council held on 16/02/2021.
- **Dr. M. K. Surappa** suggested it was a good step and indeed a big challenge to introduce MCQs in an University examination.
- **Dr. S. Rangaswami** suggested to conduct an awareness program for the faculty on designing the question paper pattern based on MCQs.

**BOM/10.14** Revised Credit points & Internal Assessment Scheme for Allied Health Science courses at ACU

- Board of Studies in Allied Health Sciences submitted the proceedings of 2<sup>nd</sup> meeting of the BOS in Allied Health Sciences held on 03/02/2021 with a proposal for adoption of revised Session End Examination (SEE) and Continuous Internal Examination (CIE) pattern for the Allied Health Science Courses at ACU.
- Matter was approved at the 06<sup>th</sup> Meeting of the Academic Council held on 16-02-2021.
- BOS had recommended the marks distribution pattern as below;

First semester

RESOLUTION 2:

i) It was resolved that for SEE (University) theory will be conducted for 70 marks and practical for 40 marks.

ii) It was resolved that for CIE (Internal Assessment) Theory will be for conducted for 30 marks and practical will be conducted for 10 marks.

Total marks (SEE + CIE) for each core subject will be 150 marks.

ii) Credit points for theory will be 4 for each core subject

Credit points for practical will be 2 for each core subject

One credit point is equal to 15 hours of teaching

- Members of the opinion to award equal number of hours for each credit for different courses under ACU. Hence suggested to have 16 hours instead of 15 hours for one credit.

| <b>BOM/10.15</b> | <b>Proposal for establishing Infrastructure, Learning &amp; Human resources for starting Bachelor course in Naturopathy &amp; Yogic Sciences (BNYS) at ACU</b> |
|------------------|--|

- Vice Chancellor informed that as per Section 7i(b) of ACU Act, 2012

University was intending to establish a 'Adichunchanagiri School of Naturopathy & Yogic Sciences' and 5 & ½ years (4 & ½ years plus 1 year Internship) Bachelor Degree course in Naturopathy & Yogic Sciences (B.N.Y.S) with an intake of 50 per year.

- Government of Karnataka in its notification (22<sup>nd</sup> January, 2018) for establishment of the University had permitted to start Bachelor course in Naturopathy & Yogic Sciences (BNYS) with an intake of 50 per year from the Academic Year 2020-21 onwards.
- The Minimum requirement of Infrastructure, Learning and human resources was presented to the members. Matter was recommended at the 06<sup>th</sup> Meeting of the Academic Council held on 16-02-2021.
- Vice Chancellor informed that the University had identified a tentative land area with infrastructure for the proposed Adichunchanagiri School of Naturopathy & Yogic Sciences.
- **Vice Chancellor** informed that the University will constitute a committee to study the feasibility of starting School of Naturopathy & Yogic Sciences at ACU. **Dr. Prashanth Shetty**, Principal & CMO, SDM College of Naturopathy & Yogic Sciences & Hospital, Ujire and **Dr. Manjunath N K Sharma**, Pro-Chancellor, S-Vyasa a Deemed to be university, Jigani, Anekal, Bangalore were to be the members of the Committee.
- As per the standards University need to establish a 100 bed hospital. Informed that the Government of Karnataka was also planning the establish a Naturopathic & Yogic hospital at Nagamangala. Hence University was exploring the possibility of having an MoU with Government of Karnataka on running the hospital on Public Private Partnership (PPP) model. He sought the approval of Board of Management to authorize to take suitable decision.

**BOM/10.17 Proposal for starting fresh course in Physical Medicine, Rehabilitation (PM&R) & Occupation Therapy (OT) at ACU**

- Vice Chancellor briefed the members of the proposal of the University for starting a Physiotherapy college and course in the name of Physical Medicine, Rehabilitation & Occupation Therapy.
- Informed that the University wanted to include Occupational Therapy to cover broad spectrum of specialities under one course and hence included along with Physical Medicine & Rehabilitation.
- Dr. S. Rangaswami suggested that 'Physiatry (Physical Medicine & Rehabilitation)' itself is post-graduate specialisation for Medical professionals. Many institutes were already conducting these courses but with less job opportunities.
- He felt it was worth exploring the possibility with Rehabilitation Council of India (RCI) for starting such a course where Occupational Therapy is also included as he felt RCI might have some reservations in permitting for such combinations.
- He felt many institutes were conducting bachelors' and Masters courses in Occupational Therapy, BOT (Bachelor of Occupational Therapy) and MOT (Masters in Occupational Therapy). Both have good job opportunities in India and abroad.
- Vice-chancellor accepted the suggestion for taking guidance from the regulatory body, Rehabilitation Council of India (RCI) for starting this course.

**Decision:** Board of Management approved in principle for starting a Physiotherapy college and course along with Occupational Therapy subject to clarification from the regulatory body Rehabilitation Council of India (RCI).

### Opening Remarks by the Chairperson

- **Vice-Chancellor** once again welcomed the members present in person especially external members Dr. M. K. Surappa and Dr. S. Rangaswami along with all the Principals of Constituent Colleges who were invited to attend through online.
- On request from Prof. S. Rangaswami, Vice-Chancellor offered condolences on sudden demise of Dr. N. V. Muninaryanappa, Dean, Faculty of Nursing & Allied Health Sciences, ACU. He requested members of Board of Management to observe 2mins silence in standing as mark of respect.
- He briefed important activities undertaken by the University since last meeting of the Board of Management held on 15/03/2021.
- He complimented Dr. M.K. Surappa on successfully completing the duties as

Vice-Chancellor of Anna University and requested him to speak few words on his experiences at Anna University as Vice-Chancellor.

- Dr. M.K. Surappa, thanked Vice-Chancellor and spoke about his experiences as Vice-Chancellor at Anna University, Chennai.
- Informed that the whole gamut of education was changing and every University should adopt new technologies to make an impact in the general scenario. Pool of talent available all around us and bringing talents together is very important. Different faculties should work together to achieve common goal the Universities set forth. Suggested that bridging gap among the faculties was also important and everybody should work-together and live-together and find solutions to all the problems the world was facing.
- He spoke how technology had improved the quality of living and people were getting good nutritious and balanced diet. Healthcare had made tremendous progress and the longevity had increased and all this was happening because of advanced knowledge in all spheres of life.
- He informed that the average salaries had increased over the period in the Universities along with better facilities. The faculty should ensure better knowledge and skills were taught to the students. Different people from different faculties should come together and focus on common areas of research. Working together for a common cause, leveraging the talents of students and the faculty should be the mantra for the Universities.
- He was also of the opinion that the government should change its policies of funding only Government Universities as of now private universities were producing more research oriented students and more research was going on in private Universities. He felt different forums should press for change in such policies of the Government.
- He informed that at Anna University he had to struggle for his rights but had the support of majority of the faculty and he stood for what was right for the University and students.

- With respect to item in serial number 1, Dr. M.K. Surappa suggested the University to attain self-sustainability and not to depend on external loans. He was referring to the term loan of Rs.40 Crores taken by the University. He also suggested to have a repayment plan.

- Vice Chancellor informed that as a transitory measure ACU received Rs. 15 Crores loan from the Canara Bank against fixed deposits and it would be repaid as soon as tuition fee dues were collected from the students. Informed that the University had saved nearly Rs. 15 crores from curtailing revenue expenditures in the last financial year as all colleges were for the most part closed and almost no student activities.
- He informed that however, it was in addition to the term loan of Rs. 40 crores. University had made plans for the repayment of term loan.
- With respect to the item in serial number 13, informed that University had constituted one committee under the Chairmanship of Dr. N.K. Sharma, Pro-Chancellor, S-Vyasa A Deemed to be University, Jigani, Bangalore to submit a feasibility plan of starting a Naturopathic College at ACU. Also there was an obligation from the Government Notification for starting a college outside the campus only after five years, hence it was kept pending.
- With respect to item on starting School of Agricultural Sciences, he informed that it was decided in the Board of Governors meeting (on 19/03/2021) to defer the matter until obtaining a detailed feasibility report.
- On starting a School of Physiotherapy & Occupational Therapy, Vice Chancellor informed that considering the difficulties in obtaining permission from Rehabilitation Council of India (RCI), it was decided to seek permission from the academic year 2022-23.
- Prof. S. Rangaswami, informed that if University wanted to start Physiotherapy School then permission from RCI was not required. But if its mixed up with Occupational Therapy then University might need permission for the RCI as the combination of course contents could be quite complex.
- Vice Chancellor suggested that University would try to obtain permission for the Physiotherapy & Occupational Therapy and if permission was not given then it would go with starting only Physiotherapy School.

**Dr. C.K.Subbaraya** informed members that the University wanted to start new courses on the lines of National Education Policy-2020 and suggested the

faculties to develop curriculum and syllabus for starting new integrated, multi-disciplinary courses.

- Hence, it was decided to start **Seven** fresh courses in the following faculties :

**Faculty of Engineering, Technology & Management:**

1. Integrated Masters in BE + MBA -60 Seats
2. Integrated Masters in B.E + M.Tech - 60 Seats
3. Integrated Ph.D. (M.Tech + Ph.D.) - 16 Seats

**Faculty of Humanities & Social Sciences:**

5. Integrated Masters in Management (BBA+MBA) - 60 Seats

**Faculty of Natural Sciences:**

6. B.Sc. with Embedded Internship - 60 Seats
7. Integrated Ph.D. -05 Seats

**Vice Chancellor** informed members that ACU conducted LAC visitation for verifying the availability of Infrastructure, Human resources and Teaching, Learning facilities at all constituent colleges for the Fresh courses with the intake mentioned against each course.

- He informed that Integrated courses would have a duration of 5 ½ years wherein, the last *six months* would be entirely for Internship at an identified relevant industry with a provision for stipend to the students.
- Dr. M.K. Surappa opined that since M.Tech is entirely a definite duration program and Ph.D. with an open duration program, the integration would be difficult and hence suggested to look into such programs started elsewhere before starting at ACU.
- Prof. S. Rangaswami informed that in Medicine, there were few integrated programs such as MD/MS +M.Ch or MD+ Ph.D being conducted to encourage research orientation in medicine students.
- Vice Chancellor accepted the suggestion of Dr. M.K. Surappa and informed that this program (M.Tech +Ph.D.) would be started only after obtaining clear directions from other sources.
- Dr. M.K. Surappa wanted to know if any MOU was signed for conducting such programs as it would involve financial commitments and six months internship at industries with stipend.
- Vice Chancellor informed that University had identified few industries

through Life Sciences Sector Skill Development Council (LSSSDC), GOI for an MOU for such programs and assured that these programs would be started only after entering MOUs with concerned industries.

- Prof. K. Byrappa, Pro VC and Dean, Research briefed members about the program Integrated Ph.D. in natural Sciences (M.Sc. + Ph.D). He also briefed the curriculum and plan for starting the programs.
- Dr. M. K. Surappa, after enquiring about the plan to provide Scholarship to students, opined that for the University it would be a burden to provide scholarships to all such students. Vice Chancellor informed that since the issue of providing Scholarships comes into picture only in the fifth semester, University would plan and decide considering the financial viability.

| <ul style="list-style-type: none"> <li>➤ Dr. B. Ramesh, Principal, SACCP requested for revision in Gracing pattern for Under-graduate courses in Pharmacy courses as practiced at other Universities such as RGUHS and JSS Academy of Higher Education.</li> </ul>  |   |

- He requested for allotment of 1% of total marks allotted for the exam as Grace marks subject to a maximum of 8 to 10 marks but not more than 5 marks to a single subject.
- He also requested for division of maximum allotted grace marks among all the failed subjects to enable students to clear the subjects / exam.
- Vice Chancellor cautioned that the University should not dilute the provision of Grace marks just to enable students to clear the subjects.
- Vice Chancellor suggested to compare the impact of the current Grace marks regulation of ACU in the first and second semester examinations with the suggested revision of grace marks. If the suggested regulation of grace marks were to be beneficial to the students without dilution of quality of education and evaluation the same could be adopted.
- The applicability of the revised regulation of grace marks to the students admitted for the academic year 2019-20 onwards or for remaining semester examinations of students admitted during the academic year 2018-19 also could be decided if there were no legal impediments.
- He informed that the Grace marks could only be awarded if the student passed the whole examination (and not just subjects) with the help of grace marks.

**Decision:** **It was resolved to recommend to the Board of Management for revision of the grace marks pattern for Pharmacy course as below:**  
*“1% of allotted maximum marks of the examination and not more than 10 marks and a maximum of 5 marks to a subject, subject to the condition that the student passed the whole examination (not just subjects) with the help of grace marks. The applicability of the revised regulation of grace marks to the students admitted for the academic year 2019-20 onwards or for remaining semester examinations of students admitted during the academic year 2018-19”.*

#### **Welcome by Registrar**

Registrar welcomed the Chairperson and other members of Academic Council (AC) for its Fifth Meeting.

Registrar then introduced new members inducted to the Academic Council of Adichunchanagiri University.

Newly inducted members gave brief introduction of themselves.

### Opening Remarks by the Chairperson

- The Vice Chancellor once again welcomed all the members, especially, the newly inducted external Members of the Academic Council.
- Vice Chancellor presented a brief report on the academic activities of the University since fourth meeting of the Academic Council held on 28/02/2020 and gave an insight into the developmental activities undertaken by the University.
- He then requested Dr. M. G. Shivaramu, Principal, AIMS, to brief the Academic Council about the examinations & other activities at the college.
- Dr. M.G. Shivaramu informed that;
  - ACU Medical PG Diploma examinations and RGUHS Medical Degree examinations were conducted and RGUHS announced results on 14.08.2020 and ACU announced results on 28.07.2020. AIMS had secured 94% pass percentage in PG Medical Diploma examinations.
  - ACU was planning to conduct examinations for the final year students of MBBS as per the guidelines of UGC/GOK/Regulatory bodies.
  - PG Admission process should have been completed by 31.05.2020 but due to Covid-19 situation the last date was extended up to 31/08/2020 as per the directions of Supreme Court. Informed that college had made 68 admission to PG courses. Academic Calendar starts from 01.09.2020.
  - Adichunchanagiri Hospital & Research Center (AHRC) was accredited with Entry Level NABH Certification. He informed that in near future the Hospital would get full NABH Certification.
  - AIMS established Virology Lab at Microbiology Department for Covid-19 testing and the lab got NABL Accreditation. So far 16,000 RT PCR tests were conducted and was well appreciated by the Government agencies. He informed that Government Hospitals were forwarding the samples to our lab for rechecking or confirmations.
  - 35 research papers were published at national & international journals and at present 46 research works being carried out in various

- Vice-Chancellor informed members that the University had framed general regulations as per section 35 of ACU Act, 2012 for the matters related to admission of students, conduct of examinations apart from award of degree etc.
- Section 35 of ACU Act, 2012 deals as under;

**35. Regulations.-** Subject to the provisions of this Act, the regulations may provide for the following matters, namely:-

- (i) admission of students to the University and their enrolment and continuance as such;
  - (ii) the courses of study to be laid down for all degrees and other academic distinctions of the University;
  - (iii) the award of degrees and other academic distinctions;
  - (iv) the conditions of the award of fellowships, scholarships, studentships, medals and prizes;
  - (v) the conduct of examinations and the conditions and mode of appointment and duties of examining bodies, examiners, investigators, tabulators and moderators;
  - (vi) the fee to be charged for admission to the examinations, degrees and other academic distinctions of the University;
  - (vii) the conditions of residence of the students at the University or a Constituent College;
  - (viii) maintenance of discipline among the students of the University or a Constituent College;
  - (ix) all other matters as may be provided in the Statutes under the Act.
- He also informed that faculty specific regulations would be framed separately for each course as per the regulatory body's guidelines.
- The Regulations were recommended at the 14<sup>th</sup> meeting of CAC held on 12.06.2020 and approved by the Board of Management in its 8<sup>th</sup> meeting held on 25.06.2020 and notified on 04.08.2020.
- **Dr. S. T. Ramachandra** opined that since the Board of Management had already approved the regulations, the academic council could approve the same.

towards a multi-disciplinary education system and at ACU we were truly a multi-disciplinary university having courses in medical, engineering, pharmacy, nursing, commerce, humanities and natural sciences. This is the greatest opportunity for the Adichunchanagiri University and implementation of NEP-2020 would not be a difficult task.

- He briefed the Opportunities & Challenges from NEP-2020 for the ACU.
- The presentation was very much appreciated by the members.
- **Dr. S. Vasanth Shetty**, opined that it was heartening to know about the developments made at Adichunchanagiri University within short span.
- With regard to NEP-2020 he pointed out that there was no discrimination between State University, Private University or Deemed to be Universities.
- He opined that the Adichunchanagiri University had great opportunity as the main focus of this new Education policy had been Global Citizenship with Indian base.
- He also informed that Dr. S. Chandrashekar Shetty when he was the Vice-Chancellor of the Rajiv Gandhi University of Health Sciences had implemented social accountability programs which were being continued by RGHHS even today, which was given importance in the NEP-2020.
- He pointed out that the NEP-2020 had focused on developing Life-skills, Communication, cooperation, team work and leadership qualities among students and the gap between curricular & co-curricular activities was very less and it was welcome step to promote co-curricular activities in the colleges and ACU should utilize this opportunity.
- **Vice Chancellor** informed that ACU had also initiated and implemented Community Engagement Programs from the beginning in the nearby village Brahmadevarahalli for overall development. Rs.11 lakhs was spent until now for developmental activities in the village. ACU had adopted 10 schools in that village and had developed them with basic infrastructure. Further, ACU was planning to adopt our panchayat village, Javarannahalli and 6 schools in the village for developmental activities.
- **Regarding** Soft-skills, ACU had designed a common module by incorporating best practices from all faculties.

