

Education:

Degree	University	Year	Grade
M. S in Chemistry	Western Illinois University, Macomb, IL. USA	2005 – 2007	3.59 GPA
M. Sc in Biotechnology	Bangalore University Bangalore, KA. INDIA	2001-2003	First Class
B. Sc in Chemistry, Microbiology and Zoology	Bangalore University Tumkur, KA. INDIA	1998-2001	First Class

Work Experience:

04/2016-Present: Scientific Officer, Adichunchanagiri Institute for Molecular Medicine, ACU. BG Nagara, Mandya District, KA, INDIA. *Field of Work*: Chemical Biology

06/2013-04/2016: Assistant Manager, Enzene Biosciences (Alkem Laboratories), R&D Pune, Maharashtra, India. Field of Work: Peptide, Analytical and Medicinal Chemistry.

11/2007-05/2013: Senior Research Technologist in High Throughput Chemistry Center (HTC) St. Jude Children's Research Hospital, Memphis, TN, USA. **Field of Work**: Medicinal, parallel, combinatorial chemistry and biochemical and cell based assay.

08/2005- 09/2007: Graduate Assistant, Western Illinois University, Macomb, IL, USA. Field of Work: Biochemistry and Analytical department

03/2004-01/2005 (1year): Q C Executive, Poornashree Chemicals, and Bangalore, India. Field of Work: Plant extraction, quantification and qualification.

Research and Training:

08/2005- 09/2007: Research Assistant, Western Illinois University, Macomb, IL, USA. Field of Work: Synthetic, analytical chemistry, biochemistry and cell based assay.

05/2006-08/2006 & 05/2007-09/2007: Summer student, St. Jude Children's Research Hospital, Memphis, TN, USA. Guide: Dr. Peter J. Houghton. Field of Work: Cell based assay.

Patent: Piperidine ureas as cathepsin cysteine protease inhibitors No. WO2016027284A3
