# Back to nature make the Future..

**4000+ Trees**

The University is nestled in a verdant expanse of 67.3 acres at B.G. Nagara, Nagamangala Tq., in Mandya District of Karnataka. Located on the Bangalore – Mangalore National Highway No. 75, it is just 105 km from Bangalore, the state's capital. This unitary campus is renowned for its lush greenery.

Encompassing a lush and eco-friendly campus, the university showcases sustainability with over 4,000 trees and rooftop solarization. A commitment to green energy further underlines the institution's dedication to environmental responsibility.

Demonstrating environmental consciousness, the campus is plastic-free, battery-operated buggies and Bi-cycles contribute to the institution's green initiative.

The campus embraces alternate energy sources with 8 solar units generating 700 kW and a 300 kg capacity Biogas plant for food waste management. Water conservation is prioritised with a 750 KLD sewage water treatment plant and 17 RO, 500 LPH water purification plants.

# SIGNIFICANCE THE LOGO OF ACU

The heraldic design of the logo brings out the heritage look & feel of Adichunchanagiri. The teachings from our past, from our nature and surrounding that has evolved through generation are being taught here to the next generation in a disciplined way from an institution that has a rich traditional foundation. The colours maroon and Purple give the logo a royal touch while distinguishing it clearly from the many shades of cliched blue that is generally associated with education. The colours also symbolise courage, power, nobility, luxury and ambition. Purple colour of the logo is inspired from a shade of purple spotted on a peacock by the University Chancellor Jagadguru Sri. Sri. Sri. Dr. Nirmalanandanatha Mahaswamiji and is also a colour associated with wisdom, dignity, independence, creativity, mystery and magic.

The globe icon used within the shield symbolises Global standards of education, with India part of the map strategically fitting within the 'U' as though it is being highlighted, for it is today an education destination for students from world over.

# Sri Adichunchanagiri Mahasamsthana Math

## Karnataka, Bharat

Sri Adichunchanagiri Mahasamsthana Math, a beacon of spirituality and service with a storied 1800-years legacy, graces the picturesque Sri Adichunchanagiri Hills in Nagamangala Taluk, Karnataka. Rooted in the sacred lineage of Spiritual Masters, initiated by Lord Shiva himself at the culmination of his profound penance, this institution's history is a testament to divine devotion.

In the hallowed tradition of 'Guruparampara,' His Holiness Jagadguru Padmabhushana Puraskrutha Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji assumed the mantle of the 71<sup>st</sup> Spiritual Head of the Sri Math in 1974, at a youthful age of 30. Since that transformative moment, Sri Math embarked on an extraordinary journey, rapidly advancing its benevolent endeavors. Sri Math's selfless commitment to feeding over twenty thousand people daily has earned it the revered moniker of 'Annadani Math.' Swamiji's tireless efforts have fostered progress, peace, happiness, and harmony among humanity.

Today, under the guidance of the 72<sup>nd</sup> Pontiff, His Holiness Jagadguru Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, the institution continues its sacred mission, following in the footsteps of Sri Sri Sri Dr. Balagangadharanatha Swamiji. Dr. Nirmalanandanatha Mahaswamiji embodies wisdom, benevolence, inclusivity, and universal values, guiding all BGS Educational Institutions, temples, and shrines towards new horizons in this beautiful universe.

Karnataka, Bharat

The Sri Adichunchanagiri Shikshana Trust®, under the Presidentship of the current spiritual leader, His Holiness Jagadguru Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, has been dedicated to the establishment and management of various educational institutions. These institutions cover a wide array of fields, including **General Education (Lower Primary, Upper Primary & High School), Pre-University Education, Diploma, Industrial Training, Science Education, Medical, Nursing, Pharmacy, Ayurvedic, Engineering, Architecture, Management and Fashion Design Education among others.**

With a commitment spanning over four decades, the Trust manages more than 500 educational institutions, including Special Schools for the Blind, Deaf & Dumb. These institutions collectively enroll over 150,000 students annually. Notably, many of these establishments are located in rural areas of Karnataka, Salem, and Erode districts of Tamil Nadu, Tirupathi in Andhra Pradesh, Noida, and New Delhi. This distribution serves to provide valuable educational opportunities to rural populations, contributing significantly to the advancement of education in these regions.