- **Dr. H. Paramesh**, congratulated the efforts being carried out by the University. He pointed out that the University should work towards preventive aspects of Health Sustainability by focusing on four areas, such as Energy & Air pollution, Water sustainability, Food & agriculture sustainability & Health related issues. He also mentioned that the Indian Institute of Science was planning to organize 'Future Earth Conclave-2022' at Bangalore.
- **Dr. M.A. Shekar** appreciated the presentation on NEP-2020 and pointed out that the Education System should be like a regular Pyramid, with base being the broad rules and regulations and the apex the colleges using the rules and regulations. But when it comes to implementation it should be an inverted pyramid with regulatory bodies having minimal role and colleges to implement the guidelines.
- **Dr. Y. S. Lakshmeesha**, appreciated the efforts being put by the Adichunchanagiri University and opined that many universities had shown excellence by supporting students in participating at the Olympics. Maintaining Physical, Mental & Social health of students is of paramount importance irrespective of courses they pursue. Nowadays people were suffering more from inactivity & lack of exercise. And it is essential for the University to start courses in Rehabilitative & Sports Medicine for which there was lack of experts in India. He urged Vice-Chancellor to start these courses at ACU and offered to help in framing the syllabus for these courses and any sort of help in this regard.
- More topics on Health, fitness & exercise physiology might be included in the syllabus in all courses. This will help to promote health of youth.
- Vice Chancellor informed that the University will start a certificate course in Sports Medicine and will consult Dr. Y.S. Lakshmeesha for the help.
- **Dr. Ramaraj Urs** appreciated the efforts put in by the University.
- **Dr. S. T. Ramachandra** informed that he was thrilled with efforts put in to fight Covid-19 pandemic by the Medical College & Hospital. He congratulated Dr. M.G. Shivaramu for regularly updating information through social media.

| <p><b>The minutes of the third Finance Committee meeting held on 05/03/2019 were approved.</b></p>   |   |
| <b>FC/<br/>04.02</b>   | <b>Action Taken Report on the decisions of the 3<sup>rd</sup> Meeting of the Finance Committee held on 05/03/2019</b> |
| <p>➤ <b>The Vice Chancellor</b> read out action taken with respect to some of the important decisions taken at the previous finance committee meeting held on 05/03/2019</p> <p>➤ <b>Sri. D. Devaraj</b>, wanted to know the steps taken to fill up PG-Medical seats in Pre and Para clinical subjects which are vacant for two years. He also wanted to know the measures to improve admissions to these courses.</p> <p>➤ <b>Hon'ble Chancellor</b> also wanted to know whether this trend was only at our college or across India.</p> <p>➤ <b>Dr. M.G. Shivaramu</b>, Member and Principal, AIMS informed that this trend was noticed across India and informed that it might change in future as similarly observed previously. He also informed that the college had upgraded these departments and hopeful of filling these seats in future</p> <p>➤ <b>Vice Chancellor</b> informed that this trend was due to the factor that these specialties, unlike Clinical subjects offer less job prospects except in the Medical education sector. Medical Council of India also reduced faculty requirements in these subjects.</p> <p>➤ He also informed that the idea for integration of these PG specialties with PhD would need permission from the Medical Council of India and University Grants Commission.</p> |   |

- To a query from Sri. D. Devaraj, Dr. M.G. Shivaramu informed that the college would establish a Forensic Research Lab and are in consultation with the Medical College in Cochin.
- Establishing Forensic Lab would serve dual purpose of starting Certificate Programs in PG Department and also for having In-house lab for testing the poisonous cases for better treatment. He informed that these programs would be started from next academic year.
- **Hon'ble Chancellor** wanted to know the status of the Energy Audit as instructed during the last meeting.
- **Sri. Umesh. B.K** informed that the quotations had been called for the audit and would be completed shortly.
- **Hon'ble Chancellor** directed to complete the audit at the earliest and also informed the Vice Chancellor to call for a meeting on **13<sup>th</sup> July 2019** to review this report along with the audit report of vehicles.
- **Sri. D. Devaraj** wanted to know the status of Indoor Stadium at the campus as was decided at the previous meeting.
- **Hon'ble Chancellor** informed that it's being planned and plans are to get 40-60 % matching grants from the Central Government as the State Government is not in the position to finance it.
- **Sri. D. Devaraj** welcomed the idea and suggested that atleast some work in this regard might be started while exploring for the grants.
- **Hon'ble Chancellor** directed to include this agenda for the meeting scheduled on 13/07/2019.

**The Action Taken Report was accepted. It was also decided to convene a meeting on 13/07/2019 to review the Energy audit and other matters.**

**FC/

- Further, it was suggested as below to improve the admissions;
- **Hon'ble Chancellor** suggested comparing the NEET Ranking with the marks secured by the candidates in the PU examinations (subjects of PCB) to know the quality of students we get.
  - **Hon'ble Chancellor** also suggested having the comparative Fee structure of other Universities before deciding the Tuition Fees for courses.
  - **Sri. D. Devaraj** instructed that from next year the issue of Tuition Fees should be discussed with the data of previous years and the Receipts & Payments Accounts for reference.
  - He informed to plan for Integrated Master Courses in Engineering courses like M.Tech +PhD for improving the admissions. Dr. B.K. Narendra to develop the curriculum for the same.
  - He also informed to plan for measures to improve the admissions in the Pharmacy post graduate courses.
  - He informed all the principals to keep aside an amount equal as mentioned below to be forwarded to the University Development Fund;
    1. Medical: Rs.1,00,000.00 per student
    2. Engineering: Rs. 10,000.00 per student
    3. Pharmacy: Rs. 5000.00 per student
  - This is in addition to 5% of deduction from the Tuition Fee as decided during 2<sup>nd</sup> Meeting of the Finance Committee.

**The Tuition Fees for all the courses were approved. It was also decided to follow the suggestions of the Hon'ble Chancellor and Sri. D. Devaraj.**

by cutting down on expenditures and unessential procurement at ACU and all constituent colleges. In view of financial burden 40% of salary of all employees were retained (except AIMS & AHRC where retention was 25%) for the months of April, May & June and 25% of salary was retained (except for AIMS & AHRC where it was 10%) for the months of July & August. This retention saved almost Rs.1 crore each month.

- Adichunchanagiri University tried to compare the Receipts & Payments Account for first 6 months (01.04.2020 to 30.09.2020) of FY 2020-21 with similar period of FY 2019-21:

| Sl | Item                             | FY 2019-20   | FY 2020-21   |

|    | Total Payments:                  | 40,26,48,557 | 30,93,28,766 |
| 3  | Capital Expenditure              | 12,99,21,995 | 30,15,75,717 |

- As Lock-down was enforced and subsequent suspension of classes and exams the tuition fee payments was delayed and the receipts was affected resulting in deficit of nearly Rs. 27.81 crores for the period 01.04.2020 to 31.08.2020 in comparison to similar period of financial year 2019-20.
- Further, by following austerity measures University was able to check financial burden and was able to save Rs.9.33 crores in payments during this period in comparison with similar period of FY 2019-20.
- However, despite the reduced receipts in terms of tuition fees, University ensured the timely progress of planned infrastructure projects and had spent Rs. 30.15 crores during this period on Capital expenditure when compared to Rs. 12.99 crores spent in 2019-20.

**The Finance Committee discussed and deliberated the 5 months Receipts & Payments Account for first five months period from 01.04.2020 to 31.08.2020 in comparison with similar period of FY 2019-20.**

discussed the observations of the Audit Report.

- Sri. D. Devaraj, stressed that the observations made in the Audit Report had to be taken very seriously and any lapses on the part of University in financial discipline needs to be addressed to avoid such observations in the next financial years.
- He informed that it was primary responsibility of Finance Officer and Internal Auditor to maintain the financial discipline at the University and Constituent Colleges.
- He informed that the University had appointed an Internal Auditor and it was necessary to take measures to avoid all such minor lapses from the University and Constituent Colleges to maintain financial discipline. He stressed for Heads of Institutions for taking responsibility in maintaining financial discipline and avoid such lapses.
- Hon'ble Chancellor directed to send circular to all Heads of Institutions for mandatorily to follow statutory regulations and maintain financial discipline.
- Vice Chancellor opined that it would be ideal if Auditors' spend time with the Heads of Institutions and the Management of University and clarify the observations found during the audit of accounts.
- Hon'ble Chancellor informed that before placing this matter for discussion and approval at the Finance Committee it should be discussed with the Heads of Institutions and the Management of the University and only then it should be placed before the Finance Committee along with explanations/clarifications from the concerned departments/ colleges.
- Hon'ble Chancellor wanted to know why Quarterly Internal Auditing was not done so far in spite of appointing an Internal Auditor at the university.
- Sri. D. Devaraj informed that the Auditing work should be completed before September 30, so that sufficient time is given with Heads of Institutions and the University Management for getting clarifications or explanations for the observations. It also helps the University in getting the audited balance sheet and statement of accounts approved by the Board of Governors' on or before November 30 of each year.
- The Finance Committee discussed the Balance Sheet and Statements of

- Sri. D. Devaraj, informed all Principals to follow all Statutory obligations especially, TDS, EPF and GST as they were mandatory and invite penal action in case of default. Informed that some colleges have not cleared TDS payment which was due from many years. Informed that the University had received an Income Tax Notice for irregularities in the payment of TDS. He informed to rectify the same at the earliest.
- He informed that henceforth, all Principals to submit a report of Statutory Payments for review at the Finance Committee meetings. Principals will be held responsible in case of default on any of the statutory payments/ Financial / Non-financial obligations.
- Sri. D. Devaraj suggested the Hon'ble Chancellor to appoint a qualified person as Finance Officer at ACU to manage finances of the University and Constituent Colleges credibly so as to avoid overload/ dual work of Sri. B. K. Umesh.
- He suggested all Principals to interact with Auditors to rectify the deficiencies related to financial auditing.
- Vice Chancellor suggested that while appointing Statutory Auditors it was necessary to inform them to provide sufficient time for interaction with all the Principals to answer to the queries and observations raised by the Auditors.
- Sri. D. Devaraj suggested to the Principals should be ready with the records of accounts by the end of April each year so that the Auditing could be started by May/June and submit the Audit reports by the end of September.
- Sri. B. K. Umesh requested for getting Quarterly Audit done by the Statutory Auditors.
- Sr. D. Devaraj informed that Internal Audit could be undertaken by any third agency but not from Statutory Auditors.

for Service Delivery. Return on investments from service delivery equipment is very limited. However, there was reasonable income from equipment purchased for super speciality department.

- Dr. M. G. Shivaramu also agreed that the Equipment bought for the Super-specialty departments were getting good returns.
- Hon'ble Chancellor enquired as to why so many cases were being referred outside especially from Neuro-surgery in spite of so much sophisticate equipment being purchased for the Super-specialty departments.
- Sr. D. Devaraj, also informed he was informed of many cases being referred outside from our hospital.
- Dr. M. G. Shivaramu, informed that the number of cases being referred outside were very few compared to previous years and only genuine cases were referred to higher centres of specialty. And in some cases referrals were purely on patients' or attendant's insistence.
- Vice Chancellor informed that the University had conducted a meeting of Super-specialists on 23/02/2021 to discuss various matters related to Super-specialty services at the Hospital. It was very clearly informed all specialists that no residents (Junior/ Senior) should refer a case outside without the consent of the Unit-Chief / Specialists.
- **Hon'ble Chancellor** informed that the problem with referring was not only financial but about the credibility of the hospital and commitment & service to the rural population. Our hospital should serve the rural population of in and around villages, towns and districts.
- **Informed to form a separate cell for monitoring all referrals from the hospital to outside.**
- **Hon'ble Chancellor** enquired about the procedure for procurement of Consumables for various departments.
- **Vice-Chancellor** briefed the procedure of fixing Rate-contract for Hospital Consumables and also for all other consumables at various other departments. Sometimes the same rate of contract were extended to avoid escalation in rates if retendered.

7. Dr Tejaswi H L, Member, Pre-Clinical BOS
8. Dr N Asharani, Member, Pre-Clinical BOS
9. Dr Vasantha Kumar K.R, Professor of Anaesthesia, Invited subject expert

**Resolutions:** The following resolutions were made,

1. Proposed certificate courses in the Department of Physiology
  - i. Certificate course in Yoga for wellness
  - ii. Certificate course in Autonomic function testing
  - iii. Certificate course in Anthropometry-measurements and its relevance
2. Proposed certificate courses in the Department of Biochemistry
  - i. Certificate course in Nutrition in Biochemistry
  - ii. Certificate course in Biomedical waste management (in association with department of Pathology, Microbiology and Community Medicine)
  - iii. Certificate course in Preanalytical variables-sample collection, storage and transport
3. Proposed certificate courses in the Department of Anatomy
  - i. Certificate course in Embalming
  - ii. Certificate course in Anatomical plastination
4. The external BOS members suggested to have a common pattern of assessment for certificate courses
5. Nutrition in diabetes mellitus course,  
 Dr Ashakiran S, suggested few changes into the curriculum proposed by the Department of Biochemistry as follows,
  - i. Change in assessment
    - a. End of course assessment should have 25% of average of best 6 assignments out of the total 8 assignments given in the course.

Handwritten initials/signature in the bottom left corner.

- b. Exams score-75% of the final marks should be contributed from end of the course assessment
- c. Final score-average assignment score (25%)+exam score (75%)
- d. Student will be eligible for a certificate only if average assignment score is not less than 50% and exam score is not less than 50% and average score is not less than 50%
- ii. Eligibility criteria
  - a. For health care professional: after 10+2
- iii. Student intake
  - a. Maximum 20 students per batch
- iv. Remove the number of attempts
- 6. Certificate course in yoga and meditation
  - i. Regarding proposed title-suggested to change into certificate course in yoga for wellness
  - ii. To include information on basic wellness principles in introduction and syllabus
  - iii. Dr Vinutha Shankar suggested to send a copy of the module to Department of Integrated medicine at SDUMC, Kolar [email id: [integrativemedicine@sduac.in](mailto:integrativemedicine@sduac.in), Nitin Patil ([ayushnithin@gmail.com](mailto:ayushnithin@gmail.com))]
  - iv. Can be used as an elective course from the Department for MBBS and other allied courses.
  - v. To reconsider on the target population as health professionals and others who get benefit from the course.
  - vi. To add assessment at the end of the course and also internal assessment Final score-average assignment score (25%) + exam score (75%)

8. Dr Tejaswi H L, Internal member, BOS, Medical, Pre-clinical(UG)
9. Dr N Asha Rani, Internal member, BOS, Medical, Pre-clinical(UG)

Minutes of the meeting

1. The meeting started with welcoming of the members by Dr K N Narasimhaswamy, Chairman.
2. Dr Nachiket Shankar presented the draft curriculum and following recommendations were made,
  - a. Teaching hours: it was recommended to have 50% of the total time teaching time dedicated to anatomy and the rest 50% to be shared by the departments of Physiology and Biochemistry in the ratio of 2/3<sup>rd</sup> and 1/3<sup>rd</sup>.
  - b. Attendance: it was recommended to make 75% attendance in theory and practical separately mandatory for being eligible to take up university examination
  - c. Assessment:

i. Internal assessment : following recommendations were made

TABLE SHOWING SCHEME FOR CALCULATION OF INTERNAL EXAMINATION MARKS

| Theory (maximum marks) |                 | Practical (maximum marks)                         |                 |
|------------------------|-----------------|---|-----------------|
| Theory papers          | 30 marks*       | Practical exam and viva voce record               | 30 marks**      |
| Professionalism        | 5 marks         | Level of participation in early clinical exposure | 5 marks         |
| Part completion tests  | 5 marks         |   |                 |
| <b>TOTAL</b>           | <b>40 marks</b> | <b>TOTAL</b>                                      | <b>40 marks</b> |

Please note:

- \*Prior to submission to the University, the marks for each of the three internal examination theory assessments must be calculated out of 30 marks, regardless of the maximum marks.
- \*\*Prior to submission to the University, the marks for each of the three internal examination practical assessments must be calculated out of 30 marks, regardless of the maximum marks.
- Only the final marks out of 40 needs to be submitted to the University, separately for theory and practical for each internal assessment.

- Internal assessment should be based on competencies and skills.
- Regular periodic examinations shall be conducted throughout the course. There shall be three internal assessment examinations in each preclinical subject.
- An average of the marks scored in the three internal assessment examinations will be considered as the final internal assessment marks.
- Learners must secure at least minimum of 35% marks in theory and practical separately and 50% marks of the total marks (combined in theory and practical) assigned for internal assessment to be declared successful at the final university examination of that subject.
- All internal assessment will be conducted in lines of university examination (except for having 2 theory papers)
- There will be a preliminary examination to be conducted before the university examination.
- The learner should be made aware of the results of internal assessment.
- Internal assessment marks will reflect as a separate head of passing at the university examination.
- The internal examination marks for the 1st, 2nd and 3rd internal examinations shall be submitted to the University on or before 15th December, 15th March and 15th July respectively.
- Professionalism (punctuality, respect for teachers and the cadaver, communication with peers, timely completion and submission of record books and level of preparedness for classes) must be assessed and form a component of the marks given for internal assessment as shown in the table above.
- A proportion of marks from part completion tests must be added to the internal assessment marks as shown in the table above.

