Sri Adichunchanagiri Mahasamsthana Math Karnataka, Bharat

Sri Adichunchanagiri Mahasamsthana Math, a beacon of spirituality and service with a storied 1800-years legacy, graces the picturesque Sri Adichunchanagiri Hills in Nagamangala Taluk, Karnataka. Rooted in the sacred lineage of Spiritual Masters, initiated by Lord Shiva himself at the culmination of his profound penance, this institution's history is a testament to divine devotion.

In the hallowed tradition of 'Guruparampara,' His Holiness Jagadguru Padmabhushana Puraskrutha Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji assumed the mantle of the 71 Spiritual Head of the Sri Math in 1974, at a youthful age of 30. Since that transformative moment, Sri Math embarked on an extraordinary journey, rapidly advancing its benevolent endeavors. Sri Math's selfless commitment to feeding over twenty thousand people daily has earned it the revered moniker of 'Annadani Math.' Swamiji's tireless efforts have fostered progress, peace, happiness, and harmony among humanity.

Today, under the guidance of the 72 Pontiff, His Holiness Jagadguru Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, the institution continues its sacred mission, following in the footsteps of Sri Sri Sri Dr. Balagangadharanatha Swamiji. Dr. Nirmalanandanatha Mahaswamiji embodies wisdom, benevolence, inclusivity, and universal values, guiding all BGS Educational Institutions, temples, and shrines towards new horizons in this beautiful universe.

Sri Adichunchanagiri Shikshana Trust®

Karnataka, Bharat

The Sri Adichunchanagiri Shikshana Trust®, under the Presidentship of the current spiritual leader, His Holiness Jagadguru Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, has been dedicated to the establishment and management of various educational institutions. These institutions cover a wide array of fields, including General Education (Lower Primary, Upper Primary & High School), Pre-University Education, Diploma, Industrial Training, Science Education, Medical, Nursing, Pharmacy, Ayurvedic, Engineering, Architecture, Management and Fashion Design Education among others.

With a commitment spanning over four decades, the Trust manages more than 500 educational institutions, including Special Schools for the Blind, Deaf & Dumb. These institutions collectively enroll over 150,000 students annually. Notably, many of these establishments are located in rural areas of Karnataka, Salem, and Erode districts of Tamil Nadu, Tirupathi in Andhra Pradesh, Noida, and New Delhi. This distribution serves to provide valuable educational opportunities to rural populations, contributing significantly to the advancement of education in these regions.

One of the notable accomplishments of the Trust is the establishment of Adichunchanagiri University, a Multi-Disciplinary State Private University, which was founded in the year 2018. These institutions under the Sri Adichunchanagiri Shikshana Trust® have consistently maintained excellence in their respective domains over the years.

The Trust's focus on education, research, and service to humanity at large underscores its commitment to not only academic excellence but also the betterment of society by providing accessible and high-quality education to diverse populations.

॥ जेव्हा इतने ह्युपरवेष्टर ॥

Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji assumed the holy chair of Sri Adichunchanagiri Mahasamsthana Math in 1974. Poojya Mahaswamiji was truly an enlightened soul. He treated all the people alike without discriminating on the basis of caste, creed, gender or social status. His approach towards handling different problems was truly scientific and logical. He implicitly understood the importance of education to the masses in alleviation of poverty.

Poojya Mahaswamiji was a great visionary with a perfect blend of science and spirituality. He was primarily instrumental in establishing Sri Adichunchanagiri Shikshana Trust that runs more than 500+ Educational institutions catering for about 130000 students across the country to impart quality education from primary to Professional Courses with a special focus on young people of semi-urban and rural areas.

Mahaswamiji had a vision of serving the humanity in eight fold areas of Adhyathmika (Spirituality), Anna (Free Food), Akshara (Knowledge), Arogya (Health), Ashraya (Shelter), Anukampa (Helping Hands), Aranya (Afforestation), Akalu (Cattle Protection) was exemplary and noteworthy.

