EXCELLENCE DEVELOPMENT

### **About Adichunchanagiri University**

The University is situated in a Lush Green Unitary Campus of 67 acres at B.G. Nagara, Nagamangala Tq., Mandya District, Karnataka on the Bangalore – Mangalore National Highway No. 75, 105 Kms from Bangalore, the Capital City of Karnataka.

The University consists of six Constituent colleges in the disciplines of Medicine, Pharmacy, Nursing, Engineering, Management, Commerce and Education. The environment-friendly campus has adequate infrastructure and physical facilities for Academics and Research. The campus possesses around 5000 students, 400 teachers and 1800 support staff.

The University employs a broad range of strategies to achieve its Vision, Mission and Objectives to expand the horizon of World Knowledge, provide instruction, Teaching-Learning, Training, Research and Development at the level of Higher Education in the faculties of Health Sciences, Engineering and Technology, Management and Technology, Humanities & Social Sciences and other Emerging and Thrust areas.

### **About Sri Adichunchanagiri College of Pharmacy**

ACCP, one of the top Pharmacy colleges in India takes pride in creating an atmosphere wherein both students and faculty can pursue boundless knowledge; a single roof where theory and practice go hand in hand and lead to a better understanding of oneself and the world. Education at ACCP prepares you to think boldly and act confidently in any industry environment. At ACCP the focus goes beyond education. ACCP aims to prepare students for life-transforming them into Leaders.

The success of ACCP as an acknowledged institution for quality learning is an outcome of the various facets that give ACCP its characteristic value - the faculty, enterprising students, infrastructure facilities and industry partnerships.

### **About SEED (Student's Empowerment and Excellence Development) Programme**

Students Empowerment and Excellence Development an interacting programme launched by Sri Adichunchanagiri University and its six constituent colleges, has aimed at creating a beneficial platform to expose students to various programmes that helps in overall development of students viz., confidence, communication skills, passion, excelling in social and personal life, build in them specific mindsets & capabilities to design their career so they

remain valuable and continue contribute in their respective fields and overall development of students to excel in their future. The programme is aimed at helping the students to realise, learn and understand the value system, honesty, modesty and being disciplined in life is the ultimate motto.