- Records must be assessed and contribute to the internal assessment marks as shown in the table above.
- Level of participation in early clinical exposure must be assessed and contribute to the practical component as shown in the table above.
- A clear record of all components that add to the internal assessment marks needs to be maintained by the institution and retained by them for at least 5 years after completion of the examination. Institutions may be asked to provide these details by the University as and when required.
- The internal and formative assessments provide ideal opportunities for students and teachers to identify learning gaps. Teachers should provide high quality feedback to each student to enable them to bridge these learning gaps.
- Both the following criteria to be met by the students to be eligible for the university exams:
  - a. Minimum of 35% marks to be obtained separately in theory and practicals to appear for University exam (average of 3 internal assessments theory and practicals separately)
  - b. At least 50% marks of the total marks combined in theory and practicals/clinical assigned for internal assessment is to be obtained in a particular subject. A candidate who has not secured requisite aggregate in the internal assessment may be permitted to appear for another internal examination as a remedial measure. If he/she successfully completes the remediation measures prescribed by the Institution / University as the case may be then only he/she is eligible to appear for University Examination.

**Agenda 1: Modification of pattern of Physiology Practical Examination for 1<sup>st</sup> M.B.B.S 2018-19 (Repeaters) and 2019-20 (Regular) batches students.**

- The BOS chairperson gave the opening marks emphasizing on the need for the modification of the syllabus and examination pattern in view of the COVID 19 pandemic due to the risk involved in conducting certain experiments involving human volunteers especially in physiology subject, for the current academic batch of both 2018-19 (repeater) and 2019-20 (regular) students .
- The external BOS members, Dr Veena Umesh, Dr. Yogitha Ravindranath and Dr. Hamsaveena Murthy provided inputs regarding the changes incorporated in the curriculum in their respective colleges
- Dr. Sudhir G K, Professor and Head, Dept. of Physiology and Internal BOS Member further emphasized on the risk involved in conducting few experiments due to the prevailing COVID-19 pandemic and the logistical limitations created thereby in the form of non-availability / non-preference of patients / healthy volunteers for demonstration of certain human physiology and all the clinical physiology exercises.
- Hence as a precautionary measure to minimize the risk of contamination (to both examiner and examinee) while performing certain skills, the department curriculum committee suggests few changes in practical training and further examination pattern
- He presented the proposed changes

Dr. Aliya Nusrath, Professor & Head, Department of Biochemistry and BOS Chairperson for Preclinical subjects (Medical) welcomed the members and briefed the agenda of the meeting

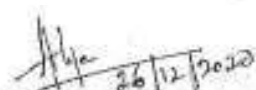

**Agenda 1: Modification of pattern of Physiology Practical Examination for 1<sup>st</sup> M.B.B.S 2018-19 (Repeaters) and 2019-20 (Regular) batches students.**

- The BOS chairperson gave the opening marks emphasizing on the need for the modification of the syllabus and examination pattern in view of the COVID 19 pandemic due to the risk involved in conducting certain experiments involving human volunteers especially in physiology subject, for the current academic batch of both 2018-19 (repeater) and 2019-20 (regular) students .
- The external BOS members, Dr Veena Umesh, Dr. Yogitha Ravindranath and Dr. Hamsaveena Murthy provided inputs regarding the changes incorporated in the curriculum in their respective colleges
- Dr. Sudhir G K, Professor and Head, Dept. of Physiology and Internal BOS Member further emphasized on the risk involved in conducting few experiments due to the prevailing COVID-19 pandemic and the logistical limitations created thereby in the form of non-availability / non-preference of patients / healthy volunteers for demonstration of certain human physiology and all the clinical physiology exercises.
- Hence as a precautionary measure to minimize the risk of contamination (to both examiner and examinee) while performing certain skills, the department curriculum committee suggests few changes in practical training and further examination pattern
- He presented the proposed changes

- There was deliberations on the proposed changes by BOS members and after few modifications, the proposed changes in practical examination pattern were accepted and recommended to be incorporated in the syllabus as given in Annexure in practical examination pattern 1
- Additionally Dr. Sharada Menasinakal, Professor and Head, Dept. of Anatomy & Internal BOS Member informed that charts will be used as spotters instead of microscopes to avoid risk in Anatomy subject which was supported by Dr. Yogitha Ravindranath, external BOS member who further suggested scanned images of histology slides can also be used.

**Agenda 2: Increase of Internal Assessment Marks for CBME Batch students from 40 to 100 for Theory and Practical separately as per MCI 2020 regulations.**

- BOS chairperson briefed on the existing internal assessment marks in the ACU curriculum as maximum 40 marks each for theory and practicals and the need to upgrade it as per the recent guidelines of Curriculum Based Assessment (CBA) published by Medical Council of India in 2020, which specify that Internal Assessment should be conducted for 100 marks in Theory and Practical.
- After discussion the committee, recommended to increase the Internal Assessments marks as per the directions of MCI - CBA guidelines
- Further the breakage of marks needs to be maintained as before
- The proposed changes in Internal Assessments marks for the CBME batch for MBBS Phase-I students is given in Annexure 2
- The number & pattern of internal assessments (IA), scheme of calculations of average IA marks and eligibility criteria for university examination based in IA, remains the same.
- There were also suggestions by external members to have one mock examination as per the lines of university examination which will not only help the students but also faculty to identify the lacunae & logistics required for conduction of final examination in view of the new CBME curriculum.
- The meeting ended with vote of thanks by Dr Sudhir GK

## Annexure I

Recommendations for Amendment of the Physiology examination curriculum for M.B.B.S Phase -I, 2019-20 (Regular) batch students.

| Practical No | Maximum marks | Existing curriculum   | Proposals & Recommendations  |
|--------------|---------------|---|--|
| I            | 20 marks      | i. Clinical examination – I (CNS – sensory / motor / reflexes / cranial nerve examination part I – specific nerves): 15 marks   | a. Students shall be allowed to demonstrate these skills on each other such that at no point of time a particular student will act as healthy volunteer for not more than one examinee. – 15 marks<br>b. Clinical examination of 1 <sup>st</sup> cranial nerve (olfactory) and taste sensation as part of 7 <sup>th</sup> (facial), 9 <sup>th</sup> (glossopharyngeal) & 10 <sup>th</sup> (gag reflex), cranial nerves to be avoided as it may add to the risk of contamination. |

 in meeting with honorable Chancellor, ACU

Dr. Aliya Nusrath, Professor & Head, Department of Biochemistry and BOS Chairperson for Preclinical subjects (Medical) welcomed the members and briefed the agenda of the meeting. She presented the Action taken report of previous meeting held on 23<sup>rd</sup> December 2020

| Agenda  | Action Taken Report   |
|---|---|
| Agenda 1: Modification of pattern of Physiology Practical Examination for 1 <sup>st</sup> M.B.B.S 2018-19 (Repeaters) and 2019-20 (Regular) batches students. | The BOS recommendations for the proposed changes and the same was put forward to CAC and further academic council where it was accepted. The proposed changes were implemented during the ACU practical examination held in Feb -March 2021.                |
| Agenda 2: Increase of Internal Assessment Marks for CBME Batch students from 40 to 100 for Theory and Practical separately as per MCI 2020 regulations        | The BOS recommendations for the revised Internal Assessments marks from 40 to 100 for the CBME batch for MBBS Phase-I students was put forward to CAC and further academic council where it was accepted. The same has been implemented in the examination. |

**Agenda 1:** To discuss and finalize the Eligibility criteria for supplementary university exams  
**After discussion and debate, the following recommendations are given:**

**Eligibility criteria for supplementary university examination:**

- The students who are eligible and/or appeared for the final university examination and have not cleared the examination shall be eligible.
- Those students who were not eligible to appear for the final university examination due to shortage of attendance in either theory or practical or both, shall be allowed to appear for supplementary exams, provided they make up the shortage of attendance by attending the remedial classes conducted before the supplementary exams & secure the minimum required attendance i.e., 75% in theory & 80% in practicals (Cumulative attendance of complete academic year & remedial class).
- Those students who were not eligible to appear for the final university examination for not securing the requisite internal assessment (IA) marks can be given improvement internal assessment before the supplementary examination and if the student meets the eligibility criteria with respect to IA (50% combined in theory and practical and not less than 40% in theory and practical separately) shall be allowed to appear for the supplementary examination.
  - Further the final Internal assessment marks in theory shall consider only the marks secured in the improvement theory internal assessment conducted for the supplementary batch (not to consider the formative assessment & professionalism components).
  - Similarly, the final Internal assessment marks in practicals shall consider only the marks secured in the improvement practical internal assessment conducted for the supplementary batch (not to consider ECE & Practical record components).
- The improvement IA for students who were eligible for the final University exams is optional before appearing for supplementary examination. (It is at the discretion of the head of the institute/ head of the department).
- The final internal assessment marks (in both theory and practical) considered, shall be the best of either the previous IA marks\* or the improvement IA marks.

\*Average of three IA conducted during the regular academic year

**Agenda 2:** To discuss & modify Marks division for Continuous Internal Evaluation (Internal assessment) of CBME batch

**After discussion and debate, the following recommendations are given:**

| Components of Internal Assessment Existing  | BOS Recommendations -  |
|---|--|
| <b>1. Internal Assessment (Theory)</b><br><b>Max. Marks: 100</b><br>a. Theory Written paper – 75%<br>b. | <b>2. Internal assessment (Practical)</b><br><b>Max. Marks: 100</b><br>a. Practical exam and Viva- voce – 75%   | <ul style="list-style-type: none"> <li>• 70 marks from internal practical conducted</li> <li>• 15 marks from theory Viva-voce</li> <li>• 5 marks for practical record</li> </ul>   |

|   |  |
|---|--|
| b. Formative Assessment* – 25 %<br>[ *Record (12.5%) + Early clinical exposure (12.5%)] | * 5 marks for ECE<br>* 5 marks for logbook |
|---|--|

**Agenda 3:** To discuss and modify Haematology practical (Physiology subject) training and university practical examination pattern.

- As per the original method of training and assessment in the following hematology practicals (Estimation of RBC, Total leucocyte & Absolute eosinophil counts); involving the use of RBC & WBC pipettes, the students will have to share these pipettes for drawing blood from finger prick for its performance.
- However in the current Covid-19 pandemic situation, it is not appropriate to allow the pipette sharing as it may add to contamination risk.
- Though an interim decision was taken during the previous BoS meeting held in December 2020 to modify the method of assessment of these skills during the University exams such that the pipetting is avoided, it appears that there is uncertainty looming over the pandemic's end.
- Considering this situation and bring in a permanent solution for this problem, yet retaining the objectives of training & assessment, the following decisions & recommendation are given.

**BOS Recommendations --**

The conventional method of performing hematology practicals on RBC count, Total leucocyte count, Absolute eosinophil count and Hemoglobin estimation, which involves sharing pipettes to draw blood shall be modified as per the following

- Consider providing micropipettes to the students for the purpose of drawing blood and its dilution with the appropriate dilution fluids in place of conventional glass pipettes provided in the hemocytometer set
- OR
- Consider providing a sample of blood, appropriately diluted with the dilution fluid to the students.
- The diluted blood prepared by either of these methods shall be obtained by the students in a micro dropper to charge the Neubauer's chamber for the cell count.

### MINUTES OF THE MEETING

The 4<sup>th</sup> BOS meeting of Medical Pre- and Para-clinical subjects was held on online Google Meet platform on 11.08.2020, Tuesday between 2:30 and 4:00 PM.

The agenda of the meeting were as follows:

- The approval of MSc. Medical Microbiology and MSc. Medical Biochemistry course and curriculum
- Any other matter with the permission of the chair

Members present:

Dr. MG Shivaramu, Principal AIMS & Dean Health Sciences (Medical), ACU  
 Dr. Aliya Nusrath, BOS Chairperson for Preclinical subjects (Medical)  
 Dr. Ravishankar M, BOS Chairperson for Paraclinical subjects (Medical)

 Dr. Arun M, External BOS member

The meeting began with the welcome address by the Dr. Ravishankar M, Chairperson paraclinical subjects, at 2:30 PM. He welcomed the Dean & Principal of AIMS, Dr. MG Shivaramu, External and internal BOS members present in the meeting. The agenda of the meeting was mentioned.

The session was handed over to Dr. Aliya Nusrath, Professor & Head, Department of Biochemistry for the presentation on MSc. Biochemistry course and curriculum. She made an elaborative and

detailed presentation about all the aspects pertaining to the course which included general considerations, goals & objectives, components, duration of the course, course contents in each year, method of training, attendance, eligibility, assessment, pass criteria, declaration of results carry over system, etc.

She also presented the preclinical subject curriculum for first year which will be common for all the Medical M.Sc. in medical sciences programmes followed by a detailed presentation of final year curriculum.

The following points were raised during the discussion

- Duration of M.Sc. course; Most of the members opined on 3 years duration, but if the undergraduate degree of the students is from Medical Sciences, the duration can be reduced to 2 years with waiving of first year
- To specify on 80% attendance in each subject as eligibility criteria for university
- To add blue print of assessment in Physiology
- To add model question paper
- Relook in duration of lab postings in Biochemistry
- Can consider the first 3 months of second year as sensitization of dissertation.

This was followed by M.Sc. Microbiology course & curriculum presentation by Dr. Vijaya S, Associate Professor, Department of Microbiology. She also gave a detailed and comprehensive presentation about the above said course.

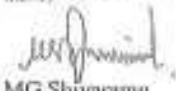

The points raised by the members were clarified and curriculum presented were accepted by all members.

Dr. M G Shivaramu thanked everyone present at the meeting for their active involvement.

The meeting was concluded by rendering of 'Vote of thanks' by Dr. Tejaswi H L, Associate Professor, Department of Anatomy.

MINUTES OF THE MEETING

BOARD OF STUDIES MEETING FOR POST GRADUATE CURRICULUM

The Board of studies for PG curriculum meeting was held on 15/06/18 at 10.00 am. The Principal of AIMS welcomed all the members of BOS of Para-clinical subjects. The members of the BOS met the Honorable Vice-Chancellor and informed about the Postgraduate courses in Para-clinical subjects and meeting for the planning and development of curriculum. All the external members of Para-clinical subjects attended the meeting. Honorable Vice Chancellor informed to prepare the curriculum with RGHUS and MCI as a base and emphasized to convert ordinary to extra-ordinary. He also informed to include the following value added programmes.

- a) Recent advances.
- b) Contemporary topics like personality development and personal skills.
- c) Environmental changes, global warming, waste management.
- d) He emphasized to include more hands-on training and to cut down didactic lectures and also to concentrate on self directed learning techniques.

The curriculum for the various subjects was discussed with the external members and finalized the same for the respective subjects. The Chairman of BOS for Para-clinical subjects thanked all the members.

**Board of Studies Meeting (Para-clinical)**

(Reference: ACU/AUTY/BoS-Med (Pre-Cl)/1851/2019-20) Date: 27.01.2020

**Minutes of the meeting:**

The Board of studies meeting for the following Agenda was held on 27/01/2020 at 10.30 am, at MEU hall, AIMS B.G.Nagara. The Principal of AIMS welcomed all the members of BOS.

**Agenda**

1. **Proposals for starting new Post-Graduate courses from the academic year 2021-22.**  
 Post graduate courses are already existing in all para-clinical subjects, hence there are no proposals for starting new post-graduate courses.
2. **Proposals for increase in intake for under-graduate and Post-graduate courses from the academic year 2021-22.**  
 As the existing seats in the Institution for the PG courses in paraclinical subjects are not getting filled up, there are no proposals for increase in intake of Post-Graduate courses in paraclinical subjects.
3. **Proposals for starting Diploma/ Certificate Courses from the academic year 2020-21.**  
 Certificate course on "Pharmaco-Vigilance" been proposed from Department of Pharmacology. Chairman of Para-clinical, suggested to discuss with Pharmacy College and to finalise the proposal by 5<sup>th</sup> of March 2020. This will be a Inter-disciplinary programme from Adichunchanagiri university.  
 External BOS member (Microbiology) suggested about starting Certificate course on Hospital Infection Control. Chairman of Para-clinical accepted the proposal and was resolved to take up the proposal after NABH accreditation of the Hospital.  
 Chairman also discussed with Pathology and Forensic Medicine members to discuss with internal curriculum committee members and plan for certificate course if feasible.
4. **Any other matter:**  
 All members discussed about preparation regarding CBME implementation and also suggested to send the specific Learning objectives (SLOs) prepared for Competencies for external validations and inform the members regarding alignment and Integration.

The meeting was concluded with vote of thanks by the Chairman, Dr.Venkatesha D.

**Leave of absence:**  
 Dr. K Girish, External BOS member  
 Dr. Arun M, External BOS member

The meeting began with the welcome address by the Dr. Ravishankar M, Chairperson paraclinical subjects, at 2:30 PM. He welcomed the Dean & Principal of AIMS, Dr. MG Shivaramu, External and internal BOS members present in the meeting. The agenda of the meeting was mentioned.

The session was handed over to Dr. Aliya Nusrath, Professor & Head, Department of Biochemistry for the presentation on MSc. Biochemistry course and curriculum. She made an elaborative and

detailed presentation about all the aspects pertaining to the course which included general considerations, goals & objectives, components, duration of the course, course contents in each year, method of training, attendance, eligibility, assessment, pass criteria, declaration of results carry over system, etc.