He was rewarded and conferred with innumerable titles for his services in the field of Education, Health, Spiritual, Moral, Social, Cultural and Environmental activities. Most prominent among them are "Padma Bhushan, Doctor Honoris Causa, Saadhanaacharya, Akshaya Santha Sanatana, Dharmarathna, Seva Soorya, Vidya Samrat, Parisara Rathna, Abhinava Vivekananda, Rashtriya Ekatha Prashasthi" and so on.

OUR VISION

Education for all with Value Systems of Equity, Empathy, Enrichment, Excellence, Empowerment, Entrepreneurship and Enlightenment to Serve the Society.

OUR MISSION

- Education to all for self-reliance and socio-economic change to develop an inclusive society with shared opportunities and responsibilities.
- Empathy towards the less fortunate, the sick, the suffering and the differently abled.
- Enrichment to acquire abundant knowledge, requisite skills and appropriate attitude.
- Excellence for quality assurance, enhancement and sustenance in academics and research to produce graduates of global standards.
- Equity for fairness and social justice by providing equal opportunities
Empowerment of graduates to become intuitive, innovative and inventive.
- Entrepreneurship for a concept or idea involving the product or service to be delivered, or a new technology to be developed.
- Enlightenment to attain wisdom and virtues in life to think beyond self.

HELPING STUDENTS TO GROW BETTER TOGETHER

OUR PHILOSOPHY

Adichunchanagiri University, we believe in holistic education that nurtures the mind, body, and spirit, fostering a balanced development for societal and personal growth.

OUR PRINCIPLE

Our core principles revolve around integrity, inclusivity, and innovation – ensuring a learning environment that respects diversity and encourages forward-thinking.

OUR KEY OF SECESS

Our success is anchored in continuous learning and community engagement, where academic excellence meets social responsibility to create impactful global citizens.

Adichunchanagiri University (ACU) is a State Private University located in B.G. Nagara, Karnataka, established in 2018 under the Sri Adichunchanagiri Mahasamsthana Math. The university is guided by a spiritual legacy that spans over 1800 years and is rooted in a tradition of education and social service. It was founded by the revered Jagadguru Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji, the 71st Pontiff and the chairman of Sri Adichunchanagiri Shikshana Trust.

Adichunchanagiri University

Back to nature make the Future...

4000+ Trees

The University is nestled in a verdant expanse of 67.3 acres at B.G. Nagara, Nagamangala Tq., in Mandya District of Karnataka. Located on the Bangalore – Mangalore National Highway No. 75, it is just 105 km from Bangalore, the state's capital. This unitary campus is renowned for its lush greenery.

Encompassing a lush and eco-friendly campus, the university showcases sustainability with over 4,000 trees and rooftop solarization. A commitment to green energy further underlines the institution's dedication to environmental responsibility.

Demonstrating environmental consciousness, the campus is plastic-free, battery-operated buggies and Bi-cycles contribute to the institution's green initiative.

The campus embraces alternate energy sources with 8 solar units generating 700 kW and a 300 kg capacity Biogas plant for food waste management. Water conservation is prioritised with a 750 KLD sewage water treatment plant and 17 RO, 500 LPH water purification plants.

Highlights of ACN

Adichunchanagiri College of Nursing (ACN) was started in the year 1995 with the fore sight and vision of His Holiness Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji to prepare professional nurses in order to improve standards of nursing service through quality education. It is affiliated under Adichunchanagiri University (ACU). B G Nagara (Formerly with Rajiv Gandhi University of Health Sciences, Karnataka till 2018).

With the divine leadership and blessings of Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, the honourable chancellor of ACU. We have grown to be one among the largest nursing institution in the country and the best in the state of Karnataka, by providing value-based education in the last 27 years. The college has recognition from both apex bodies - Karnataka Nursing Council & Indian Nursing Council.

College comprises highly qualified and competent teachers, good physical infrastructure, Library facilities and most importantly 1150 bedded multi-speciality teaching hospital.

Nursing students do have benefit of contributions from interdisciplinary teaching faculty and ample opportunity for extra-curricular activities as university has excellent facilities for the same. We are proud to say that all our alumni's are on job in various hospitals and nursing institutes within Karnataka state and surrounding states and also various countries.