One of the notable accomplishments of the Trust is the establishment of Adichunchanagiri University, a Multi-Disciplinary State Private University, which was founded in the year 2018. These institutions under the Sri Adichunchanagiri Shikshana Trust® have consistently maintained excellence in their respective domains over the years.

The Trust's focus on education, research, and service to humanity at large underscores its commitment to not only academic excellence but also the betterment of society by providing accessible and high-quality education to diverse populations.

**|| Jai Sri Gurudev ||**

An embodiment of service, spirituality, and social progress, Jagadguru Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji left an indelible mark on the world during his lifetime. As the 71st pontiff of the Adichunchanagiri Mutt from 1974 to 2013, he dedicated his life to uplifting the underprivileged and revolutionizing society through various initiatives. Born in 1945, Balagangadharanatha's journey began not in the confines of the Mutt, but in a humble farming family. His grounding in rural life shaped his empathy for the common man and his understanding of their needs. At the age of 19, inspired by a deep yearning for spirituality, he took initiation from Sri Sri Sri Ramanandanath Mahaswamiji and embarked on a path of rigorous religious study. Under his Guru's tutelage, he mastered the Vedas, Upanishads, and ancient Indian scriptures, laying the foundation for his future leadership.

In 1974, at the young age of 30, Balagangadharanatha Swamiji ascended the spiritual throne as the 71st pontiff. Recognizing the importance of both spiritual enlightenment (Jnana) and selfless service (Karma), he envisioned a transformative role for the Mutt. He believed that true societal progress could only be achieved by addressing the needs of both the body and the soul. His first and foremost focus was on education. He understood that empowering individuals through knowledge was the key to breaking the shackles of poverty and ignorance. Through the Sri Adichunchanagiri Shikshana Trust, he established over 480 schools across the state, providing primary and secondary education to rural and underprivileged children. He even established free boarding and lodging facilities for Civil Services aspirants in Bangalore, ensuring equal opportunities for all.

While embracing modern education, Balagangadharanatha Swamiji also recognized the importance of preserving India's rich cultural heritage. He established Sanskrit colleges to revive the study of this ancient language and its associated knowledge systems.

He believed that understanding our roots was crucial for charting a course for the future. Recognizing the importance of good health, Balagangadharanatha Swamiji established the Ayurvedic Hospital in Bangalore, showcasing the efficacy of traditional Indian medicine. He understood that healthcare should be accessible to all, and the Mutt provided medical aid to countless individuals, especially during times of natural disasters and epidemics.

His concern for the underprivileged extended far beyond education and healthcare. He established orphanages and care centers for destitute women and children, providing them with shelter, vocational training, and a chance at a better life. He also set up centers for the care and treatment of mentally challenged and geriatric individuals, ensuring that no one was left behind. Balagangadharanatha Swamiji was a true visionary who understood the importance of environmental sustainability.

Witnessing the devastating effects of droughts and cyclones, he launched the Go-Green Earth movement, promoting afforestation and environmental awareness. He believed that progress and development must go hand in hand with protecting our planet. Throughout his life, Balagangadharanatha Swamiji remained grounded in humility and compassion. He mingled freely with the local people, participated in festivals and community gatherings, and always had a listening ear for those in need. His genuine care and concern for others earned him the respect and admiration of millions.

Jagadguru Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji's legacy extends far beyond his lifetime. The institutions he established continue to serve millions, providing education, healthcare, and social services to those in need. His vision for a just and equitable society continues to inspire generations of leaders and social workers. It is our collective responsibility to preserve the spirit of his work and continue striving towards his dream of a better world. Each of us can play a role, however small, in making his vision a reality.

## || Jai Sri Gurudev ||

Jagadguru Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, the Honorable Chancellor of Adichunchanagiri University, 72nd Pontiff of the esteemed Sri Adichunchanagiri Mahasamsthana Math, and the President, of Sri Adichunchanagiri Shikshana Trust® is a Spiritual leader who combines a distinguished academic background with profound spiritual wisdom. He holds a Master's Degree in Engineering from IIT Chennai, where he was awarded the Gold Medal. His dedication to knowledge also extends to Sanskrit, where he earned a Doctorate in Philosophy for "Natha Philosophy - A Cultural Study" from Gulbarga University. In 1998, he embraced an ascetic life, marking a significant turning point in his journey. His contributions have been widely recognized, and he holds Honorary Doctorates from the University of Mysore and Rajiv Gandhi University.