She also presented the preclinical subject curriculum for first year which will be common for all the Medical M.Sc. in medical sciences programmes followed by a detailed presentation of final year curriculum.

The following points were raised during the discussion

- Duration of M.Sc. course; Most of the members opined on 3 years duration, but if the undergraduate degree of the students is from Medical Sciences, the duration can be reduced to 2 years with waiving of first year
- To specify on 80% attendance in each subject as eligibility criteria for university
- To add blue print of assessment in Physiology
- To add model question paper
- Relook in duration of lab postings in Biochemistry
- Can consider the first 3 months of second year as sensitization of dissertation.

This was followed by MSc. Microbiology course & curriculum presentation by Dr. Vijaya S, Associate Professor, Department of Microbiology. She also gave a detailed and comprehensive presentation about the above said course.

The points raised by the members were clarified and curriculum presented were accepted by all members.

Dr. M G Shivaramu thanked everyone present at the meeting for their active involvement.

The meeting was concluded by rendering of 'Vote of thanks' by Dr. Tejaswi H L, Associate Professor, Department of Anatomy.

**Adichunchanagiri Institute of Medical Sciences**

(A Constituent College of Adichunchanagiri University)

(Recognized by Medical Council of India, New Delhi, Central Medical Council, London U.K.)

Dr. Vijaya S, Associate Professor of Microbiology, Internal BoS member for Microbiology presented Microbiology CBME curriculum. Dr. M G Shivaramu, Principal AIMS suggested maintaining the uniform marks distribution pattern for internal assessment.

Members came to the consensus for conducting the first and second theory internal assessment for 60 marks and third theory internal assessment for 100 marks and will be reduced to 40 marks for sending it to university.

Dr. Vinaya M, Associate Professor of Pharmacology, Internal BoS member for Pharmacology, presented Pharmacology CBME curriculum.

Dr. Girish K, Professor and Head, Dept of Pharmacology, KIMS, Bengaluru, external member for Pharmacology raised a query of adding MCQs as a part of assessment and it was decided to discuss the same with the other university to get clarity on the same.

Other BoS members gave clarity that MCI GMER 2019 document and MCI CBME guidelines mentions MCQ's shall be accorded a weightage of not more than 20% of total marks in the assessment.

Dr. Arun M, Professor of Forensic Medicine, JSS MC, Mysuru advised to have MCQs as a part of both formative and summative assessment.

Dr. Kumar U, Professor and Head of Forensic Medicine, Internal BoS member for Forensic Medicine, presented Forensic Medicine CBME curriculum.

Dr. Arun M briefed about the CBME guidelines for conducting Forensic Medicine internal assessment, 2 internal assessments in phase -2 and 2 internal assessment for phase-3. Dr. M G Shivaramu, Principal, AIMS suggested three internal assessments for Forensic Medicine each during phase-2 and phase-3 to guide and enhance the regular learning among students.

Dr. Tejaswi H L added a note on ambiguity with respect to marks allotted in conducting theory and practical assessment in the recent guidelines for Competency Based Assessment Module for Undergraduate Medical Education 2019. Members decided to get clarity on this after discussing with the other universities across the state and other state universities.

Dr. Sheethal, Associate Professor of Community Medicine, Internal BoS member for Community Medicine presented CBME based Community Medicine curriculum

Dr. M G Shivaramu, Principal, AIMS suggested three internal assessments for Community Medicine each during phase-2 & phase 3 to motivate the regular learning activity among students.

Dr. Spoorthy, Assistant Professor of Ophthalmology, internal BoS member of Ophthalmology delivered the CBME based Ophthalmology curriculum. Emphasized on teaching the students on basic history taking skills, AETCOM and basic clinical examination skills.

Clinical posting hours' allotment need to be finalized after discussion with other universities due to ambiguity with the number of hours during phase-2 and phase-3.

## Adichunchanagiri Institute of Medical Sciences

(A Constituent College of Adichunchanagiri University)

(Recognized by Medical Council of India, New Delhi, General Medical Council, London (UK))

Dr. Chinmayi, Professor of Ophthalmology, BMCRI, Bengaluru, external BoS member BMCRI, Bengaluru appreciated the syllabus prepared.

Dr. Kiran Naik, Professor and Head of ENT, Internal BoS member, presented the ENT CBME curriculum.

Dr. Shashikant Bhat, Professor and Head of General Medicine, internal BoS member presented the CBME General Medicine curriculum. It was discussed to include the internal marks from phase-2, phase -3 to the marks while sending it to university during phase-4 final examination and to elaborate the topics allotted during clinical postings.

Dr. Mruthyunjaya Bellad, Professor of OBG, external BoS member, suggested to include the recent edition of recommended books and to include the books of Indian authors.

Dr. ShivaKumar, Professor and Head of General Surgery, Internal BoS member, presented the CBME based General Surgery curriculum.

Dr. M G Shivaramu, Principal, AIMS made a point to note that clinical postings for phase-2 in all clinical subjects will be 3 hours each in a week from Monday to Friday (15 hours/week and total 60 hours of clinical postings)

Dr. Shranga, Assistant Professor of OBG, presented the CBME based OBG curriculum.

Dr. Mruthyunjaya Bellad, Professor of OBG, external BoS member suggested adding the objectives specifically for third and fourth term curriculum for second year MBBS students. Also suggested to include recent text books under recommended book list.

Dr. Mahendrapa K B, Professor and Head of Paediatrics, presented the CBME based Paediatrics curriculum.

Dr. Yogesh, Associate Professor of Dermatology, presented the CBME based Dermatology curriculum.

Dr. Shiva Kumar, Associate Professor of Psychiatry, presented the CBME based Psychiatry curriculum.

Dr. Mahesh D V, Associate Professor of Orthopaedics, presented the CBME based Orthopaedics curriculum.

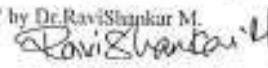

Dr. Mohan Anwarakar, Assistant Professor of Radio diagnosis, presented the CBME based Radio diagnosis curriculum. It was suggested to add preamble to the document.

In the end Dr.M G Shivaramu, Principal, AIMS, Dean, Health Sciences(Medical), ACU appreciated the efforts of all departments in bringing out the wonder full curriculum draft which needs to be fine-tuned further before final submission. Also thanked all the curriculum committee members and BoS internal and external members for their suggestions and inputs.

The BoS meeting ended at 1:30 PM with the 'Vote of thanks' by Dr.RaviShankar M.

5. Dr. Somvashakar C, Assistant Professor, For, Medicine

The meeting was started with the welcome speech by Dr. Ravishankar M at 2 PM. He welcomed the principal, external and internal BOS members, the clinical subject coordinators and other invited faculty for the meeting. Dr. MG Shivaramu, Principal, also greeted the external BOS members.

Dr. Ravishankar then read out the agenda of the meeting to be discussed in the meeting.

- With respect to the first agenda, he expressed the challenges faced by the department of Pharmacology in implementing the CBME curriculum for Phase-2 MBBS students in conducting online classes for few competencies and internal assessments where it is difficult to monitor students online, and also to assess few practical competencies. He also explained the students' views on online classes such as difficulties sitting in front of the laptop monitors or mobile phones for long hours, data consumption, network problems, etc.

External BOS members also agreed upon these points as these challenges are similar in their institutions as well. Dr. Amita explained about how classes are being conducted in pathology department with regard to practical classes and internal assessments. She mentioned about facing similar challenges while implementing some of the exercises online in their subject as well.

Dr. Raja Parthiban, external BOS member, Pathology highlighted the need for completion of practical records and log books by the students on their arrival to the colleges.

With regard to the second agenda on implementation of AETCOM modules, Dr. Ravishankar M, said that AETCOM modules could not be done online and therefore, it was mutually decided with other departments of II year to conduct them offline as students begin to attend the college. A similar scenario existed with other departments of other institutions represented by the external BOS members. Therefore, it was resolved to conduct AETCOM classes as a priority on arrival of students to the institution.

- The third agenda was on conduction of formative assessments. Dr. Ravishankar M said that the department of Pharmacology could not conduct the formative assessments for the Phase 2 students, whereas, Dr. Dhanalakshmi, Professor, Microbiology said that they conducted 3 formative assessments month-wise and Dr. Amita K, Professor, Pathology also said they conducted through Google forms. With this regard, it was resolved to conduct the formative assessments regularly once-a-month for Phase-2 students.

Dr. Ravishankar M, raised a point about conducting classes for the newly joining students who took up supplementary examinations and passed recently. Dr. Raja Parthiban explained the measures being taken up in their institution as cancelling of clinical postings, keeping the batch separately to teach the basic chapters for 2 months and joining them to main batch once they are taught the basic topics in the respective subject.

(As Per Statute)

(Recognised by Medical Council of India, New Delhi, General Medical Council, London (U.K.)

The fourth agenda was regarding the alignment of the topics with other para-clinical subjects such as, microbiology and pathology. It was confirmed by the faculty of the respective department that they are following it as per the master time table.

With regard to the fifth agenda about mentoring of students online, this is being not done by the para-clinical departments except Microbiology where they said to be doing it regularly during SGT classes and documenting them. The external BOS members shared the method of mentoring in their institutions and not being able to do the meetings online.

Co-Ordinator for general medicine and allied sciences, Dr. Vinay HR said that the clinical departments are conducting the classes online, end of postings assessment but not able to conduct the first internal assessment. It was resolved to conduct the internal assessment as soon as possible upon deciding the dates.

Dr. Salish, the Co-Ordinator for general surgery and allied sciences said the academic activities are going on similar to that of general medicine and allied sciences.

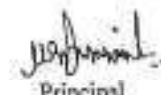

Dr. Raja Parthiban raised a question about how integrated teaching classes are being conducted. Since these classes are not conducted till now in our institution, it was resolved to conduct the integrated teaching regularly from the month of July.

The following resolutions were made in the meeting:

1. Priority should be given for the competencies that could not be done online in offline classes as soon as the students rejoin the institution.
2. The practical record books and log books to be printed and made available to the students by the institution as soon as possible.
3. AETCOM classes to be conducted as priority on arrival of students to the institution.
4. Formative assessments to be conducted regularly once-a-month for Phase-2 students by all concerned departments without fail.
5. Mentor-ward meetings to be conducted once in fortnight by the mentors.
6. Clinical departments should schedule the dates and conduct the first internal assessment for Phase-2 students accordingly.
7. Integrated teaching to be started as per the time table.

At the end of the meeting, Dr. MG Shivaramu, the Principal, heartily thanked all the external and internal BOS members and the invitees.

- EXTERNAL MEMBER**
10. Dr.S.B. Gangadhar  
Prof and HOD SSIMS Tumkur

The internal members Dr.B.G.Sagar and Dr.Venkate Gowda were on leave, Dr.Srinivas Babu , Dr.Madhukar and Dr.Skandesh have left the institution and Dr.Vijayalakshmi retired on superannuation.

The other external members Dr.Mallikarjuna Desai Prof and HOD SDM Dharwad, Dr.Sunanda Kulkarni retired Prof BMC, Dr.Kiran Acharya Prof and HODKMC Manipal, Dr.Nanjaraj Prof and HOD Radiology MMC and RI and Dr.Narendra Datti Prof and HOD ophthalmology East point Medical College Bangalore were absent.

Dr.M.G.Shivaramu Principal AIMS, Dean of faculty Health Sciences welcome the members and in brief discussed about the agenda.

After detail discussions the following decisions are made.

Regarding starting new P.G.course from Academic year 2021-22 no fresh proposals.

Regarding the enhancing intake of undergraduate from 150 to 250 students, it is not possible during the year 2021-22 as the required infrastructure are under construction and even faculty position are not enough for 250 intake.

Regarding the enhancing intake of P.G.students the Department of Surgery, Orthopedics and ENT, can not go for enhancement, as P.G. intake increased during the year 2019-20.

The department of OBG with intake of 3 DGO seats, Radiology with 2 DMRD Seats, Anesthesia with 4 DA seats, orthopedics with 2 DOrtho seats and ENT with 1 DLO seat can go for converting these seats to master degree. Advent of these changes staff position will be inadequate for further increase in the P.G seats.

As such right now faculty position is marginally insufficient for above said status of PG. intake.

Regarding proposal for starting certificate and Diploma courses form academic year 2020-21 the following decisions are made.

Department of OBG proposed to start 6 months fellowship course in infertility and certificate course in MTP.

Department of ophthalmology proposed to start 2 years Diploma in optometry and 1 year certificate course in Ophthalmic O.T. technology

Department of ENT proposed to start 1 year certificate course in Audiometry and speech therapy.

Department of Radiology proposed to start 3 years course of BSc in Radiology.

Department of Surgery proposed to start 2 year diploma course in O.T Technology and 1 year certificate course in Diabetes mellitus foot self care.

Department of Anesthesiology proposed to start 3 year course of BSc in Anesthesia and O.T technology.

2 years course of Diploma in Anesthesia and O.T. technology.

MOU with Narayana health sciences is in process to start BLS and ACLS.

Respective departments have decided to send proposals and teaching modules at the earliest and forward to the Principal AIMS through chairperson of Board of Studies of surgery and allied subjects.

The meeting concluded with vote of thanks.

|  |
|--|
| <b>Agenda 1: Report of last BOS meeting</b>  |
| <ul style="list-style-type: none"> <li>• Chairman-BOS presented the brief report of last BOS meeting which was held on 25.04.2018.</li> </ul>  |
| <b>Agenda 2. Examiners panel approval for upcoming ACU exams May/June 2019</b>   |
| <ul style="list-style-type: none"> <li>• As receiving of the external examiners panel from different colleges affiliated to different universities is in progress, the agenda was deferred.</li> </ul> <p><b>Resolution :</b> Agenda was deferred and authorized BOE to approve.</p>   |
| <b>Agenda 3: Syllabus update of 3rd semester</b>   |
| <ul style="list-style-type: none"> <li>• Dr. Bheemachari, presented the changes in the B. Pharm 3<sup>rd</sup> semester syllabus of Physical Pharmaceutics-I subject both theory and practical components as recommended by the subject experts in the college academic committee meeting to the members for their opinion.</li> <li>• Dr. Md. Gulzar Ahmed said that, this modification is already made by apex body PCI hence may be approved.</li> <li>• Further it was clarified by dean that, since our ACU curriculum draft proposal was designed and presented before PCI has effected this, hence approval is sought. Members unanimously approved the same for implementation from upcoming 3<sup>rd</sup> semester (2019-20).</li> </ul> <p><b>Resolution:</b> The committee approved the draft proposal for implementation from the academic year 2019-20 for 3<sup>rd</sup> semester B.Pharm course with due approval by the university authorities.</p> |
| <b>Agenda 4 : Review on Grace marks – by Dr. T Yunus Pasha</b>   |
| <ul style="list-style-type: none"> <li>• Dean explained to the members about the present grace system in ACU i.e., 5% of maximum marks allotted for that particular subject and which comes to 03.75 marks and rounded off to 04 marks.</li> <li>• These grace marks (max. 04) are applied to one subject provided student has passed in all other subjects and clears that particular class.</li> <li>• Further he informed the members that due to this around 22 students have failed in 2-3 subjects by 01 or 02 marks. Hence it is affected overall results of the B.Pharm</li> </ul>   |

First semester students & we have got around 48% result. Hence he requested the members to through light on this based on the practices prevailing in different universities.

- In response to this Dr. Srinivas Joshi, members-BOS, RGUHS, who previous day itself attended the BOS meeting at RGUHS told that, in yesterday's meeting decision was taken to give overall 10 grace marks, which can be split and applied to two or three subjects with a maximum of 05 marks in a subject, provided candidates clears all the subjects.
- Adding to this Dr. T Yunus Pasha who specially worked out on this past couple of days highlighted that, Parul university and Gujarat Technological universities also have overall 10 grace marks, which can be split and applied to two or three subjects with a maximum of 03 marks in a subject, provided candidates clears all the subjects.
- In summary the members opined to adopt the grace marks system of any one reputed above universities for better student compliance.

**Resolution:** The committee opined to adopt the grace marks system of any one reputed above universities for better student compliance with due consideration and recommendation by the university authorities.

**Agenda 5 : Regulations & Curriculum of Pharmacovigilance certificate program –  
by Coordinator (Dr. Ramanath K V)**

- Dr. Ramanath KV, member-BOS and Coordinator for designing of regulations & curriculum of Pharmacovigilance certificate program, presented its details.
- Dr. Rema Razdhan and all other external members asked for the legal permission to start or introduce new certificate program of university on its own. Further they also asked for its legal strength for consideration in employment.
- Further Dr. Rema asked about availability of software to check Plagiarism in university/institute.
- Clarifying to the above Dr. B Ramesh said that, it is an add on program whose contents and hands on training will which definitely facilitates the employability/ career prospectus if already employed.
- He also clarified that the university is in the process of purchasing the software for checking plagiarism.
- Members after having suitable deliberations approved the same for further consideration by the university authorities.

**Resolution:** The committee approved the regulations & curriculum draft proposal of Pharmacovigilance certificate program for further consideration and process by the university authorities.