Adichunchanagiri Hospital

Adichunchanagiri Hospital and Research Center was started as a teaching hospital attached to Adichunchanagiri Institute of Medical Sciences in the year 1990, Now it is under Adichunchanagiri University. It was the dream of His Holiness Bairvaikya Padmabushana Sri Sri Sri Dr Balagangadharanatha Mahaswamiji to build a hospital in the rural area of Javaranahalli to provide the state of the art medical services under one roof to the rural population around this place.

This hospital started as a 300 bed hospital in 1990, now it has increased upto 1200 bed Hospital with all facilities to provide the best of the care to the patient. 13 broad specialties along with round the clock Emergency services, Laboratory & Radiology Diagnostic services. Ambulance services, ICU services, Pharmacy & blood bank facility.

The hospital provides teaching facility to medical students, Nursing students, Pharmacy and Paramedical students. The excellent clinical materials with an average daily outpatient of around 1000 numbers and inpatient of around 500 - 600, which help the students for better clinical exposure.

As a part of integrated medical treatment, a state of the art Panchakarma unit is also started providing the service to the needy.

Adichunchanagiri Super Specialty Hospital

Our Present Swamiji His Holiness Sri Sri Sri Dr Nirmalanandanatha Mahaswamiji has taken this institute to a new height. In order to fulfil the dreams of Sri Sri Sri Dr Balagangadharanatha Mahaswamiji to provide health care under one roof. He has started Adichunchanagiri Super Specialty Hospital which caters the services in the various super specialties. The department of Neurosurgery was established keeping in mind the number of road traffic accident victims on the Bengaluru-Mangaluru highway. The department is working round the clock to provide services immediately to the patients of RTA and has saved hundreds of lives. Apart from RTA it also provides Surgical services to stroke, tumors, spinal problems and other Neurosurgical patients. The plastic surgery department is doing a lot of Reconstructive surgeries with highly skilled staff and also burns victims in collaboration with Agni Raksha an NGO working for burns victims. The super Specialty hospital also provides the services in the super specialty of Urology, Nephrology, Surgical, Medical & Radiation Oncology and Rheumatology. The interventional cardiac services are started in the month of Nov 2022 and is offering round the clock service. The hospital also provides comprehensive diabetes treatment under diabetes care centre.

All services are provided at a very affordable cost and the hospital has the potential to cater service to the people of nearby districts as per the vision of His Holiness Bairvaikya Padmabushana Sri Sri Sri Dr Balagangadharanatha Mahaswamiji and Sri Sri Sri Dr Nirmalanandanatha Mahaswamiji

FLORENCE NIGHTINGALE

12th May 1820 - 13th Aug 1910

Florence Nightingale OM RRC DStJ was an English social reformer, statistician and the founder of modern nursing. Nightingale came to prominence while serving as a manager and trainer of nurses during the Crimean War, in which she organised care for wounded soldiers at Constantinople. She significantly reduced death rates by improving hygiene and living standards. Nightingale gave nursing a favourable reputation and became an icon of Victorian culture, especially in the persona of "The Lady with the Lamp" making rounds of wounded soldiers at night.

We are celebrating her birthday every year in the name of
"International Nurses Day"
The Florence Nightingale Pledge

I solemnly pledge myself before God and in the presence of this assembly, to pass my life in purity and to practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug.

I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling.

With loyalty will I endeavor to aid the physician in his work, and devote myself to the welfare of those committed to my care.

Principal's Message

It gives me an immense pleasure to share with you the ninth edition of Shushrushavaani, the News Letter. The Half year of 2023 (Jan to June) was notable for academic prowess, innumerable.

Educational experience The responses of our teaching and non-teaching staff to ensure that our academic goals are not compromised, especially under such trying circumstances is inspiring. Our curriculum and the core values we hold ensure quality education and holistic development for all the students to nurture them into creative thinkers of tomorrow. Its continues to grow, wins accolades and provides its students with a wide and rich variety of invaluable learning experiences.