Hailing from a humble village, Mahaswamiji displayed a brilliance that shone beyond his surroundings. Academic pursuits came naturally to him, but his true calling lay in service. Drawn by a deep compassion for others, he volunteered at the JSB Blind School in Ramanagara. This experience proved pivotal, etching a profound mark on his soul. It was here that the seeds of an ascetic life were sown. Yet, Mahaswamiji's heart harbored another passion - music. The time spent at the JSB Blind School ignited a love for melody, and he dedicated himself to mastering a musical instrument. His dedication extended far beyond personal pursuits. At the Chikkaballapur Math, Mahaswamiji's selfless contributions left an indelible impression on his predecessor, Parampoojya Jagadguru Sri Sri Sri Dr. Balagangadharanatha Swamiji. But Mahaswamiji's influence wasn't confined to the Math's walls. Recognizing the need for well-rounded individuals, he ventured beyond, conducting enlightening classes for Civil Engineering students. His focus wasn't just on technical expertise; he equipped them with the knowledge to design not just sturdy structures, but enduring ones.

A firm believer in holistic development, Mahaswamiji championed the importance of strong communication skills. He took it upon himself to bridge the gap, nurturing young minds with invaluable teachings on moral values, ethics, and spiritual insights.

# Adichunchanagiri University

In essence, he became an architect – not just of structures, but of well-rounded individuals prepared to navigate the complexities of life. Mahaswamiji is highly knowledgeable in Sanskrit and Advaita Vedanta. He advocates for holistic development through the paths of Jnana, Karma, and Raja yoga, drawing inspiration from the teachings of Swami Ramakrishna Paramahansa and Swami Vivekananda.

As the President of the Sri Adichunchanagiri Shikshana Trust®, Mahaswamiji oversees a vast educational network impacting over 150,000+ students and 500+ Educational Institutions including Schools, Colleges, and Special Institutions for the underprivileged. His initiatives include establishing Adichunchanagiri University and SAMVIT, a free residential school for talented students. Mahaswamiji has also modernized the Sri Math administration by integrating technology and emphasizing progress. Mahaswamiji is known for his love for literature, nature, and simplicity. He envisions expanding Math's activities to encompass medical colleges, eco-friendly energy systems, and research. His ultimate goal is to uplift the underprivileged, promote indigenous medicine, and preserve medicinal herbs. He continues to seek guidance from his Guru, Parampoojya Jagadguru Sri Sri Sri Dr. Balagangadharanatha Swamiji, even after his physical passing.

With a unique blend of scientific knowledge and traditional wisdom, Mahaswamiji strives to contribute to India's development significantly. His leadership promotes a progressive, humane, and practical outlook grounded in spirituality. Under his guidance, the Sri Adichunchanagiri Mahasamsthana is poised for even greater progress. Mahaswamiji has consistently delivered discourses on Science, Religion, and Spirituality at conferences across India and abroad. He has been invited to lecture at prestigious universities like Oxford, Cambridge, Princeton, and Penn State, as well as esteemed Indian institutions like IIT-Kharagpur, BHU-Varanasi, and IISc-Bengaluru. His influence extends globally through the Adichunchanagiri Cultural and Spiritual Foundation of the USA, which promotes Indian culture, spirituality, and intercultural dialogue for a harmonious multicultural society. In recognition of his contributions, he received an Honorary Doctorate from Visvesvaraya Technological University (VTU) in 2023.

Jagadguru Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji exemplifies the harmonious integration of modern education and ancient wisdom. His leadership and vision continue to inspire and uplift countless individuals globally. His efforts to blend tradition with modernity, and spirituality with scientific progress, position him as a pivotal figure in advancing holistic education and cultural preservation. Mahaswamiji's contributions promise a future of greater understanding and cooperation in an increasingly interconnected world.