**Agenda 6 : Any other matter with the permission of the chair.**

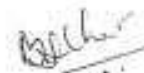

- Dr. Rajesh V member-BOS asked for the regulatory interventions for use of self directed learning modules and academic content delivery means to overcome the insufficiency of allotted times in certain subjects for completion of syllabus.
- All the members opined that, it is individual teacher's interest and convenience to adopt any method of teaching which he or she feels to be more effective and time manageable. But students' attendance has to be marked for allotted duration of hours for verification during apex bodies inspections.
- Dean Dr. B Ramesh in his remarks briefed to the members about various overlapping and /or parallel ongoing activities like convocation ceremony, internal assessments, university meetings, NBA assignments etc.

- All the new members of BOS self-introduced and briefed about their expertise.
- Dr. Prakash S Goudanavar continued with the agenda one by one

|   |
|---|
| <b>Agenda 1: Report of last BOS meeting</b>   |
| Chairman-BOS presented the brief report of last BOS meeting which was held on 30.11.2019.   |
| <b>Agenda 2.</b> Discussion on possibilities of resuming next academic session (2020-21) and examinations.  |
| Possibilities on resuming next academic session and holding examinations of previous academic year were discussed by members.   |
| <b>Resolution:</b> It was resolved by all members to adhere with State Govt and University advisory for starting next academic session and conducting examinations of previous academic session. However online classes for the new academic year can be initiated with due permission from the University. |

**Agenda 3:** Change of QP pattern for B.Pharm & Pharm D courses (Inclusion of MCQ's in question paper).

Members discussed about introducing MCQ's in the Internals as well as Semester/Annual exams. Members felt that, to make students acquainted with MCQ type questions of competitive exams like G-PAT, TOEFL, GRE etc., it is necessary to implement the same.

Dr.Bharat S and Dr.Revanasiddappa briefed about their universities pattern of QP with MCQ's. Dr.Mahadev Rao deliberated on preparing MCQ's and their importance. Dr.Bharati D R also insisted on including MCQ's and shared her expertise regarding the same.

As many Universities are following the system of MCQ's in IA and end Semester/Annual exams to certain percentage of total marks, it may be implemented for ACU also.

**Resolution:** The members decided to form sub-committee headed by Dr.Annegowda HV to gather information from different Universities and submit exhaustive report on possibilities of including MCQ's in QP for the upcoming academic session. Final Proposal will be submitted to ACU for approval.

**Agenda 4: Corrections in the Curriculum of B.Pharm, Pharm D and M.Pharm programs**

Corrections like typographical errors, missing contents, inclusion of instructions for M.Pharm thesis writing, format for evaluation of PG seminars and Journal clubs, proper distribution of M.Pharm dissertation marks done by the faculty members

**Resolution:** The committee approved the corrections done in the curriculum of B.Pharm, Pharm D and M.Pharm programs. Corrected copies of curriculum will be sent to University for approval.

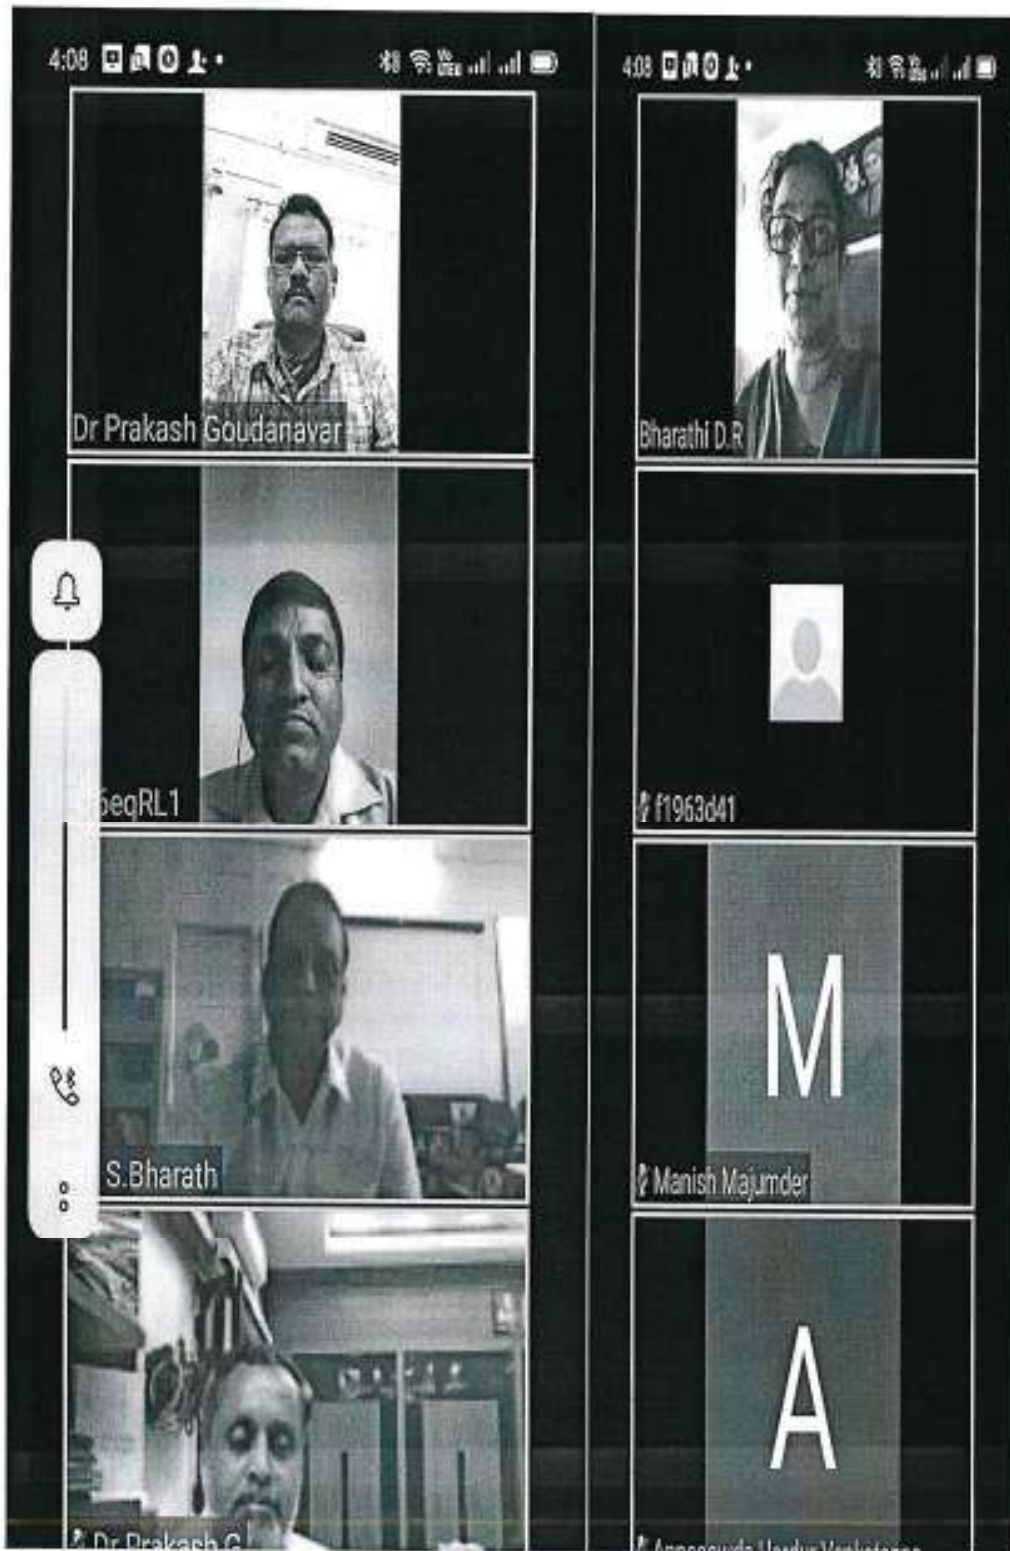

**Agenda 5: Any other matter with the permission of the chair.**

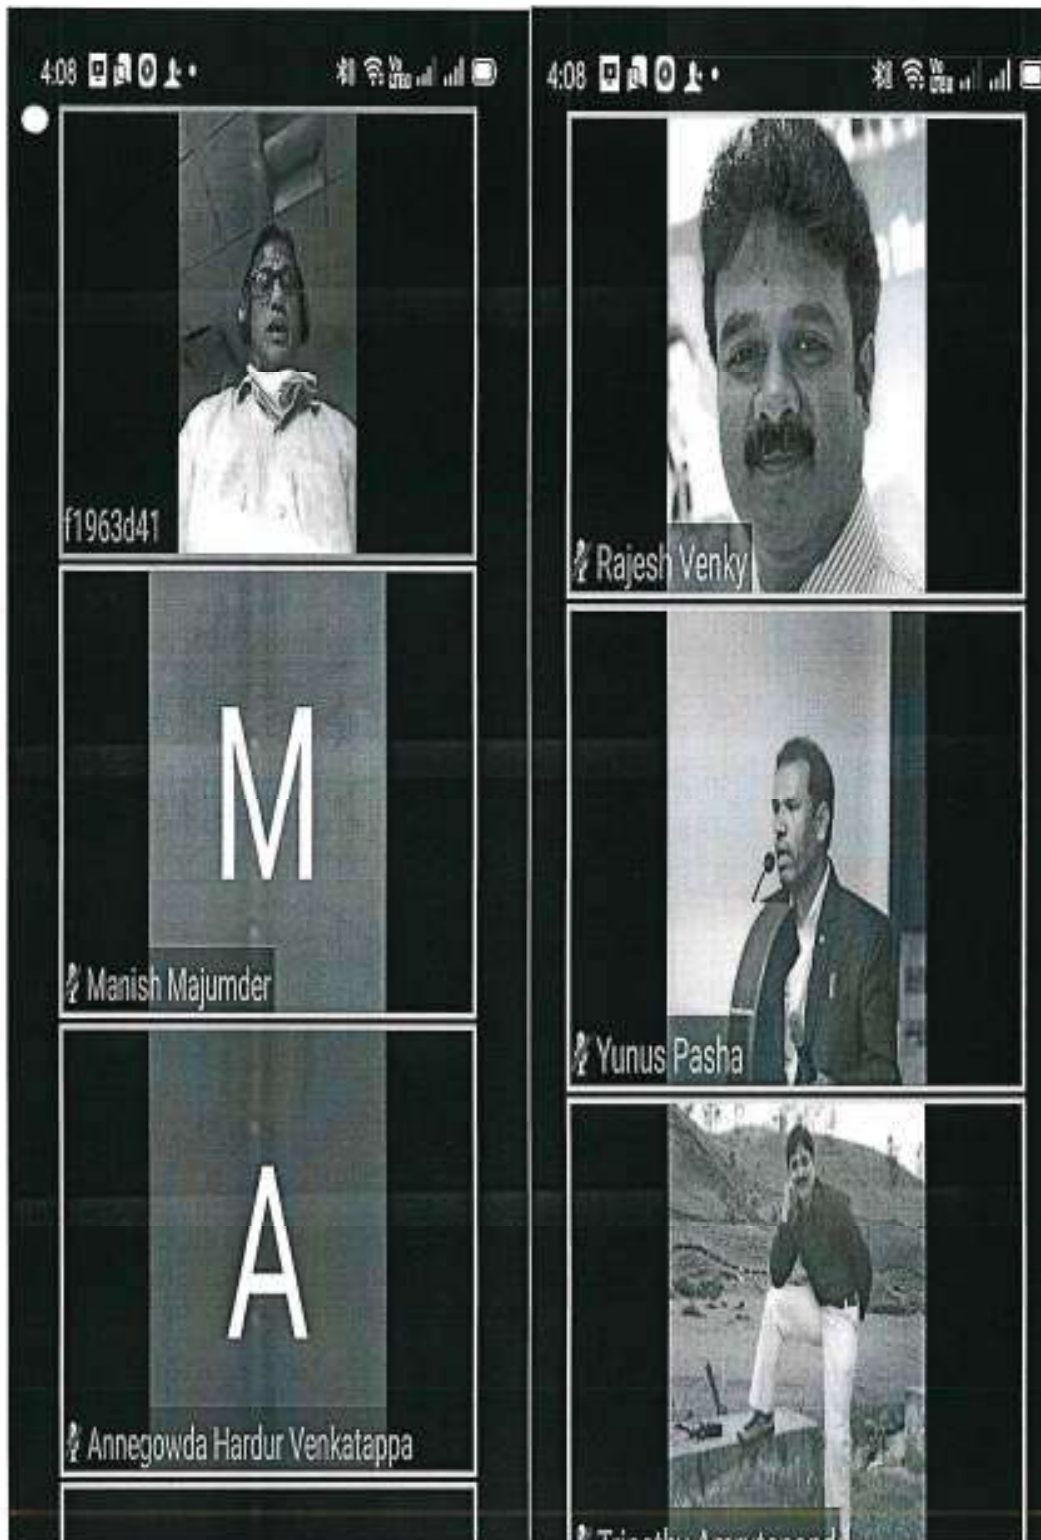

Dr. Prakash S Goudanavar also informed the board members regarding calendar of events for the PhD program of academic year 2020.

Finally the meeting was concluded with the vote of thanks proposed by Dr. Annegowda HV, HOD- Department of Pharmacognosy & member-BOS.

Dr. Rajesh V

- Dr. Prakash Goudanavar, Chairperson-BOS, extended warm welcome to the Dean, Faculty of Pharmacy & all the members of BOS to the meeting.
- Dean, Dr. B Ramesh in his opening remarks briefed on the activities since last BOS meeting held on 10<sup>th</sup> June 2020. Dean highlighted on online classes conducted from July 2020 and offline classes from Nov 24<sup>th</sup> 2020. He also briefed about online examination conducted for B.Pharm II&IV Semesters, Pharm D II & III year, M.Pharm II Semester and for backlog subjects.
- Dr. Prakash Goudanavar continued with the agenda one by one.

#### **Agenda 1:**

##### **Report of last BOS meeting**

Chairman-BOS presented the brief report of last BOS meeting which was held on 10<sup>th</sup> June 2020

Important decisions taken at the fifth meeting of the BOS were,

- Resuming academic session (2020-21) and examinations.
- Change of QP pattern for B.Pharm & Pharm D courses (Inclusion of MCQ's in question paper).
- Corrections in the Curriculum of B.Pharm, Pharm D and M.Pharm programs

The minutes of the 5<sup>th</sup> meeting of the BOS held on 10<sup>th</sup> June 2020 was circulated and no comments were received.

|  |
|--|
| <b>The minutes are approved</b>  |
| <b>Agenda 2.</b>   |
| <b>Approval of MCQ in exams (QP pattern) for B.Pharm semester courses.</b>   |
| <p>As per the last meeting discussions, sub-committee headed by Dr.Annegowda HV gathered information from different Universities and submitted exhaustive report on possibilities of including MCQ's in QP for the upcoming academic session. Committee approved to allot 20 marks for MCQ and to have one mark questions. Question bank for each subject is to be prepared. Dr.Annegouda highlighted about method used for framing MCQ's question bank.</p> <p><b>Resolution:</b> It was resolved by all members to start with MCQ's in QP pattern for B.Pharm courses for the 2020-21 academic session with due approval from the University.</p>  |
| <b>Agenda 3:</b>   |
| <b>Recasting of Syllabus for the 2020-21 academic year in view of Covid 19 situations.</b>   |
| <p>Due to pandemic situation academic activities of 2020-21 are hampered and delay in 2020-21 activities may lead to shorten academic session. Theory Syllabus of B.Pharm III &amp; V Semesters can be reduced to 80% for 2020-21 academic session in the interest of the students. Recasted syllabus is applicable for only 2020-21 academic session.</p> <p><b>Resolution:</b> The members approved the proposal for recasting the syllabus for the B.Pharm III &amp; V Semesters. 80% of the syllabus to be retained for 2020-21. Content to be deleted should not have impact on further semesters and should not be continued in subsequent semesters. Recasted syllabus to be sent to University for further approval.</p> |
| <b>Agenda 4:</b>   |
| <b>Opting elective subject from Life Sciences Sector Skill Development Council (LSSSDC) module in B.Pharm VIII SEM.</b>  |
| <p>➤ As per the notification of PCI (Ref No. 14-260/2014-PCI/4486 dated 30/09/2020) in order to increase the employability of the B.Pharm graduates PCI has recommended that student</p>   |

may choose one of the elective subjects from the skill pack modules of LSSSDC as their elective subject in B.Pharm VIII Sem curriculum. The University shall give necessary credit for the same in the award of marks and as a requirement fulfilled as against the elective subject to be studied by the student for the award of degree of Bachelor of Pharmacy.

- The student has the choice to choose both the elective subjects from the already prescribed list of elective subjects by the PCI or choose one elective subject from the existing prescribed list of elective subjects of B.Pharm programme by the PCI and another elective from list of skill pack/modules available with LSSSDC from time to time.

**Resolution:** The institution has registered with LSSSDC. The committee appreciated the move and approved to follow the recommendations of PCI.

#### **Agenda 5:**

**Deliberation on Pharm D regulations of clause No. 13.2 i.e. A Student who fails in theory or practical examination of a subject shall re-appear both in theory and practical of the same subject.**

As some the Universities like RGUHS, Nitte etc are not following this clause, deliberations on this whether to remove from Pharm D ACU regulations held.