I Would like to extend my gratitude to the editorial board, who have done an excellent job in bringing together this edition of Shushrushavaani. Their commitment, diligence, and attention to details are evident in the quality and diversity of the content.

Prof. Chandrashekar H C

Principal

DEPARTMENT OF NURSING FOUNDATION

- Fundamental of nursing lab is the basic foundation laboratory in the art of Nursing.
- Nursing Foundation lab offers the opportunity to provide simulation based education to challenges and test students clinical and decision making skills during realistic patient care and scenarios.
- The department trains the nursing students to gain cognitive, affective and psychomotor domains which can be practiced and create apposition changes in the health outcomes of individuals, families, community in all health care settings.
- It exposes all the equipments which are used for giving care to the patient in practical way which will guide the students to improve the knowledge and to assess the patient care effectively and efficiently.

HIGHLIGHTS

- Experience with high fidelity patient care simulator.
- Centralized AIMS simulation lab exposure to students.

DEPARTMENT OF MEDICAL SURGICAL NURSING

- The department offers student-centered instruction and learning in an environment that is conducive to practical experience, assisting the students in developing confidence in their nursing knowledge, abilities, and practiced attitudes.
- In order to meet the challenges of changing patient demographics, disease severity, and complexity in health care technologies, the department's faculty places a strong emphasis on students' knowledge, skills, and altitudinal acquisition.
- When it comes to caring for patients in the critical care unit, the family members and their concerns are taken into consideration on an equal basis. The medical surgical nursing practice scope is evidence-based, in terms of the patient's care as well as procedural factors.
- The topic is carefully considered and presented in second- and third-year B.Sc. nursing courses in order to logically address all health system challenges. Simulated patients are used to practice crucial patient care procedures, allowing trainees to develop their clinical skills and confidence. To prepare them for providing comprehensive care, the course gives students the chance to study about adult health issues, including geriatrics.

HIGHLIGHTS

- Establish the highest standards for basic, secondary, and tertiary medical surgical nursing treatment and rehabilitation.
- To strengthen the science of nursing and improve patient outcomes, encourage research-driven nursing practice.
- Offer consulting services in fields important to the practice, study, and future direction of medical surgical nursing.

DEPARTMENT OF COMMUNITY HEALTH NURSING

- Community Health Nursing is the specialty that prepares the students to meet the ever-changing challenges of society. The course orients the students to the concept of positive health and successful living, focuses on the families in the community and population groups with health risks.
- The Community department organizes household surveys, epidemiological investigations, health projects, health awareness campaigns, exhibitions, health care programs, school health programs, special clinics, health education activities etc. in the village. These activities train the students to effectively interact with the community on health matters.
- Our CHN lab is properly equipped and well furnished with healthy environment of learning for the under graduates and post graduates so as to practice the procedure to improve the skill and make effective AV aids needed for the public and related to community health concerns. The lab is arranged in such a manner that the student of the nursing programme can CHN lab is therefore an extension and expansion of the ideal guidelines of community health nursing.

HIGHLIGHTS

- We have affiliated Community Health Centre.
- Adopted villages.
- Well-equipped laboratory.

DEPARTMENT OF OBG (OBSTETRICAL & GYNAECOLOGICAL) NURSING

- The Department of Obstetrical and Gynaecological Nursing takes pride in quality teaching. The department is a specialty of caring for women during antenatal, intranatal and postnatal period.
- The department is designed for graduate and post graduate students to develop expertise and in-depth knowledge to provide comprehensive nursing care to the mothers as well newborn.
- The department encourages student research in the core areas of women's health, reproductive health, high risk pregnancy, high risk labour, high risk puerperium, neonatal care and high risk newborn.
- The department further enable the students to function as care giver, independent midwifery practitioner, effective educators, lactation counsellors, managers and researchers at different settings.

HIGHLIGHTS

- Simulation lab at AIMS.
- Well-equipped laboratory with dummies and mannequins for the mechanism of labour, antenatal and postnatal examinations.

