International Conference on Recent trends in Molecular Biology (29th and 30th June 2023)

Adichunchanagiri institute of molecular medicine (AIMM), Adichunchanagiri institute of medical Sciences (AIMS) in collaboration with Adichunchanagiri School of Natural Sciences (ASNS) organized two days international conference with overarching theme “**Recent trends in Molecular Biology**” on 29th and 30th June, 2023 with an objective of dissipating recent advances in cancer research. The event was inaugurated with divine blessings of Paramapoojya Sri Sri Sri Dr. Balagangadaranatha Mahaswamiji with divine presence of Hon’ble Chancellor Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji. During the inauguration, Poojya swamiji gave an insight on the connection between saint and a scientist. Vice Chancellor Prof. Dr. M. A. Shekar delivered inaugural speech stressing the need for research centers to focus on the themes that benefit the society by early cancer detection and treatments to the poor. The conference was initiated with a keynote address by Former Vice Chancellor, University of Mysore and pioneer in Medicinal Chemistry Prof. K. S. Rangappa. Prof. Tapas K. Kundu Professor Molecular Biology and Genetics Unit, JNCASR, Bengaluru was the guest of honor who delivered scintillating lecture on Chromatin meets Autophagy followed with series of lectures by Dr. Gautham Sethi, National University of Singapore; Dr. Shamik Sen, IIT Mumbai; Dr. K.S. Girish, Tumkur University; Dr. Yoganandha S. Markandeya, NIMHANS, Bengaluru; Dr. P. V. Shivaprasadh, TIFR, Bengaluru. Dr. Shobith Rangappa, Director, AIMM and Prof. Prashanth Kalappa, Dean ASNS and their team was instrumental in organizing and conducting the conference. Scientists, research scholar and students from various Institutes and universities through-out Karnataka were participated and benefitted with knowledge on recent advancements and breakthroughs in cancer biology. About 70 researchers who participated in the conference also shared their research work in the form of poster presentations.