**Resolution:** The committee decided to keep the clause and adhere to regulations set by PCI for Pharm D.

#### **Agenda 6:**

**Allotment of credit points to certificate courses.**

Sri Adichunchanagiri College of Pharmacy under Adichunchanagiri University started certificate courses in,

1. Analytical Instruments
2. Medical Devices
3. Occupational Safety and Health
4. Clinical Research

Certificate courses are started from 2020-21 academic year. Students opting any of these courses should be given some credit points.

**Resolution:** The committee approved to allot credit points as per the International standards i.e. for sixteen hours (16) duration one credit point (01). It was approved to keep

duration of 32 hrs for each certificate courses so that 02 credit points can be allotted.  
Separate certificate to be issued for courses after successful completion.

#### Agenda 7:

#### D.Pharm course under ambit of ACU from academic year 2020-21 and approval of ER 91 of PCI.

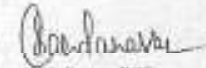

As other courses (B.Pharm, Pharm D and M.Pharm) are already under ACU, discussions to start D.Pharm course under ambit of ACU from academic year 2020-21 held between the members.

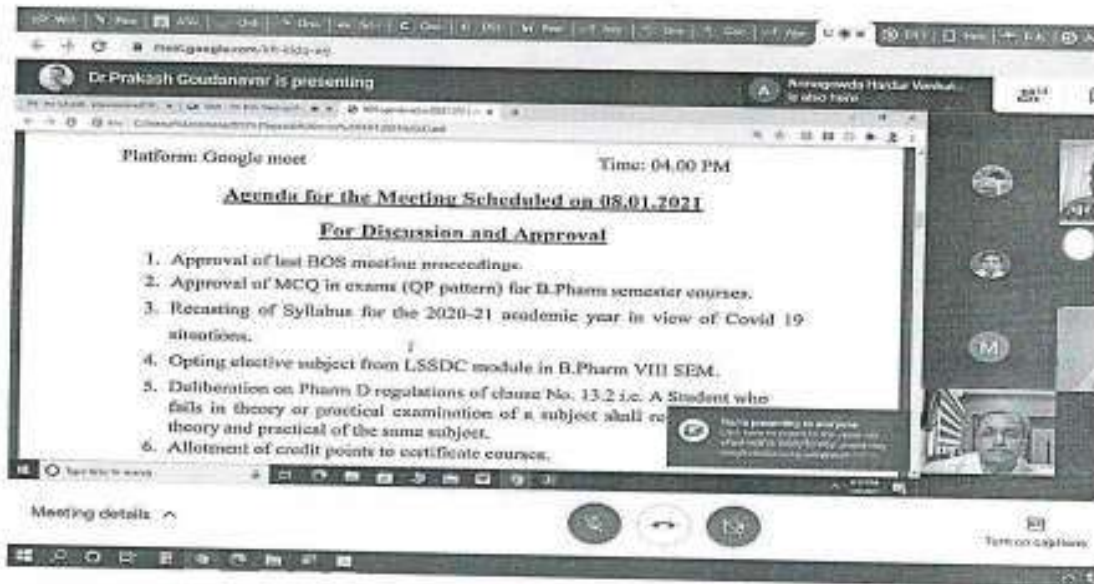

**Resolution:** The committee approved curriculum and Education Regulations 91 of PCI and recommended to start D.Pharm course under ambit of ACU from academic year 2020-21.  
Curriculum will be submitted to ACU for final approval.

#### Matters for Information

|       | <p>B.Sc Nursing for separate coaching to complete the logbook</p> <p>➤ Prof. Paramesha A E said that, instead of separate coaching for MLHP the log book should be categorized from the beginning of B.Sc Nursing programme and essential procedures should be completed each year with separate columns, at the end of the programme it should be certified on completion of logbook with additional signed file by respective department.</p> <p>Prof. Muninarayanappa sir informed to our teaching staffs from current year onwards MLHP logbook should be introduced from 1<sup>st</sup> Year B.Sc and P.B.B.Sc students and currently for 4<sup>th</sup> year B.Sc and 2<sup>nd</sup> year P.B.B.Sc.</p>   |
| 04.03 | <p><b>Discussion on New Syllabus – INC (Semester Scheme) under ACU</b></p> <p>➤ Dr. Yathi Kumaraswamy Gowda informed as a new syllabus with semester scheme by INC is drafted and need to be implement through university notification but discussion should be made on student interest and difficulties should be noted and informed. Once notification announced it can be implemented as per INC norms.</p> <p>➤ Prof. Paramesha A E and Prof. Ganeshha suggested to look into the syllabus coordinating with RGUHS as political influences may have fluctuations in syllabus and programme launching.</p> <p>Prof. Muninarayanappa sir described the new syllabus eligibility criteria for students is not a barrier as all other branch student get entry instead of only science group that will be more useful as nursing described as both science and arts. Semester system have more formative evaluation of students. Practically survival of nursing to have all category candidates in terms of admission</p> |
| 04.04 | <p><b>Discussion on Guideship for Ph.D Programme Nursing in view of INC guidelines</b></p> <p>Dr. N V Muninarayanappa sir explored the UGC guidelines regarding Ph.D stream, teachers, guides, etc. entrance exam is mandatory and pre PhD exam is compulsory before continuing the research.</p> <p>Principal sir explained about guide, PhD with 5 Publications can guide the students. The student guide ratio depends on qualification and designation of guide. Main guide can be person from medical fraternity</p>   |

**MINUTES OF THE MEETING**

Meeting started with the welcoming of the member by Dr Amita K, Chairperson, BOS, Allied Health Sciences.

**Agenda:** Approval of revised curriculum for first semester of B. Sc allied health sciences, ACU

**RESOLUTIONS**

Dr Amita K briefed the BOS members regarding the need to revise the syllabus and the process of revision which was followed.

**Resolution:** After the suggestions received from subject experts the syllabus was reduced by 25%.

It was decided that few "good to know" topics should be omitted from the syllabus.

For theory the teaching hours were condensed from the existing 60 hours to 45 hours.

For practical the teaching hours were condensed from the existing 32 hours to 24 hours.

As per the suggestions from BOS members, it was proposed that the contents which were excluded in the revised syllabus should be known by the students through self-learning.

The BOS members approved the revised syllabus, and the copy of the same has been enclosed herewith.

Meeting concluded with vote of thanks by Dr Amita K.

| 3       | Mr. Kiran S       | Member                                |

**Proceedings of the meeting:****Agenda1: Starting of new UG/PG courses**

As of now, there is no demand for M.Com course. There is M.Com course being run in First Grade College, Nagamangala under the banner of SAST (R), with affiliation from University of Mysore. Where the admissions are very poor. Further, ACU B.Com students are in 2<sup>nd</sup> year during 2019-2020. We need two more academic years to have ACU passed out B.Com graduates. Hence, it is not feasible to start the M.Com course from the academic year 2020-2021.

**Agenda 2: Increase in intake of UG/PG courses**

The intake for admission to 1<sup>st</sup> B.com has already been increased from 60 to 120 with effect from 2019-2020. As such, there is no need to enhance the strength for 2020-21.

**Welcome by Registrar**

Registrar welcomed the Chairperson and other members of Planning, Monitoring & Evaluation Board (PMEB) for its Third Meeting. Registrar then requested Hon'ble Vice-Chancellor to Chair the meeting and conduct proceedings.

**Opening Remarks by the Chairperson**

The Vice Chancellor once again welcomed all the members and briefed the members about the important events and activities since last meeting of the Planning, Evaluation & Monitoring Board held on 28/02/2019.

- Informed the committee, the events / conferences / meetings participated by the Vice Chancellor, Pro-Vice Chancellor and Registrar during the period since last meeting of the Board.
- University co-sponsored World Environment Day celebration at Indian Institute of Science, Bengaluru organized by Divecha Centre for Climate Change on June 4, 2019

**For Discussion**
**PMEB: 03.01 Approval of the minutes of 2<sup>nd</sup> meeting of the Planning Monitoring & Evaluation Board held on 28/02/2019**

- Vice Chancellor informed the Board that the last meeting was held on 28/02/2019 and the minutes of the meeting were circulated among the members
- No comments were received from the members, hence requested to approve the minutes

**The Minutes of the second meeting of the Planning, monitoring and evaluation board was approved.**

**PMEB: 03.02 Action Taken Report for the decisions taken at the 2<sup>nd</sup> meeting of the Planning Monitoring & Evaluation Board held on 28/02/2019**

- Vice Chancellor informed the Board the action taken for the decisions taken at the last meeting of the Board held on 28/02/2019
- Sri. S. Sathyam, opined that the matters to be mentioned as suggested in the ATR and not as 'decided' since the Planning, Monitoring & Evaluation Board is only a recommendatory body and not executive body.

**Vice Chancellor informed that the suggestion was well taken and the Action Taken Report was approved.**

PMEB/03.03

**Discussion on draft Vision document, ACU-2018 to 2023**

- Vice Chancellor informed that the Draft Vision Plan was initially discussed during the last meeting of the Planning Board as for 5 yrs, 7yrs and 5 yrs. But later during discussions with the various authorities it was felt to limit to only first five years (2018-2023) for better implementation
- Hence the draft vision plan was prepared for *first five years* 2018-2023 and requested the members for suggestions on the draft vision plan

**Sri. S. Sathyam:**

- Vision Document should have these components: Vision, Mission, Objectives and Activities
- Vision Statement Document should be of two to three pages. But the Vision may be of Long term.
- Strategic Plan may be for 5 years or 10 years. Strategic Plan will be flexible. Strategic plan shall include the resources, infrastructure and faculty available, market demand etc.

**Dr. S. N. Hegde:**

- While endorsing Sri. S. Sathyam view, felt that the Domain of Education would have prominent changes and it would be better to keep options for mid-term corrections.
- Suggested to plan for 5 years and later to expand it for 7 years.

**Dr. S. Ramananda Shetty:**

- The items included under Mission of AIMS should be part of the vision
- He also opined that more thrust for research be included under the Vision plan

**Dr. Balakrishna P Shetty:**

- Felt that University should not give too much importance for rankings, accreditations, etc
- Little importance to be given for documentations, but for good teaching methodology.
- Vision plan should have more of Human Impact factors than research

Citation index Impact factor.

**Dr. R. N. Srinivas Gowda:**

- He opined that it was a well explained Vision Statement
- Vision Plan should be for long term, 5 years, 10 years or even 20 years
- Both Academics and research should have equal weightage
- Research to be part of Teaching-Learning

**Dr. K. Narayana Gowda:**

- Felt that good efforts were made to prepare the Vision Statement
- Felt it would be better to have a long term plan. If we have short term plan then we would lose track of our long term vision.
- Since it is a rural based University, it would be better to include under the Vision Plan more of rural based programs in the areas of Education, Health, Agriculture and Technology for rural development.

**Vice Chancellor** informed that the University had already adopted one village, Brahmadevarahalli for the Holistic development and there was a plan for adoption of the village Javarannahalli where the University is situated. University had made elaborate plans for the overall development of the villages involving all the constituent colleges as part of Institutional social responsibility.

- He also assured that in future, University would explore the possibility of starting agricultural programs as there was a proposal for acquiring 100 acres of land for starting Krushi Vigyana Kendra.

**Sri. U. N. Mishra:**

- The Vision plan had been very well drafted
- Vision plan should focus on creating Employable Graduates
- Also to include Career Guidance through education
- Vision to prepare teachers of international repute by adopting advance teaching methodologies and skill development programs

**Vice-Chancellor** informed that the University had instructed all the constituent colleges to have Faculty Development Cell.

- University had established a Skill Development Centre and also

insisted colleges to adopt online SWAYAM/ MOOC courses for faculty and students

**Dr. B.K. Narendra:** informed that it had been made mandatory for all teachers to undertake 8 modules of MOOC courses

- College had included various value-addition and add-on courses for skill development.

**PMEB/03.04 Discussion on establishment of ACU Research & Development Center**

**Vice Chancellor** informed the members that the University is planning to establish ACU Research & Development Centre in the campus at an initial budgetary expenditure of Rs. 3.25 crores.

- Informed that the Centre was to be established at an area of 7200 Sq. Ft area at BGS IT Block
- 5% of the annual budget (Around 6 crores) is allocated for research in the current financial year and it would be increased to 7.5% in the next year.
- He sought the opinion and suggestions from the members for better planning of the centre.

**Prof. K. Byrappa**, Pro-Vice Chancellor and Dean of Research made a brief presentation on the proposed plan of establishment of ACU Research & Development Centre at the campus.

**Dr. S. Sathyam:**

- Creating awareness on research and having a strong Research Policy is good.
- Along with thrust for Fundamental research encouraging Operational research also is healthy. One fundamental research should be developed and some sort of advancement of knowledge in this area should be the priority.
- Should focus on Career Advancement Research programs
- Preparing a Compendium of findings of research is ideal as it would help in evaluation of findings and contributing to the growth of the University
- Identifying people with research potential and offering motivational increment for their efforts are essential

- Training of all faculty in research would raise the standard of research
- Performance appraisal should be done to evaluate the work done by the staff
- University should have a strong IPR agreement / Statement

**Dr. S. Ramananda Shetty:**

- To include better terminologies in the draft Research Policy such as 'Research Ambience', 'Responsible Research Conduct' etc
- To have a Screening Committee at the Institution level before a project is sent to the University. This will ensure a uniformity in sending the proposals to the University
- Online publications should be encouraged and incentives might be offered for the same.
- Reimbursements / funds for Patent registrations should be done only after the patent is awarded

**Dr. R.N. Srinivas Gowda:**

- Should encourage both Collaborative Research and Coordinating Research
- University should have a Screening Committee for scrutiny of research proposals

**Dr. K. Narayana Gowda:**

- University should ensure proper application of research and to see the research work is utilized in a better way to the benefit of the mankind

**Prof. K. Byrappa** informed the member that the University had received a proposal of research study on importance of diet in the districts of Hassan, Mandya and Tumkur.

**Sri. U.N. Mishra:**

- Insisted that Students should organize One Research Conference every year and research areas to be shortlisted by a survey conducted among the staff / students and people. This will encourage Entrepreneurship qualities among students.

**Dr. B. Ramesh:** informed that six start-up companies have agreed to visit the campus for Entrepreneurship programs.

**Vice Chancellor** assured that the University would organize a Scientific Conference and students would be playing a major role in it.

**PMEB/03.09** Any other matter with permission of chair

**Suggestions From Sri. S. Sathyam:** He felt that this Planning Board was unique in having Monitoring and Evaluation components also. Hence he felt it should contribute more for the development of the University.

- Felt the suggestions / opinions of the board should be taken seriously and the meetings be coordinated in such a manner to facilitate better implementation.
- University's institutional responsibility should concentrate on Up-stream education. University should adopt 4-5 schools around and conduct expert teaching in Science and Mathematics. This adoption and teaching should be round the year for better implementation.
- To encourage more use of technology in teaching pedagogy:
  - To set up *two* smart classrooms in each of the constituent colleges and to be utilized by all the departments on rotation basis.
  - To create subject-wise folders and download teaching softwares
  - Teachers should be trained in using those teaching softwares
- Students should be encouraged to develop applications for different issues of utilities useful to the villagers around.

### Welcome by Registrar

Registrar welcomed the Chairperson and other members of Planning, Monitoring & Evaluation Board (PMEB) for its fourth meeting. Registrar then requested Hon'ble Vice-Chancellor to Chair the meeting and conduct proceedings.

### Opening Remarks by the Chairperson

The Vice Chancellor once again welcomed all the members and informed the members that two more Deans of newly created faculties Dr.N.V.Muninarayanappa, Dean, Faculty of Health Sciences- Nursing & Allied Health Sciences and Dr. K.Prashantha, Dean, Faculty of Natural Sciences are invited for the meeting.

- Informed the members about the activities since last meeting of the Planning, Monitoring & Evaluation Board held on 17/09/2019
- Informed that ACU organized First Alumni Meet under its banner on 25/01/2020 and 532 alumni and family members participated in the University event and visited their respective Alma Mater for further Alumni activities.
- ACU was planning to establish Naturopathy College & Yogic Sciences in the campus at Sasya Kashi with technical assistance from Dr. Prashanth Shetty, Principal, SDM College of Naturopathy & Yogic Sciences, Ujire, Dharmasthala.
- Informed that Neuro-surgery department was established at AHRC at the cost of Rs.6,89,80,587 and it had become fully functional.
- He also informed that the process for establishment of Cardiac Cath-lab was at negotiation phase and would be completed shortly.
- Dr. Balakrishna P Shetty, Hon'ble Member wanted to know the process for establishment of Cath-Lab at AHRC. He informed that at Siddhartha Institute they had bad experience of starting this project as they had out-sourced it to some private agency and the Cardiac Specialist was not appointed and hence the established Cath-lab was almost Idle for a long

period and not even a single Cath-lab procedure was performed. Hence cautioned ACU to make sure it did not face similar experience.

- Hon'ble Vice Chancellor informed that ACU had first appointed one Cardiologist Dr. Jayakumar at the Hospital before starting the Cath-lab and also informed that Dr.C.N.Manjunath, Director of Jayadeva Institute of Cardiology, also the member of ACU Board of Governors had assured of providing Cardiologist and offered providing short-term training to selected Cath-lab technicians and nurses.
- He informed that ACU will not out-source it but once the centre is established, ACU will appoint one more fulltime specialist at the hospital to offer 24x7 services.