DEPARTMENT OF PAEDIATRIC (CHILD HEALTH) NURSING

- The department of Child Health (Paediatric) Nursing provides courses related to child health nursing within the framework of the curriculum of Adichunchanagiri College of Nursing and the Indian Nursing council (INC).
- The department provides student-centered teaching and learning in conducive atmosphere that helps the students to gain confidence in their nursing knowledge and skills. The department is concerned with training the students in developing the knowledge and skills required to respond to health care needs of infants and children and their family in a variety of settings.

HIGHLIGHTS

- Well established laboratory equipped with models, manikins, instruments to facilitate teaching learning process
- Utilization of centralized simulation lab at AIMS to expose the students to learn about paediatric procedures

DEPARTMENT OF PSYCHIATRIC (MENTAL HEALTH) NURSING

- Mental health nursing is a specialized field of nursing practice that involves the care of individuals with a mental health disorder to help them recover and improve their quality of life.
- Mental health nurses have advanced knowledge of the assessment, diagnosis, and treatment of psychiatric disorders that helps them provide specialized care. They typically work alongside other health professionals in a medical team with the aim of providing the optimal clinical outcomes for the patient.
- Mental health / Psychiatric nursing is the specialty area of nursing that focus on the promotion of mental health, prevention of mental illness and rehabilitate the client with mental illness.
- The students to assist in developing expertise and in depth understanding in the field of psychiatric nursing. It will help the students to appreciate the client as a holistic individual and develop skills to function psychiatric nurse specialist it will further enable the students to function as educator, manager and researcher in the field of psychiatric nursing.

HIGHLIGHTS

- Providing counselling and awareness Programme in common and personal issues such as misconception related to mental illness, conflict resolution, career guidance, awareness Programme on mental illness, Prevention of suicide, selfprotective measures, sex education, substance abuse, slow learners, etc.

JNANA VIJNANA TANTRAJNANA MELA

On the eve of the Annual Coronation celebrations of His Holiness Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, the 72nd pontiff of Sri Adichunchanagiri Mahasamsthana Mutt, Sri Math organizes Jnana Vijnana Tantrajana Mela (JVTM) from the year 2014. In JVTM, Sri Math has introduced the concept of awarding "Vijnatham" Award to renowned Scientists, Technologists, and Spiritual Leaders who have made a substantial contribution in the National/International arena. The platform provides stalls to exhibit the Projects / Models & Innovations by Staff and Students from various Institutions. Medical, Engineering, Pharmacy, Nursing, and General Education colleges are invited to participate in this mega event. Cash Prizes and Certificates will be given for the best exhibit.

In the JVTM along with educational institutions, several higher education institutions of other management, Government agencies like SRO, HAL, Vishweshwaraiah Industrial and Technological Museum, and Spiritual organizations across the state will participate every year.

The objectives of JVTM are -

Exposing the latest Trends and developments in the fields of Science, Technology, Wisdom and Spirituality

Initiating the youth to be prepared for the blending of Technology and science

Enlightening for a scientific analysis of religion and study of religion in the light of science

Motivating the masses, particularly the younger generation, to think and act scientifically

Inspiring to develop an inclination towards solving problems related to societal needs, culture, spirituality, environment, agriculture, energy conservation, Health Care, Research and Academic advancements, etc

Creating awareness about environmental issues and concerns

Enabling the younger generation to visualize the future of the nation and become responsible citizens

Every year on the 19th and 20th of February JVTM will be conducted with different themes like Science, Religion, and Spirituality, Creation of Technology for the New Millennium, Shaping Future Life: Health and Nutrition, Environmental issues: Causes and Consequences of Climate Change, Digitalization and Sustainability, National educational policy, sports and social change, Climate change and environment, National health program, Energy and resource conservation, General social relevance, etc. more than 1000 participants will be exhibiting their models and innovations in 200 stalls will be visited by nearly 50000 students, academicians, and the general public, special lectures by the eminent speakers in the respective fields of Jnana, Vijnana and Tantrajana are organized during this Mela. The JVTM conducts Quizzes, PowerPoint presentations, and Exhibitions/ Models in the field of science and technology where presenters get a better platform to showcase their knowledge and skills. The prizes will be awarded theme- wise to the best stalls and best exhibitors.