# SEED – 7 REPORT

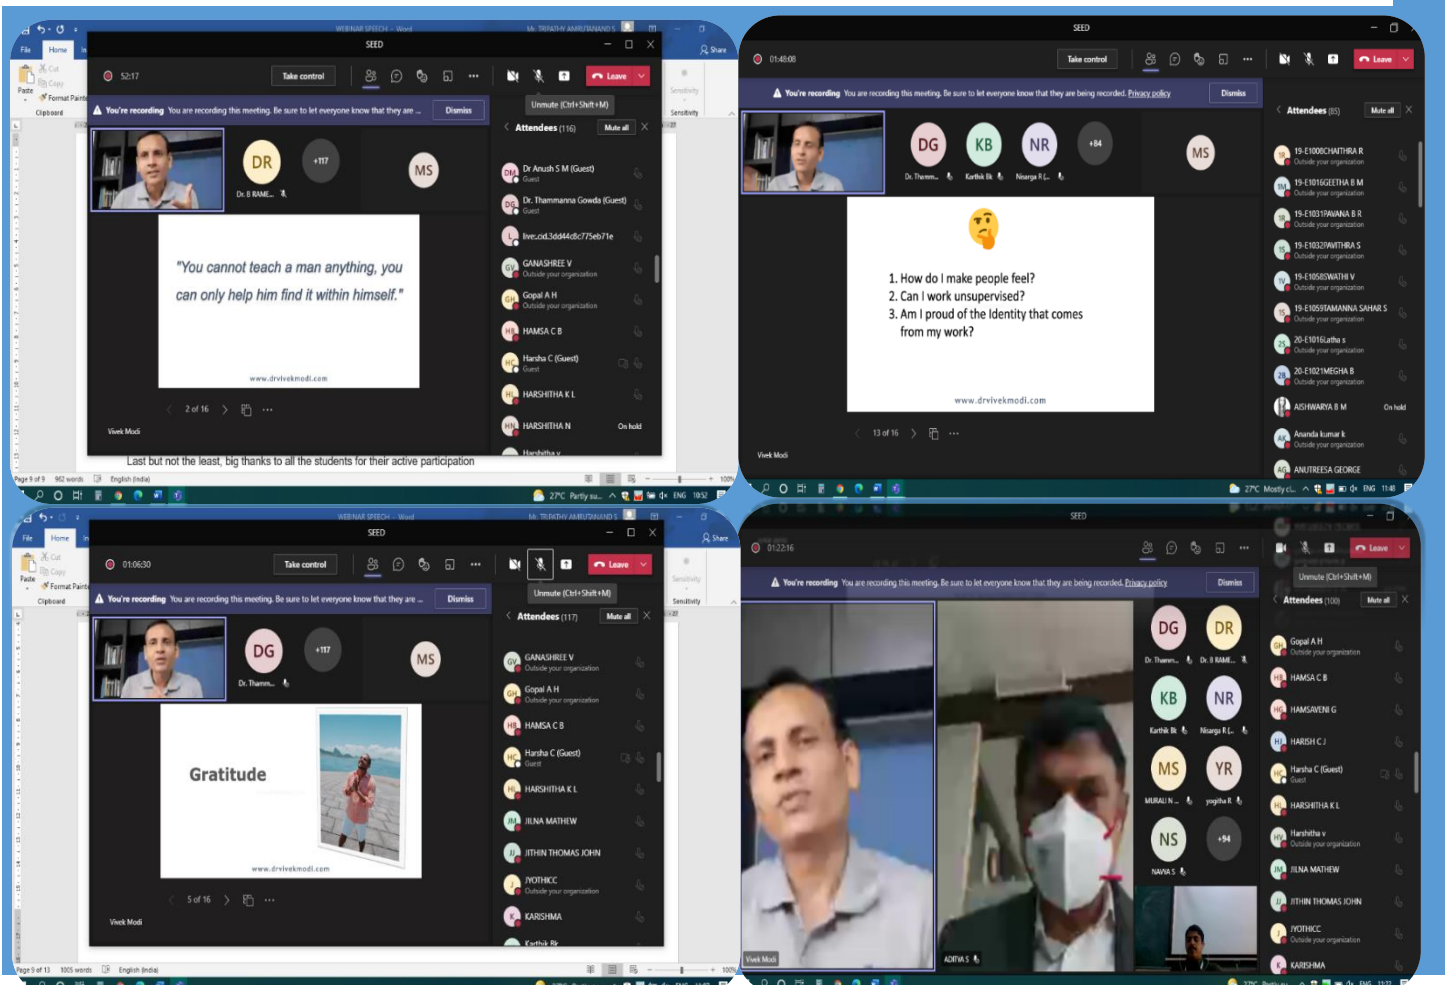

Adichunchanagiri University organized two session webinar series under SEED (Student Empowerment & Excellence) banner titled as "Challenges & opportunities in Current Times" hosted by Sri Adichunchanagiri College of Pharmacy, for the entire faculty & student fraternity of constituent colleges of ACU on 29th June 2021 and 2nd July 2021.

Speaker: Dr. Vivek Modi, Professional Speaker & Wellness Educator, Hyderabad

The event started with the welcome address by Dr. The take away points from the webinar were how to react to number of challenges that an individual faces during tough times of changes at unprecedented pace such as during Covid-19 pandemic and how one can

- 1) Develop an Attitude of Gratitude
- 2) Develop Giver's mindset
- 3) Save a Day - Acronym (SAD)
- 4) "You cannot teach a man anything, you can only help him find it within himself"
- 5) Am I using my circle of influence?

Both the sessions of webinar was attended and benefitted by nearly 300 students from across seven constituent colleges through MS teams platform, and for the benefit of others both the sessions were streamlined through YouTube channel parallelly.

**Adichunchanagiri University - BGSIT**

As a part of SEED (Student Empowerment and Excellence Development) an event titled "Innovative Learning Approaches, Logical Reasoning, and Soft Skills to be a Successful Engineer" was organised on October 31, 2023, at BGS Auditorium focused on the evolving landscape of engineering education.

Keynote speaker, Mr. A.H Sagar, emphasized the importance of adapting to new learning methods, mastering logical reasoning, and developing essential soft skills. The event provided a platform for students, educators, and professionals to gain valuable insights and strategies for success in a rapidly changing technological world. The speaker also highlighted about the importance of building the character and being broad minded at the student life. Interactive workshops and engaging discussions enriched the experience, making it a significant gathering for those aspiring to thrive.

Around 89 students from Sri Adichunchanagiri College of Pharmacy attended this event and got benefitted.