**National Education Policy-2020-Opportunities & Challenges for ACU**

- Vice Chancellor briefed members the National Education Policy-2020 announced by Government of India and sought suggestions for preparing the University to adopt it in a smoother way.
- He informed members that the University had conducted 4 workshops on Draft National Education Policy-2019 during last one year to highlight the important paradigm shifts proposed for the education sector.
- He briefed the highlights of NEP-2020 in relation to Professional Education and sought suggestions from members. He requested the members to offer suggestions in the meeting or communicate after the meeting.
- He also opined that the University was ready to form a Sub-committee of Planning Board members to deliberate and offer concrete suggestions for better implementation of the National Education Policy-2020.
- **Sri. S. R. Sathyam** endorsed the suggestion of the Chairperson to form a Sub-committee of PMEB to offer suggestions for better implementation of policy. He also suggested to form a sub-committee for Online Classes & Examinations.
- He expected Government of India to come out with a clear Road map for better implementation of NEP-2020.
- **He** opined that the Government's claim of allocation of 6% of GDP for the education sector was difficult to implement as it could not be done in all these years as major portion of budget flowed towards the defense sector.
- **Also** opined that the plan for doing-away with affiliations of colleges and awarding autonomy to colleges in granting degrees would create lot of chaos unless properly regulated. Also said the Universities would lose control on

colleges. Multi-disciplinary approach may erode the quality of premier institutions like IITs & I.I.Sc and may lose international acclaim.

- With respect to categorizing colleges into three types, he opined that stability of faculty composition and student stability would get affected.
- He also felt, allowing foreign universities to establish campuses in India needs more clarity as only 100 top universities will be permitted. How they establish and how will they be regulated by Indian laws needs to be seen.
- He also felt that there was no clarity on medical education.
- **Dr. K. Narayana Gowda** felt, if students and faculty were to be involved in discussions for drafting National Education Policy, it could have been better.
- **For Inter-disciplinary** courses lot of infrastructure need to be provided.
- **For Skill orientation**, lot of importance is given and it is a welcome step. Village development can be utilized for skilling students.
- **Vice Chancellor** informed that Government of India had deliberations at different levels for the last 2 years. Suggestions were taken from all stake holders for nearly one and half years.
- **He also** felt, managing autonomous degree awarding colleges was a biggest challenge.
- **With** respect to entry of foreign universities, he informed that the draft was pending with UGC, New Delhi for the last 15 years and lot of academic and legal issues came in the way of progress.
- **Informed that** new policy has provisions for establishment of Higher Education Commission of India (HECI) with four verticals under it. It has made provision for National Research Foundation (NRF).
- **He felt that** it was just a policy paper and the Government needed further steps for phase wise implementation of the new policy.

**It was agreed to constitute two Sub-committees, one for studying the prospects of National Education Policy-2020 and other for feasibility study of Online Classes and Examinations.**

|-------------------|---|

- **Vice Chancellor** informed members in detail the comparison of financial status for first 4 months of current financial year (2020-21) to the previous financial year (2019-20).
- **Informed** that in spite of passing through covid-19 pandemic the financial status of the University was not in bad shape although the deficit during this period was evident. The deficit of nearly 11 crores was due to non-payment of tuition fees by the students in view of forced lock-down and subsequent cancellation of classes and postponement of examinations.
- **Sri. S. R. Sathyam** informed that the financial position would be same everywhere and it might continue for some more period.
- **He suggested** that in view of current situation it was ideal for holding Online classes regularly and it should become a part of the syllabus. Offering Online Certificate courses may also add up as additional source of revenue for the University.
- **Recommended** to prepare a model 20% of program on online courses through a sub-committee.
- **He** informed that many universities were adopting the online mode for conducting examinations with software.
- **Vice Chancellor** felt for the Academic Year 2020-21, the university might increase the percentage of online classes to nearly 30-40% of syllabus.
- But more importance is to be given to improve Skill development. University has more of Professional courses which are more of skill oriented learning and it might be difficult to opt for complete online mode.
- **Informed** that the University was planning to start more Certificate courses from this academic year and it might opt for Online mode for these certificate courses.
- **Sri. S. R. Sathyam** felt it was ideal to adopt credit system for these certificate courses which might encourage more girls to opt for these courses and also student could accumulate more credits and a suitable Certificate/ Diploma/Degree might be awarded.

**Vice Chancellor agreed to form a Sub-committee to prepare a model program for Online Classes and also to study feasibility of Online Examinations.**

### Welcome by Registrar

Dr. C. K. Subbaraya, Registrar welcomed the Chairperson and other members of Planning, Monitoring & Evaluation Board (PMEB) for its Sixth meeting held at Board Room, ACU Campus on 25/02/2021. He also welcomed the members participated online for the meeting.

Registrar then requested Hon'ble Vice-Chancellor to Chair the meeting and conduct proceedings.

### Opening Remarks by the Chairperson

The Vice Chancellor once again welcomed all the members present and also the members present online.

- Briefed the members about the academic activities and administrative meetings conducted since last meeting of the Planning, Monitoring & Evaluation Board held on 13/08/2020.
- He presented statistics of the Online Classes conducted for all the courses from Sept-2020 till Nov-2020.
- Briefed members the admission status at all colleges and courses. Dr. B.K. Narendra informed members the admission status of engineering courses. Informed that the admission for government quota was still underway.
- Prof. K. Byrappa, Pro Vice Chancellor and Dean, Research informed the admission status of Ph.D. and Post-Graduate courses in Natural Sciences. Informed that 05 foreign students have joined for Ph.D. courses at ACU. In total 79 Ph.D. scholars and 4 Post-Doctoral Fellows are working on research at ACU at present.
- Dr. D V L N Prasad presented brief statistics of all examinations conducting since last meeting of PMEB.
- Dr. M. G. Shivaramu informed members the activity at AIMS in last six months. He briefed members the Covid statistics from the Hospital.
- He also informed members about the plan for adoption of more villages for 'Overall Development'.
- Dr. K. Narayan Gowda, suggested not to use the word 'Adoption' as it would be adoption forever which was not the ideal term as it was used during 1970's. Instead he suggested to use only 'All round development of villages'.

- Vice-Chancellor informed that since the Government of Karnataka insists using the word 'adoption' the University was using the same.
- Dr. Balakrishna P Shetty agreed with Vice-Chancellor and opined that the word 'Adoption' (of Village) was coined by the Government and Universities have to use the same.

#### For Discussion

**PMEB/06.01 Approval of the minutes of 5<sup>th</sup> meeting of the Planning Monitoring & Evaluation Board held on 13/08/2020**

- Vice Chancellor informed the Board that the last meeting was held on 13/08/2020 and the minutes of the meeting were circulated among the members
- University had received no comments on the minutes of fifth meeting of PMEB.

**The Minutes of the Fifth meeting of the Planning, monitoring and evaluation board was approved.**

He pointed out that it was not clear if GOK permission was required for these courses.</li> <li>➤ Informed that University was starting some integrated embedded programs based on AICTE guidelines.</li> <li>➤ He informed that University was trying best to align with NEP-2020</li> </ul> <p><b>Sri. S Sathyam:</b> informed that he couldn't send suggestions due to some health issues but if it was okay he would be happy to send some suggestions.</p> <ul style="list-style-type: none"> <li>➤ Informed that it would be ideal to digitize the whole examination system.</li> <li>➤ University should have a strong Structured- Feedback system. It should invite feedback from Staff and Students in a structured manner. And based on the</li> </ul> |  |

feedback University should develop a model for the Examination digital system.

- He strongly urged for digitization of Examination Management System (EMS) and Digital Valuation System (DVS). Informed that Dr. Sudhindra Bhat at JSS University could be contacted for the guidance as they implemented 100% digitization of the Examination system.
- Regarding the new courses, he opined that University should start Full-fledged new courses like degree or post-graduate degree programs apart from short term Certificate & Diploma courses and informal lecture series on weekends.
- He also suggested to start new courses from the overall picture emerging from the NEP-2020 such as IT, Artificial Intelligence (AI), digital Cyber Security etc.
- University should be concentrating on Knowledge based or Knowledge intensive or Teaching Intensive or even life based courses for offering Value based Education, Nationalism, Fundamental duties and Constitutional responsibilities enabling the students as better citizens, equipped with more employable in the limited employment market.
- With respect to NEP-2020 he informed that it had come after a wait of nearly a decade and though there were inadequacies and deficiencies in the report all should adopt it. Any clarifications required for better implementation of NEP-2020 should be put up before the concerned government agencies.
- Informed that there was a disturbing trend of winding up Civil and Mechanical branches of Engineering. Abolishment to lateral entry of civil and mechanical branches and abolishment of diploma courses in these branches will be a step backwards and it should not happen.
- He pointed out that while adopting NEP-2020 there was need to study the implications of NEP-2020 on University such as Financial implications, personnel implications, structural implications and what steps were required to handle such implications. There will be difficulty in implementing especially with regulatory authorities and steps required to manage such issues.
- Informed that he would send his suggestions through e-mail.

**Vice Chancellor** informed that 90% of digitization was already in place at Examination wing except Online Question Paper transmission. Informed that

the whole Examination System will be digitized.

- Informed that it was a rural based University at infancy stage.
- He also informed that the suggestion from Sri. S Sathyam will be taken and Registrar-Evaluation would visit JSS University for consultation in implementing digital evaluation system at ACU. He affirmed that University would plan to implement online transmission of question paper and even online valuation of answer scripts.
- With respect to abolishment of diploma courses and lateral entry to civil and mechanical branches, he informed that University will not stop admission to lateral entry to these branches and even conduct of diploma courses in these branches. He informed that ACU follows a procedure of "pausing the affiliation" for few years in case of less demand for such courses.

**Dr. K. Narayana Gowda:**

- Informed that the University should give importance for degrees with higher prospects and potential degree programs with high employment opportunities should be started.
- Common value and skill based topics to be included across all courses.
- Identifying quality faculty to guide others in implementing multi-disciplinary courses.
- Mobilizing funds from different agencies and utilizing the services from Alumni/NRIs for infrastructure development. Involving them through online forums would be ideal.
- To review the syllabus implication (through Feed-back) after every Semester would help for better implementation of NEP-2020.
- Utilization of Online platforms for better communication and transmission of knowledge.
- Suggested University should identify a person with good academic caliber to advocate better plans for implementation to NEP-2020.

**Vice-Chancellor** informed University had taken the task of enrichment of existing courses across all faculties.

- **University** had also conducting comprehensive foundation course across all courses including general aspects such as value-systems and faculty needs. It

also includes an introduction of multi-disciplinary topics.

- Informed that University had appointed Dr. R. Rupnarayan, as Dean, Academics & Accreditations to look after Faculty Development programs and to prepare for NAAC & Other Accreditations. He would also be in-charge of curriculum enrichment and implementation of NEP-2020.

**Sri. S Sathyam:** informed that flexibility and Institutional Autonomy suggested in the NEP-2020 will have many problems at ground level. Flexibility will add to choice of courses, combination of courses, time-table issues will crop when multi-disciplinary courses were introduced.

- Institutional autonomy for HEIs will also create problems in awarding degrees to students. It would create problems among different grades of universities.
- Better to go through a mock exercises to know the problems and take corrective measures. Initially it would be ideal to limit flexibility only to ODL/ OLC courses. UGC should be asked to clarify these issues.
- Quality of Students would be one prime area of concern in implementing NEP-2020 and hence should be kept in mind. 1:20 ratio of monitoring students through a mentor should be an ideal way for better implementation of NEP.

**Vice-Chancellor** informed that University had no confusion in implementing NEP-2020 because NEP-2020 was just a policy and only the relevant enrichment would be implemented at ACU. University would start fresh courses only if they were established across the country or outside before it would be implemented.

|-------------------|---|
| <b>PMEB/06.05</b> | <b>Proposal for starting Fresh courses as per the guidelines of National Education Policy-2020 from the Academic Year 2021-22 onwards</b> |
|-------------------|---|

- **Vice Chancellor** informed members that the University intended to start fresh Embedded UG & PG programs on the lines of National Education Policy-2020.
1. Following proposals submitted were considered for starting from the next academic year:
- From Engineering Faculty:
    1. Integrated Management Engineering: BE+MBA- 5 ½ years duration as per AICTE norms

2. Integrated Research Engineering: M.Tech Ph.D. -4 years duration
  3. Engineering Medical Electronics & Instrumentation: 4 years
- From Natural Science Faculty:
    1. B.Sc. Chemical & Biochemical Preparation & Quality Control- 3years duration
    2. Integrated Ph.D. - 5 years duration (5yrs Ph.D)
- **Dr.S.N.Hegde** suggested to confirm with regulatory and Government authorities before starting these courses. As a University, innovations would always be possible with or without NEP-2020.
- **Vice Chancellor** informed that as suggested by Sri. Sathyam University would not have any control on the quality of students. Only the top universities in the country would get quality students. Whereas, in universities finding difficulty in even filling up seats it would be impossible to get quality students,
- At University output always depends on quality of input and quality of teaching faculty. Every year we had to give concession of tuition fees in engineering as students were not able to continue the course.
- University had been stressing for Faculty development and before going for NAAC nearly 80% of ACU staff would have undergone Faculty development training. University has also created another wing for Professional Development of teaching staff. Even Non-teaching staff would also undergo training and a HR Department was created to oversee this.

PMEB/06.06

**Proposal for starting New Schools/ Colleges at Adichunchanagiri University as per the ACU Act, 2012 and GOK Notification dated 22/01/2018**

- **Vice Chancellor** informed as per ACU Act, 2012 University had provision to create a School of Agricultural Sciences. He informed that apart from agriculture colleges established by government agencies there were few colleges established by Private universities also.
- **However**, he informed that ACU would not start an Agriculture College unless fulfilling the minimum requirement as per Indian Council for Agriculture

Research (ICAR), New Delhi as it involves to have an area of 75 acres of agriculture land. And in this regard it was difficult for the University to start this School as per the Government Order the University cannot start any course/ college outside this campus and the current campus doesn't have the required land for starting the course.

- **However**, since the University had completed three years and hence this was the right time to start the preparations for starting this course as it would take one to two years to establish the infrastructure for an Agriculture college.

**Dr. K. Narayana Gowda:**

- Informed that the University could start a B.Sc. Agriculture of three years duration and University land available nearby to the campus of more than 75 acres could be shown or with a MoU with the local farmers their agriculture land could be shown for practical purpose of the course.
- He informed that there was great demand for this course and also due to rural set up in this area it would be ideal to start this course.
- Human resource for starting this course needs to be appointed and it would not be a difficult task. Even retired teaching staff could be appointed for the initial period.

**Vice Chancellor** informed that University would appoint Dr. K. Narayana Gowda along with co-opted members and to submit a feasibility report on starting this course at Adichunchanagiri University. The sub-committee to submit a report at the earliest so as to place it before the next meeting of Board of Management scheduled on 15/03/2021.

- **Informed** that similarly University would constitute a committee headed by Dr. Prashanth Shetty, Dean SDM College of Naturopathy & Yogic Sciences to undertake a feasibility study and submit a report on starting a College of Naturopathy & Yogic Sciences. University had identified a nearby School at Sasya Kashi previously used by Modern Public School which was shifted to this campus.

**Vice Chancellor agreed to form a Sub-committee under chairmanship of Dr. K. Narayana Gowda along with co-opted subject expert members and to submit a feasibility report on starting this course at Adichunchanagiri University.**

**PMEB/06.07****Budget proposals for the Financial Year 2021-22**

| <b>01.01</b>  | <b>Adichunchanagiri University's proposals to set up Research Laboratories and Centre of Excellence in each college</b> |

Vice Chancellor informed the members that the University is planning to set up Research Laboratories and Centre of Excellence in each college.

- Informed that though University could not divulge with courses, have to prioritize to develop these centres in 4 years
- He stressed for time bound program and sought the suggestions from the honorable members on the matter

**Prof. G. Kumaramanickavel :**

- Informed that it is a very cost inclusive as Centre of Excellence keeps changing every 2 to 3 years and hence it is better to have a tertiary level centres.
- He also felt it is a big challenge to run these centres.
- He suggested that Genomic Preventive Diseases for age related diseases is the most sought after research area. But he felt that money can't be put on Genomic Preventive Disease research as diseases are genetically susceptible and the investment for research in this area needs huge funding. Better to put money on Genomic Prediction Medicine which in a way would help patients.
- He suggested to set up Centres of Excellence in a phase wise manner since the University is set up in an area far away from major city of Bangalore as it could be difficult to get experts in research areas.
- He also suggested to plan for research in basic sciences

**Prof. P. R. Krishnaswamy:**

- He suggested to integrate basic sciences with advanced research.
- Integrated research with different fields such as Paediatrics, Community medicine would be a better. Also felt integration with dermatology or Psychiatry also would be of much importance.

**Dr. Ambalike Hiriyananna:**

- He suggested to have an independent unit to study areas of research in social science and its effect.
- Also suggested to explore the research areas in folk-medicine.

**Prof. K. S. Rangappa:**

- He felt the Adichunchanagiri Institute of Molecular Medicine to be strengthened to develop to an international research centre.
- Short lectures should be conducted regularly and one Annual Science

Conference to be planned.

**Dr. B.K. Narendra, Dean, EMT:**

- He suggested that areas in Computer Science, Civil Engineering and Mechanical Engineering have great scope for research.
- He informed that the college is developing modules for research in all these areas and also have installed many equipment and machines to augment research in these areas.
- He also informed that they are in the process of developing Bio-sensors.
- Informed that 'Sustainable Development Goals-2030' of UN had come out with Socially relevant research areas.