VIJNATHAM AWARDEES

THE PRESTIGIOUS VIJNATHAM AWARDEE OF 2023 IS

Padmabhushana Dr. Sudha Murty

Since time immemorial, women have always been a source of motivation and catalysts for social change. Luminaries like Mother Teresa, Sarojini Naidu, Kalpana Chawla are such women who were born to inspire. Dr Sudha Murty is a living example of such ideals. A writer, philanthropist and entrepreneur, Sudha Murty is greatly revered for being a prolific writer, facilitating the education of poor children and being one of the brains behind Infosys, one of India's leading T company. Sudha Murty's philanthropic work has garnered global recognition. From becoming the first female Engineer in India to heading a company like Infosys, her seriousness towards making a change in society and her educational journey has played a significant role in making her a writer and Philanthropist.

Sudha Murty was born on 19th August 1950 to Smt. Vimala Kulkarni and Dr. R H Kulkarni in Shiggaon, a village in Karnataka. Her father was a surgeon and a professor at the local university, while her mother was a school teacher. A dedicated, sincere and committed student, she emerged as a topper in her Bachelor's and Master's degrees. Consequently, the then chief minister of Karnataka recognized her efforts by awarding her a gold medal for the same.

Dr. Sudha Murty is a pioneer in educational development and an advocate of women's rights. Her postcard to the Chairman of TELCO (known as Tata Motors today) telling about the gender bias in the recruitment process is proof of this. As a result of the blunt note, she was called to a special interview and immediately employed as the first female engineer in India. Consequently, she joined as a Development Engineer, and her job responsibilities included redefining the job policies of the organization. Initially, her job location was Pune, but she also worked in Jamshedpur and Mumbai. While working in Pune, she married Sri N R Narayana Murthy. The recognition for her efforts allowed her to spread awareness about poverty alleviation, public hygiene, and education through the Infosys Foundation. She knew the importance of education to uplift society and worked towards implementing the same. Through the foundation, she built 2300 houses in floodaffected areas of the country. Additionally, she also contributed to

building 7000 libraries and 16,000 toilets. As a part of the Infosys Foundation, Dr. Sudha Murty still visits rural areas for 10 days every month to implement relief initiatives. Besides, she is also an active member of the various public healthcare initiatives carried out by the Gates Foundation.

A woman who refused to stay on the side-lines because of the gender bias of the country, Dr Sudha Murty is an icon to the youth of today. Two traits sum up her personality and the reason for her being an inspiration: 1) Generosity and simplicity 2) The ability and willingness to give back to society.

Dr. Sudha Murty is the recipient of many prestigious awards, prominently Padmashree and Padmabhushana.

Christmas Day-2023

Adichunchanagiri College of Nursing celebrated *"Christmas Day"* with great enthusiasm on *20th December 2023* at ACN Campus. Department of Psychiatry organized this event aimed to bring joy, unity, and festive cheer to our students and all Teaching and non-teaching staff's during this special time of the year. The entire ACN campus was transformed into a festive wonderland with vibrant decorations, including Christmas trees, sparkling lights, and crib. Christmas carols echoed through the halls, filling the air with melodies that resonated with the spirit of the season. Prof.Chandrashekar H.C, Principal of Adichunchanagiri College of Nursing, B.G. Nagar present on this auspicious occasion. *Father Rubin* extends heartfelt wishes to each and every one and also highlight the birth of Jesus and celebration of Christmas. Santa Claus made a surprise appearance, spreading laughter and delight among the students, teaching and Non-Teaching Faculties. The distribution of gifts creating unforgettable moments of happiness. I would like to extend my heartfelt wishes to each and every one. May this Christmas season fill your hearts with love, your homes with warmth, and your lives with the magic that comes from embracing the true spirit of Christmas.