**Dr. C.K. Subbaraya, Registrar:**

- Informed that the AICTE has made it mandatory to establish Skill & Innovative Cell in each college.

**Prof. K. Byrappa, Pro-Vice chancellor:**

- Informed that Nano-technology and Nano-sciences had pervaded all spheres of life and had become the major areas for research.
- He suggested the University needs more people in research to augment the research activities.

**Dr. B. Ramesh, Dean, Health Sciences-PNAHS:**

- He informed the members that the college had developed formulation lab for 'Drug delivery system-Polymer'.
- He also felt that there is need to identify teachers of research capability.
- He informed that the college had been getting grants from Dept. of VGST for nearly 45 lakhs.

**Dr. M. G. Shivaramu, Dean, Health Sciences-Medical:**

- Informed that the AIMM was developed by investing nearly 5 crores for encouraging research.
- He felt there is need for more hospital based research. He also informed that though the college had more number of publications but they have very little impact value.
- All colleges had been working on their own till now but since the advent of the University now all colleges have the opportunity for integrated studies and inter-disciplinary research.
- He also felt all colleges had to inculcate research culture to sensitize the

faculty towards research.

**Prof. S. Chandrashekar Shetty, Vice Chancellor:**

- Vice Chancellor felt that since it is a remote area it is not ideal to invest on costly equipment and keep it idle. So better every rupee spent is worth for.
- He felt it is ideal to establish Genomic Research Hub.
- He also informed that the University would identify the areas of research for first 5 years initially.
- He also informed that the University would take up extensive research programs and would review it regularly during monthly meetings.

**Agenda No.04**

**Vice Chancellor** informed the Deans to brief the members about the current MoU's being in force at their colleges.

**Dr. B. K. Narendra, Dean EMT:**

- Informed that BGS Institute of Technology has MoU's with 17 companies.
- Most of the MoU's are for training or placement.

**Dr. B. Ramesh, Dean Health Sciences-PNAHS:**

- Informed that Sri Adichunchanagiri College of Pharmacy has made 6

MoU's with different Pharma Companies or Consultancies.

- Out of 6 MoU's five are for training and placements and *one* MoU is for research with Yenepoya

**Vice Chancellor** informed that the University would plan for a tie-up with CCMB and other agencies for research collaborations

- He also informed that the University would adopt villages to encourage health development studies and for research in that direction.

**Registrar** thanked Vice Chancellor for chairing the meeting and extended vote of thanks to all the members for attending the meeting

**Prof. Krishnaswamy** suggested System Biology, Mathematical Modeling in Medical Physiology and also suggested to start Cell Biology in Medical Pathology. He suggested to start research work related to Human diseases, clinical problems, metabolic disorders and Gene related studies. He also suggested to make an effort in finding biomarkers

**Prof. Paul C. Salins** suggested to start Social Robotics courses and also linguistic and Bioinspired Engineering. He also suggested to adopt student exchange program in ACU.

**Prof. Nagabhushan** suggested to start Biomedical Engineering and encourage doctors to learn Artificial Intelligence. He suggested to have own Big Data Centre / Clouding, and to focus research work on Medicine, Materials Sciences and Chemistry

**Prof. Manickvel** suggested to establish Centres of Excellence in all disciplines. He suggested to have a monitoring committee to meet yearly twice or thrice to evaluate research progress. He also advise to use mass communication like Facebook, Twitter, Instragram and others to reach the rest of the world fast. Suggested to bring annual research report and start incubation centre, where outsiders can come to use the facility of ACU

**Prof. Sharath Chandra** suggested that all Medical, Pharmacy, Engineering and Natural Science people to do research together. He suggested to invite Govt. of Karnataka, or Dept. of Biotechnology people to use space and facility of ACU.

**Prof. Ambalike Hirianna** suggested to give equal importance to Social Science and for Traditional knowledge system. He suggested to appoint at least 10 multifacial research assistants along with supporting staff to Nadaprabhu Kempegowda Chair, and also provide necessary equipment required. Suggested to conduct regular workshop, training program and field research.

**Prof. M.G. Shivaramu** informed the members that the UG students got ICMR grants every year. They are providing medical help to nearby villages like Bramhadevarahalli and planning to adopt Javaranahalli village. Conducting Cleft pellet and Cleft clip camp every year and this work has been listed by Limca Book of Record.

**Prof. B.K. Narendra** informed the members that BGSIT wishes to have a MoU with IIT Allahabad.

**Prof. B. Ramesh**, requested Prof. Paul Salins to visit SACCP along with their staff.

**Dr. Shobith Rangappa** informed the members that two of AIMM faculty visited USA under faculty exchange program.

|               | <b>Welcome</b>  |
|               | Prof. K. Byrappa, Pro Vice Chancellor, ACU welcomed the Hon'ble Vice Chancellor and other members for the third meeting of Research and Innovation Council of the University and requested the Hon'ble Vice Chancellor to Chair the meeting and conduct proceedings.  |
|               | <b>Opening remarks by the Chairperson</b>   |
|               | Hon'ble Vice Chancellor once again welcomed all the members and briefed all members about the highlights of the second meeting of Research and Innovation Council of the Adichunchanagiri University held on Monday, 3 <sup>rd</sup> February 2020.   |
|               | Hon'ble Vice Chancellor informed all the members of RIC the progress made with respect to research activities at ACU since last meeting of the Research Council. <ul style="list-style-type: none"> <li>• Highlighted about the research activities and progress of three major Research Centers of ACU, i.e., ACU-CRI located at BGSIT campus, AIMM at AIMS and CORMIL and CMPAT at SACCP campus.</li> </ul> |

- Informed about Human resource and active researchers involved in multi-disciplinary and trans-disciplinary research at ACU.
- Informed that ACU admitted second batch of ACU-Ph.D. Scholars and promoted multi-disciplinary and trans-disciplinary research at all constituent colleges.
- Informed that ACU received the DSIR recognition and certificate.
- Started new Natural Science courses and innovative research-oriented programs viz., Data Analytics, Artificial Intelligence and Machine Learning.
- Planning to initiate integrated Masters and Ph.D. programs in Engineering, Pharmacy and Natural Sciences Faculties, and also Internship/Apprenticeship embedded B.Sc. courses as per the National Education Policy-2020.
- Invested approximately Rs. 4.25 Crores for the development of infrastructure and facilities for Research activities in ACU.
- Planning to initiate online Webinars and Virtual meetings in association with Visiting Faculty, Visiting Professors and Adjunct Faculty.

|  | <p><b>Dr. Kattera A Suresh</b> suggested to focus on specific areas of research and to come-up with a Trans-disciplinary research by bringing together the faculty members of Medicine, Pharmacy and Engineering with research potential. He felt that there was lot of scope for ACU to come up with such multi-disciplinary and Trans-disciplinary joint projects, which can have larger impact on the ACU to get recognition at National and International Level.</p> <p><b>Dr. K.S. Rangappa</b> suggested to have a collaboration with other active researchers from the Faculty of Pharmacy, Medicine and Engineering of ACU. He also suggested to set-up a physical meeting between the team of subject experts from different fields and research faculty of ACU to discuss more about the ongoing research activities for optimum use of research facilities. Also suggested to make use of the facilities available at AIMM.</p>  |

Suggested to have a Research Coordinator or Research grant administrator for the entire ACU including all the constituent colleges, who will be looking into the areas of research of different faculties, funding opportunities, funding specifics and deadlines, sending of monthly or quarterly report and looking into the financial expenditure for research.

Suggested to have a centralized data protection facility to protect the raw data along with the published data. He said that this facility has to protect all the scientific data generated from the ACU, so that if any ethical issues arise in future, it could be solved easily.

Suggested to provide incentives for the researcher for their publications in high impact journal and also providing at least 50% financial assistance for their publication charges.

He recommended to have a complete inclusive research climate and environment in the ACU, getting the output, and looking to reaching out to the community with the research.

**Dr. Sharath Chandra** suggested to limit the number of Ph.D. student's intake and to maintain the quality in the Ph.D. by exercising the quality control at the time of admission of Ph.D. scholars. He said that faculty should put effort to raise funds from external sources. Suggested to focus on the COVID 19 related research. Suggested to access BIRAC funding for COVID19 related projects. He also suggested to focus more on the research with product output.

**Dr. S.B. Krupanidhi** suggested to have collaboration within the faculty members of ACU and to come-up with three-star projects, besides having the conventional research. Suggested to focus more on research with application oriented and having societal importance.

He suggested to involve experts from industrial experience in research committees and to have discussion with them, which help in thinking practically.

**Dr. Nagabhushan** felt that for any institution, research policy will be having major impact on the faculty members and hence suggested to have strong research policies at ACU which should bring the researchers to come together and work together and the policies should be entirely different from other conventional Universities.

Mallesh, external member of the Committee and all other members. He then requested Hon'ble Vice Chancellor to conduct the proceedings.

#### **Opening remarks by the Chairperson**

Vice Chancellor Dr. S. Chandrashekar Shetty extended a warm welcome to the Special Invitee Sri. D. Devaraj, Trustee SAST® and Member BOG of ACU and also Dr. Sunil Babu Mallesh, Chancellor's nominee of the Committee.

- Informed that the intention of inviting Sri. D. Devaraj to this meeting was to give an insight about the procedures being followed in procurement of items & sanctioning works at ACU by this committee.
- Vice Chancellor informed the actual process of purchase of equipment & materials by following Standard Procurement Procedures of Short listing of bids based on technical specifications initially and followed by negotiations with firms on the basis of financial bids.
- But informed that since it was a tedious & time consuming process, especially, in urgent situations and also where very few bids/tenders were received by the University due to its geographical location, we need to strike a balance in following best procedures in urgent situations short listing the bids for comparison.

**Sri. D. Devaraj** instructed to maintain transparency in following the procedures and to trust the sub-committee formed for procurement of items. He suggested that there was no need to invite vendors before the full W&PC meeting as it might look intimidating for vendors.

**Vice Chancellor** informed that the University is strictly following standard procurement procedures in all the purchases for equipment & items.

#### **Resolution:**

1. It was resolved to process all procedures of Procurement at the Sub-committee formed by the Works & Purchase Committee and only final negotiations if any, to be taken up at the WPC meetings.
2. It was also resolved that for all the items above Rs.5 lakh, the Vice Chancellor or authority appointed by him should chair the

| <p>➤ Dr. B. K. Narendra, Principal, BGSIT informed the committee that the Yellamma Dasappa Institute of Technology, Kanakapura Road, Bangalore</p> |   |

was closing its college due to lack of admissions and they were intending to sell off all their Lab equipment, furniture and gymnasium items at a very much discounted price of Rs. 10 Lakhs.

- Dr. B.K. Narendra and Dr. S.H. Manjunath visited and found that the items are worth around Rs.20 Lakhs and could be of utility to the constituent colleges of ACU.
- The Committee discussed the matter and it was opined to purchase the furniture, lab equipment and other items which may be of utility to the Constituent Colleges of ACU or for extension activities at the adopted villages as part of Social responsibility.

**Decision:** Approved in principle for purchase of all items available at Yellamma Dasappa Institute of Technology after valuation of items by concerned experts. The report to be placed before the next meeting of the WPC.

Dr. DVLN Prasad, Registrar (Eval) proposed vote of thanks.

**Welcome by Registrar**

Dr. C. K. Subbaraya, Registrar extended a warm welcome to the Hon'ble Vice Chancellor and all the members present at Board room and also those online for the tenth meeting of the Works & Purchase Committee.

He then requested Hon'ble Vice Chancellor to conduct the proceedings.

#### **Opening remarks by the Chairperson**

Vice Chancellor Dr. S. Chandrashekar Shetty extended a warm welcome to all the members of the Committee and informed the agenda for the meeting.

- He informed the members that the Works and Purchase Committee needs to approve decisions taken at the WPC Sub-committee meetings held during the period from last meeting held on 28/07/2020.
- He reiterated the official powers bestowed with authorities of ACU and Principals for financial sanctions and informed all to strictly adhere to the same.
- Informed that all purchases and works being sanctioned ad-hoc or through sub-committee needs to be approved at appropriate bodies.
- Informed that the University had overshot last years' Budget by nearly Rs. 20 crore in view of commitment to complete the expansion project of AIMS by April, 2021. Hence informed that we need approval from Works & Purchase Committee and also Finance Committee for overshooting the Budget and for exceeding the expenditure on expansion project.
- He also informed that the University might need another Rs. 75 crores to complete the civil works of the project as per the deadline. Another Rs. 15 crore for furnishing works and Rs. 20 crore for the Equipment.
- Informed that the Expenditure for the next year will shoot up over Rs. 200 crore. So University might fall short of Rs. 50 crore. Hence he cautioned Principals of all colleges to cut down on revenue expenditure and spend amount with great caution.

| <b>Decision:</b> | <b>Approval given for the decisions taken at the various Sub-committee meetings held on as mentioned above towards awarding contracts to vendors and purchase of items towards the Civil works for the AIMS Expansion projects.</b> |
| <b>WPC/10.13</b> | <b>Approval for additional Budgetary expenditure of Rs. 30 crores for the Financial Year 2020-21 for the infrastructure projects at ACU</b>   |

- **While** preparing the Budget for the Financial Year 2020-21, development of Infrastructure at ACU especially the expansion project of AIMS & AHRC for the enhanced intake of 250 MBBS seats was the priority. It was also decided to complete the project by third quarter of 2021 and hence a budgetary allocation of Rs. 42.65 crores was earmarked for the civil construction of the expansion project of AIMS.

- **However,** in view of urgency in completing the project before for the

Inspection from National Medical Commission (MCI earlier) for grant of permission for Increased Intake from 150 to 250 probably during May/ June 2021, the civil works were asked to complete well in advance and nearly Rs. 75 crores were sanctioned to meet the demands.

- **Hence**, the additional amount of Rs. 30 crores spent towards meeting Infrastructural development works during the Financial year 2020-21 needs to be approved. Hence the matter was placed for discussion and approval at the Works and Purchase Committee.
- **The Committee** considering the need for completing the project in time for the inspection of AIMS & AHRC by National Medical Commission agreed to approve the additional budgetary sanction of Rs. 30 crores towards the project.

| Discussion:  | <b>Vice Chancellor</b> informed that the whole process of planning including architectural designs, tender document preparation and implementation was assigned to Mr. Ravichandra, of M/s. Noble Infra Management Services, Bangalore. He requested Mr. Ravi chandra to brief the members about the process being followed.   |

**Mr. Ravi chandra**, M/s. Noble Infra Management Services, Bangalore thanked Vice Chancellor and briefed the members about the process being followed.

- Informed that the Designs and drawings for the projects were prepared by M/s. Pinnacle Prime Constructions as per the directions of the Hon'ble Chancellor.
- Tender documents were prepared for calling quotations for civil construction of Boy's Hostel, Nurses Quarters and also Underpass construction between two campuses.
- Pre-bid meeting was conducted by M/s. Noble Infra Management Services with the Contractors.
- Based on the Bill of Quantities (BOQ) Short-term Closed tenders were called for construction of three projects, i.e., Boy's Hostel, Nurses Accommodation/ Quarters and Underpass construction at ACU. The last date for submission being 18/07/2019.
- Tenders were opened at the Sub-committee meeting (of Works & Purchase Committee) held on 19/07/2019 at Sri Adichunchanagiri Mahasamsthana Math, Vijayanagar, Bangalore-41 in front of all the Contractors who had submitted the quotations.
- Five Contractors mentioned below submitted the closed tenders for all the three projects.
  1. M/s. M.S. Constructions, Represented by Proprietor Mr. Mallikarjuna
  2. M/s. R.G. Infra Projects Pvt. Ltd, Bangalore represented by Proprietor Mr. Rajashekar
  3. M/s. Sri. Rajajeshwari Associates represented by Mr. Puttaswamy
  4. M/s. Sthavara Projects Pvt. Ltd. represented by Mr. Somashekar

|------------------------|---|
|                        | <p>With this background the Final Negotiations with all Contractors were conducted.</p> <ul style="list-style-type: none"><li>➤ It was decided during the discussions to offer the three projects to either <i>three</i> contractors or <i>two</i> contractors who have quoted lowest price.</li><li>➤ During discussions, it was noticed that there were many glaring errors of calculations and miscalculations in the tenders submitted by the Contractors. Like in one case the price was calculated and quoted for Square Feet instead of Square meter which gave the wrong quote.</li><li>➤ All Five Contractors participated in the negotiations and three of them requested for time to correct miscalculations in their tender.</li><li>➤ All contractors were briefed about the terms and conditions for awarding contract.</li><li>➤ Construction Period: 8 months +2 months. Beyond which penalty clause would set in.</li><li>➤ 10 % of Bank Guarantee: waived-off since all contractors had worked for the Trust for long time. 5% of Performance Guarantee to be paid and 2.5% of Total monthly bills as Retention Amount.</li><li>➤ All Statutory payments such as ESI/EPF/BESCOM/Water to be paid by the Contractor. Certificates to be submitted along with monthly bills.</li><li>➤ Labour accommodation to be provided by the Contractor and all safety measures to be ensured.</li><li>➤ No escalation cost payable by the University unless the delay caused on the part of the University.</li></ul> |
| <b>Decision:</b>       | <b>It was decided to finalize and select the Contractor/s for awarding the three projects at the Sub-committee meeting soon after receiving the revised and final quotations.</b>   |
